Revision Guide (4 or 10 October)

2021/2022

We will be producing a revision guide which contains:

1. Revision methods
2. Exam timetable
3. Intervention timetable
4. Subject info regarding what to revise.

Trial Exams (14 or 21 Oct)

Aims of the trial exams:

- Give students an opportunity to demonstrate their knowledge
- Provide teachers with an understanding of areas of strength and areas for improvement
- Provide intervention information
- Predicted grades for Post 16

Trial Exams (14 or 21 Nov)

- 2 to 3 weeks of exams
- Includes practical exams for Art, Music & MFL
- Students will have a trial exam in all subjects which have a exam in the summer
- Students will have multiple papers for some subject
- All exams will be in exam conditions in the exam spaces
- 8:30 start - Do not be late
- Some students will have 2 or 3 trial exams in one day
- Students MUST Revise for these
