“There is a distinct sense of community in the school” Ofsted 2020

Head’s Line:

Dear Hollyfield Community

I hope that you are all well and have enjoyed your week. We have had a great week at Hollyfield. On Tuesday evening we had our annual open evening, which was attended by around 1000 people. Many thanks to those parents with younger children at primary school who came along to the event. A special thank you to all of our student ambassadors; the feedback from parents was overwhelmingly positive about this group of students. I would also like to thank our Head Students: Keira and Lewis. Keira and Lewis are in Year 13 now and will be passing the baton onto new Head Students in the next few weeks. Before they do, I would like to publicly thank them both for doing such a fantastic job. I do believe they have led other students well and influenced change at the school. Their speeches at open evening were genuine and heartfelt and they have been excellent role models. Well done to both of them.

Our open morning tours begin this week where we take round groups of Year 6 parents and children. Thanks once again to all of our ambassadors who are accompanying these tours, parents and children tell us how useful it is to speak to current students so that they can hear about life at Hollyfield from those living it. The tours mean that students will experience visitors popping into their lessons, accompanied by a senior member of staff. These tours will continue right up until half term.

Yesterday we had a trial run of our lockdown drill. Staff and students were briefed on what to do in the event of a lockdown and had a practice during period three with senior staff checking each classroom and answering any questions. It is extremely unlikely this procedure will ever need to be used, but students took the practice very seriously and should be congratulated for their efforts.

Next week we have our Year 10 – Year 13 careers fair on Wednesday evening. This is always an excellent event where students come into school and learn about different careers by talking to professionals from that field. Full details of the event can be found in the Careers section of the ebulletin. We look forward to seeing many of you there.

Please can I also remind parents about our **INSET day on Friday 6 December**, when the school will be closed to students. Please make sure you have added this date to your diary, we will of course remind you closer to the time.

Wishing you all a wonderful weekend ahead.

Amy Jackson

OTHER NOTICES

Reporting your child's absence

When reporting your child's absence from school on the dedicated absence line - 0208 339 4518 preferably before 8.30am on the morning of your child's absence from school. Please leave their name, spelling out any unusual names, year group and the reason for their absence and your details. Alternatively, you can email the school office@hollyfield.kingston.sch.uk.

Valuables in school

The school policy and guidance with regard to pupil possessions is clear that they are brought into school at their own risk. The Hollyfield School does not accept liability for any items that may be lost, damaged or stolen. While theft is taken extremely seriously and thoroughly investigated, the school is not in a position to cover the cost of any item stolen.

Of course, with respect to the last point, steps and measures are put in place to mitigate against such circumstances, especially during PE and Games lessons, where pupils' items are locked in the changing rooms. While this is standard procedure, there may be some extenuating circumstances where this cannot always be guaranteed. Therefore, I would urge your son/daughter not to bring expensive items into school.

Medical Health Care Plans

Can we please request that you complete the following medical information collection form if your child has any medical conditions, no matter how small. If your child has a new diagnosis we ask you to also complete this form even if you have already done so for a different medical condition to ensure we have the most up-to-date information.

Form: <https://forms.gle/pxTajACe1yUNSKdx9>.

Changed your address/email/phone number????

If you have changed your contact details, please email the school office on office@hollyfield.kingston.sch.uk stating your child's name and form and the change of details. It is important to keep these details up to date in case of an emergency. Don't forget to update your Parentmail account with your new details.

Water Bottles

Please ensure your child brings a water bottle with them to school every day, it is even more important during hot weather. Our water fountains can be used to refill bottles as necessary during break and lunch, it is not possible to drink from the fountains direct and we do not have bottles or cups to give out to students. Alternatively, bottles of water can be purchased (and refilled) in the cafeteria, please ensure your Parentmail account has enough funds to enable this.

Surbiton Hill Road Entrance for cars

If you drive/collect students to or from school the visitor's car park/Surbiton Hill Road entrance **should not be used to drop off students**. This causes congestion for people entering the site and staff access, cars travelling on Surbiton Hill Road and is potentially dangerous for pedestrians.

Dinner Money Top Up

Please ensure funds are available 24 hours before they are required when topping up your child's dinner money on Parentmail. If you add funds on the day they are to be used we will not be able to see the credit instantly until the system has processed it, therefore creating a delay in your child buying food at the canteen.

Contribution to the School Fund

If you would like to help contribute to the school fund to provide additional facilities to the school and students, please click [here](#) for more information. We acknowledge that not all of our parents can make a commitment on a monthly basis. Having listened to those parents we also understand that some would like to make a contribution whenever they can. A donation payment link is available in your ParentMail account. We are grateful for any contribution you can make, regardless of the amount. Every penny will be spent improving students' experiences. Like the monthly contributions, your donation will go into the school fund. It will be used in accordance with the guidance given to schools regarding parental contributions.

Open Door

Ms Jackson holds Parent Clinics on Thursday afternoon during term time. These are from 3.00pm-4.30pm for parents/carers to speak directly to her regarding any unresolved concerns/ suggestions. Please contact Louise Sutton to arrange an appointment on 0208 339 4500 or email lsutton@hollyfield.kingston.sch.uk.

ACHIEVEMENT POINTS

Achievement and behaviour points are awarded every day at Hollyfield in line with our school policy and are a fundamental part of school life. We want students to be the best versions of themselves and we explicitly teach the behaviour we want our young people to develop through our GO BIG character virtues (Good Communication / Organisation / Bouncebackability / Initiative / Gratitude). Students are therefore rewarded for when they demonstrate these character virtues either in class, around our school environment and even outside of school. The school also gives out termly prizes for great progress, engagement in learning, attendance and also contribution to school life. We also continually try to celebrate the successes of our students outside of school life and encourage all students to be proud of their successes in whatever area they come from.

Behaviour points are given to students in line with our behaviour policy. At the heart of our behaviour policy is restorative approaches which is a strategy the school uses to allow students to discuss their behaviours with one another and also key staff and to move past incidents in a non-judgemental way.

Both of the school's rewards and behaviour policies can be found on the school website and if you have any questions about them please don't hesitate to contact Miss Patel (Assistant Headteacher).

TEACHING & LEARNING

Musical Instrument Lessons at Hollyfield

With Kingston Music Service

About instrument lessons at Hollyfield...

At Hollyfield we recognise the importance of Music and know that students who learn musical instruments are shown to do better across their subjects (it has been proven that learning to play an instrument stimulates the brain, improving functions like memory and abstract reasoning skills). It is also a great way for students to make new friends at school by being able to participate in our Rock School, Swing Band and Orchestra. If students would like to have individual music lessons on an instrument during the school day we offer a range of different instruments with our fabulous team of peripatetic teaching staff. The instrument lessons are 25 minutes each and organised on a rotation timetable.

INSTRUMENTS and teachers...

All instruments can be applied for (even if not currently taught here). Currently we have the following brilliant team of tutors:

Onna Benson: Piano

Sharon Taylor: Piano

Tom Early: Drum kit/Percussion

Tino Rainone: Guitar

Andy Brown: Guitar

Tom Marshall: Guitar

Neil Thomas: Piano & Brass

Deborah Chalmers: Violin

Linley Weir: Voice

We would love more woodwind and brass players and there are schemes that Kingston Music Service can offer to support these lessons. In some instances we can also offer funded lessons to support talented students where finance is a barrier.

Sky Academy Year 11 Workplace Visit

Last week the Year 11 and Year 13 Media groups travelled to the Sky Studios in Elstree to visit the state of the art offices which have only been fully opened in 2022. This brand new £3 million facility offered the students plenty of opportunity to work on filming and editing their own stories and also gaining an insight into the huge number of different jobs and the opportunities which exist within the industry. Thanks to Mr Poole, Ms Mirshahi and Ms Adams who accompanied our group of creatives everyone had a fun time and learnt a great deal. Hopefully we will be able to visit the Sky studios again next year.
