“There is a distinct sense of community in the school” Ofsted 2020

Head’s Line:

Dear Hollyfield Community

I hope you are all well and have enjoyed your week. This week we have hosted seven open morning and afternoon tours with the final two tours taking place on Monday and SEN on Tuesday. It has been a real privilege to speak to and meet so many prospective parents and students. They always speak very highly of our student guides, so well done to them and congratulations on doing such a great job. This week our Head Students, Keira and Lewis and Deputy Head Students, Raya and Flynn, come to the end of their tenure. This team of students have been absolutely fantastic. They have led the student body with energy, enthusiasm and integrity and worked with school leaders to reshape the core purpose of the role. As a result of their work, we have new caterers, new water fountains, new recycling methods and a huge amount of other feedback to act upon. I would like to thank them publicly for their work. They have set the standard at a very high level and I look forward to the Hustings for the role next year. These take place next week with all the students having an opportunity to vote for their preferred candidate.

I would also like to offer further public congratulations to Azaria, Hattie and Lola in Year 9 for their work on the Premier League Inspires project. This team of students worked on a project last year alongside a team from Fulham FC. The project they came up with was based on supporting the older generation who were living in care homes. The project was recognised for its excellence and how inspiring their work was. This is a fantastic achievement and we are so very proud of them. I enclose a link to the full article here: <https://www.premierleague.com/news/4137871>

Please can I remind parents that if a student sustains an injury outside of school, it is important that medical attention is sought outside of school. A number of students are waiting until they arrive in school and then seeking support from our first aid team. Support with this will be gratefully received as it allows our first aid to focus on any accidents that might happen during school time.

And finally, a number of parents have been in touch about the ski trips and whether more places will become available. We are continuing to work on this and will be in touch with parents next week with an update.

Please can I also remind parents about our **INSET day on Friday 6 December**, when the school will be closed to students. Please make sure you have added this date to your diary, we will of course remind you closer to the time.

Wishing you all a wonderful weekend ahead.

Amy Jackson
Headteacher

OTHER NOTICES

Reporting your child's absence

When reporting your child's absence from school on the dedicated absence line - 0208 339 4518 preferably before 8.30am on the morning of your child's absence from school. Please leave their name, spelling out any unusual names, year group and the reason for their absence and your details. Alternatively, you can email the school office@hollyfield.kingston.sch.uk.

Valuables in school

The school policy and guidance with regard to pupil possessions is clear that they are brought into school at their own risk. The Hollyfield School does not accept liability for any items that may be lost, damaged or stolen. While theft is taken extremely seriously and thoroughly investigated, the school is not in a position to cover the cost of any item stolen.

Of course, with respect to the last point, steps and measures are put in place to mitigate against such circumstances, especially during PE and Games lessons, where pupils' items are locked in the changing rooms. While this is standard procedure, there may be some extenuating circumstances where this cannot always be guaranteed. Therefore, I would urge your son/daughter not to bring expensive items into school.

Medical Health Care Plans

Can we please request that you complete the following medical information collection form if your child has any medical conditions, no matter how small. If your child has a new diagnosis we ask you to also complete this form even if you have already done so for a different medical condition to ensure we have the most up-to-date information.

Form: <https://forms.gle/pxTajACe1yUNSKdx9>.

Changed your address/email/phone number????

If you have changed your contact details, please email the school office on office@hollyfield.kingston.sch.uk stating your child's name and form and the change of details. It is important to keep these details up to date in case of an emergency. Don't forget to update your Parentmail account with your new details.

Water Bottles

Please ensure your child brings a water bottle with them to school every day, it is even more important during hot weather. Our water fountains can be used to refill bottles as necessary during break and lunch, it is not possible to drink from the fountains direct and we do not have bottles or cups to give out to students. Alternatively, bottles of water can be purchased (and refilled) in the cafeteria, please ensure your Parentmail account has enough funds to enable this.

Surbiton Hill Road Entrance for cars

If you drive/collect students to or from school the visitor's car park/Surbiton Hill Road entrance **should not be used to drop off students**. This causes congestion for people entering the site and staff access, cars travelling on Surbiton Hill Road and is potentially dangerous for pedestrians.

Dinner Money Top Up

Please ensure funds are available 24 hours before they are required when topping up your child's dinner money on Parentmail. If you add funds on the day they are to be used we will not be able to see the credit instantly until the system has processed it, therefore creating a delay in your child buying food at the canteen.

Contribution to the School Fund

If you would like to help contribute to the school fund to provide additional facilities to the school and students, please click [here](#) for more information. We acknowledge that not all of our parents can make a commitment on a monthly basis. Having listened to those parents we also understand that some would like to make a contribution whenever they can. A donation payment link is available in your ParentMail account. We are grateful for any contribution you can make, regardless of the amount. Every penny will be spent improving students' experiences. Like the monthly contributions, your donation will go into the school fund. It will be used in accordance with the guidance given to schools regarding parental contributions.

Open Door

Ms Jackson holds Parent Clinics on Thursday afternoon during term time. These are from 3.00pm-4.30pm for parents/carers to speak directly to her regarding any unresolved concerns/ suggestions. Please contact Louise Sutton to arrange an appointment on 0208 339 4500 or email lsutton@hollyfield.kingston.sch.uk.

HOLLYFIELD PTA NEWS

Next PTA Meeting Tuesday 15.10.24

Everyone is welcome! Join us, find out how you can get involved and have fun whilst helping with events and raising funds for the school!

Join us at, 7:30pm - Venue: Waggon and Horses Pub. We meet in the room off the back bar area, just before the raised seating. Alternatively in the raised seating area.

We currently have positions available for co-secretary and co-chair.

We are looking forward to seeing you there!

[We meet on the 3rd Tuesday of every month.]

An additional note: would you like to join in to help with upcoming events such Quiz night and Christmas Concert or generally just kept in the loop, but unable to attend meetings? If so, please email us at ptahollyfield@gmail.com, with your number. We can then add you to the general PTA WhatsApp group.

Quiz Night for Year 7 students and their families

This Fantastic social event is an opportunity for new members of our school community to get to know each other a bit and to have some fun.

We've had very positive feedback about this popular event in the past!

This event will be hosted on **Friday 15 November 2024**.

You can book your tickets here: <https://www.pta-events.co.uk/hollyfield/>

Pre-loved Uniform Store Next session: Date TBC

At the old Music Building, Next to the Dome, Close to the Lamberts Road Gate

[What three words location: begin.tigers.atom]

Anyone is welcome to pop in and take what items they need.

If your child has lost or outgrown their uniform or PE kit please drop in and see if we can help.

We have a large stock of items of uniform (particularly trousers) and PE kit including some shoes, football boots and trainers. **Availability varies.**

We operate a donation system for those that can afford to contribute.

Everyone Welcome - it is best the items get used, rather than sit in a store or be thrown away!

Any donations of uniform too small for your child would also be appreciated! These can be dropped at the collection point at the entrance to Albury

ACHIEVEMENT POINTS

Achievement and behaviour points are awarded every day at Hollyfield in line with our school policy and are a fundamental part of school life. We want students to be the best versions of themselves and we explicitly teach the behaviour we want our young people to develop through our GO BIG character virtues (Good Communication / Organisation / Bouncebackability / Initiative / Gratitude). Students are therefore rewarded for when they demonstrate these character virtues either in class, around our school environment and even outside of school. The school also gives out termly prizes for great progress, engagement in learning, attendance and also contribution to school life. We also continually try to celebrate the successes of our students outside of school life and encourage all students to be proud of their successes in whatever area they come from.

Behaviour points are given to students in line with our behaviour policy. At the heart of our behaviour policy is restorative approaches which is a strategy the school uses to allow students to discuss their behaviours with one another and also key staff and to move past incidents in a non-judgemental way.

Both of the school's rewards and behaviour policies can be found on the school website and if you have any questions about them please don't hesitate to contact Miss Patel (Assistant Headteacher).

The year group weekly totals are below:

Year 7 1828 **Year 8** 1094 **Year 9** 1057 **Year 10** 787 **Year 11** 721

The top performing forms per year group in terms of overall achievements were:

7LGR 446 **8RAL** 227 **9NLU** 215 **10JSA** 185 **11DMI** 133

The top performing students from each year were:

Year 7 Toby D

Year 9 Shanmitha Reddy Y

Year 11 Charlie H

Year 8 Arthur PW

Year 10 Zak F

STUDENT ACHIEVEMENT

Ibrahim in Year 8 attended a competition - NAGA EUROPE NO-GI&GI GRAPPLING CHAMPIONSHIP in Germany and in the category up to 40 kg, Ibrahim took the first two places and received two belts and one gold medal. Well done Ibrahim!

TEACHING & LEARNING

Music

Musical Instrument Lessons at Hollyfield

With Kingston Music Service

About instrument lessons at Hollyfield...

At Hollyfield we recognise the importance of Music and know that students who learn musical instruments are shown to do better across their subjects (it has been proven that learning to play an instrument stimulates the brain, improving functions like memory and abstract reasoning skills). It is also a great way for students to make new friends at school by being able to participate in our Rock School, Swing Band and Orchestra. If students would like to have individual music lessons on an instrument during the school day we offer a range of different instruments with our fabulous team of peripatetic teaching staff. The instrument lessons are 25 minutes each and organised on a rotation timetable.

INSTRUMENTS and teachers...

All instruments can be applied for (even if not currently taught here). Currently we have the following brilliant team of tutors:

Onna Benson: Piano

Sharon Taylor: Piano

Tom Early: Drum kit/Percussion

Tino Rainone: Guitar

Andy Brown: Guitar

Tom Marshall: Guitar

Neil Thomas: Piano & Brass

Deborah Chalmers: Violin

Linley Weir: Voice

We would love more woodwind and brass players and there are schemes that Kingston Music Service can offer to support these lessons. In some instances we can also offer funded lessons to support talented students where finance is a barrier.

CAREERS

Careers Briefing – 11 October 2024
Mr Poole & Miss Corrighan (Careers team)

The Future Careers Fair - 9 October 2024

What a fantastic event! It was great to see the students and parents/carers who attended the Future Careers Fair on Wednesday. It was the best turn out yet and we had some inspiring people for our students to talk to.

A range of industries were represented from Law to Technology, Healthcare to Media, the Armed Services to Business. We also had the Hollyfield and Chessington Sixth Forms, local colleges and universities on hand to give students an idea about their post 16 and 18 options as well as apprenticeship providers. So as you can see, it was a real range of people we invited in, which we hope has inspired our students for their future.

Thank you to all our volunteers for their time and energy. There were many Hollyfield parents and alumni (ex-students) who came in and it's great to see that continued support. Thanks to all the staff who stayed late to ensure it was a great success. And last but not least a big thank you to Mr Poole for organising this incredible event, you are a star!

If you can provide any feedback on your experience of the event please complete this short google form: [Feedback from students and parents about the event](#)

Year 11 - Post 16 options

The application process for colleges and sixth forms has started now. We advise you to make at least 2 or 3 applications. See details below of open events as there are several which take place in October and November.

HOLLYFIELD **Hollyfield Sixth Form open eve - Thursday 14 November 6-8pm** Come along and find out more about the courses on offer from our teachers and current students. Hollyfield students will automatically be offered an interview for sixth form, so no need to do an application form but they can find out more about the courses and entry criteria at the open event.

This weekly bulletin is collated each week for YOU by the Hollyfield Careers team. It includes: **work experience, university tasters, summer schools, apprenticeships, careers talks and more.**

Unifrog is available to all our students using their Hollyfield email address.

We encourage students to use unifrog to help them to navigate careers

and options. There are a number of events they can access exclusively virtually via the Unifrog:

Unifrog's **UK University Fair** on **Wednesday 16 October at 4–6:30pm**. Don't worry if students can't make it for the whole event, they are **welcome to drop in** and out whenever they can! **See the live sessions** that will help students choose where to study and apply successfully. Your Year10–13 students are invited to **meet 40 universities in two hours** - including University of Bristol, University of Warwick, University of Leeds, and Cardiff University. They'll gain practical advice from the experts to help them get a step closer to their dream university.

- **For students who are unsure about what or where to study** - Live sessions and interactive booths can inspire them to consider a diverse range of universities from all over the UK.
- **For students who know where they want to go** - This fair is a great opportunity to get tips on choosing the right course and acing their personal statement ahead of the upcoming admissions cycle.
- **For students who have questions about student life** - Whether this is about scholarships, extracurricular activities, accommodation, or any other factors that influence students' decisions, 40 universities will be there to chat!

Face-to-face Routes into STEM 2024/25

Routes into STEM is an experience that provides an amazing opportunity to help students understand the different routes to further STEM education and career pathways.

Who is it for?

Students in Year 9 & 10 / equivalent who are interested in finding out more about STEM careers.

What is involved?

- A three-day experience at STEM educational providers and STEM companies local to them
- Students will explore STEM careers, participate in interactive workshops, site tours and hear from young professionals

What are the outcomes?

- Gain first-hand information and experience hands on activities at STEM educational providers and companies to make informed decisions about their future
- Go on campus tours and get thinking about future studies in a mature and informed manner
- Speak with apprentices/graduates about their experiences
- Develop valuable skills such as presentation skills, team-building, and social skills, and see how they can be applied to their CV, Application Form or Personal Statement
- Become a Bronze Industrial Cadet

What do our students say:

"I enjoyed being able to engage in big projects in a comfortable environment"

"The tours gave me a better idea of the environment I would be working in"

100% felt confident about the STEM career opportunities available to them after completing the course

100% of students would recommend the course to a friend or family member
