“There is a distinct sense of community in the school” Ofsted 2020

Head’s Line:

Dear Hollyfield Community

I hope you have all had a lovely week. Once again, it has been a busy week to finish off a busy half term. At the start of the week students and staff voted for the students they would like to be Head Students. I would like to offer my congratulations to our newly elected Head Students: Maisie and Fabian, they will be joined by Eileya and Joy as Deputy Head Students. Our outgoing team set the standards high and we look forward to working with them, listening to their ideas and supporting them in their new role. We are certain they will do an excellent job.

Also this week, we have revised how to tell the time on an analogue clock with all of our students in key stage three and some key stage four students. The lessons have been really impactful and students who were still struggling were offered additional sessions from our maths mentor this week. Students were then shown GCSE questions relating to time to stretch and challenge them. As I explained to parents last week, we have added analogue clocks to all of our classrooms and will continue to remind students to revisit and utilise this skill. Please can I encourage parents to test students on the skill over half term to reinforce the learning.

I am sure the whole community is looking forward to the half term break. I would like to remind parents that Year 11 students will return to school on Thursday 7 November. They need to be in school at 8.45am Other students will return to school on Monday 11 November. Upon our return, students can no longer wear the summer uniform. This means that students cannot wear shorts or polo shirts during the winter months; the summer uniform can be worn again after the Easter break.

It has been a relatively long half term and I am sure that the students will benefit from some time away from school. Whatever you have planned, I hope that you all manage to get some time to yourselves and with your families.

Please can I also remind parents about our **INSET day on Friday 6 December**, when the school will be closed to students. Please make sure you have added this date to your diary, we will of course remind you closer to the time.

Wishing you all a restful half term.

Amy Jackson
Headteacher

OTHER NOTICES

Reporting your child's absence

When reporting your child's absence from school on the dedicated absence line - 0208 339 4518 preferably before 8.30am on the morning of your child's absence from school. Please leave their name, spelling out any unusual names, year group and the reason for their absence and your details. Alternatively, you can email the school office@hollyfield.kingston.sch.uk.

Valuables in school

The school policy and guidance with regard to pupil possessions is clear that they are brought into school at their own risk. The Hollyfield School does not accept liability for any items that may be lost, damaged or stolen. While theft is taken extremely seriously and thoroughly investigated, the school is not in a position to cover the cost of any item stolen.

Of course, with respect to the last point, steps and measures are put in place to mitigate against such circumstances, especially during PE and Games lessons, where pupils' items are locked in the changing rooms. While this is standard procedure, there may be some extenuating circumstances where this cannot always be guaranteed. Therefore, I would urge your son/daughter not to bring expensive items into school.

Medical Health Care Plans

Can we please request that you complete the following medical information collection form if your child has any medical conditions, no matter how small. If your child has a new diagnosis we ask you to also complete this form even if you have already done so for a different medical condition to ensure we have the most up-to-date information.

Form: <https://forms.gle/pxTajACe1yUNSKdx9>.

Changed your address/email/phone number????

If you have changed your contact details, please email the school office on office@hollyfield.kingston.sch.uk stating your child's name and form and the change of details. It is important to keep these details up to date in case of an emergency. Don't forget to update your Parentmail account with your new details.

Water Bottles

Please ensure your child brings a water bottle with them to school every day, it is even more important during hot weather. Our water fountains can be used to refill bottles as necessary during break and lunch, it is not possible to drink from the fountains direct and we do not have bottles or cups to give out to students. Alternatively, bottles of water can be purchased (and refilled) in the cafeteria, please ensure your Parentmail account has enough funds to enable this.

Surbiton Hill Road Entrance for cars

If you drive/collect students to or from school the visitor's car park/Surbiton Hill Road entrance **should not be used to drop off students**. This causes congestion for people entering the site and staff access, cars travelling on Surbiton Hill Road and is potentially dangerous for pedestrians.

Dinner Money Top Up

Please ensure funds are available 24 hours before they are required when topping up your child's dinner money on Parentmail. If you add funds on the day they are to be used we will not be able to see the credit instantly until the system has processed it, therefore creating a delay in your child buying food at the canteen.

Contribution to the School Fund

If you would like to help contribute to the school fund to provide additional facilities to the school and students, please click [here](#) for more information. We acknowledge that not all of our parents can make a commitment on a monthly basis.

Having listened to those parents we also understand that some would like to make a contribution whenever they can. A donation payment link is available in your ParentMail account. We are grateful for any contribution you can make, regardless of the amount. Every penny will be spent improving students' experiences. Like the monthly contributions, your donation will go into the school fund. It will be used in accordance with the guidance given to schools regarding parental contributions.

Open Door

Ms Jackson holds Parent Clinics on Thursday afternoon during term time. These are from 3.00pm-4.30pm for parents/carers to speak directly to her regarding any unresolved concerns/ suggestions. FUNDRAISING AND AWARENESS

We were contacted recently by a parent of two of our former students, who has written a book about her experience of fighting cancer. She says: 'As you can imagine, this book is very close to my heart. It chronicles my experience through surgery, chemotherapy, and recovery, and I've included recipes, exercises, and mindfulness practices that helped me heal. I hope it can offer comfort and guidance to others facing similar challenges.'

Her book is available on Amazon and you can find out more by following this link: <https://amzn.eu/d/5eTwRil> '

We are very happy to promote this inspiring work. One of our Sixth Form students, Vibusha, has also come forward to ask for our support in raising funds and awareness. She is going to cut her hair and donate it to The Little Princess Trust: <https://www.littleprincesses.org.uk/> She would also like us to donate the money we raise in the next non-uniform day to a cancer charity and has been in touch with Cancer Research on our behalf. We are very proud of her and we're delighted to support her.

ACHIEVEMENT POINTS

Achievement and behaviour points are awarded every day at Hollyfield in line with our school policy and are a fundamental part of school life. We want students to be the best versions of themselves and we explicitly teach the behaviour we want our young people to develop through our GO BIG character virtues (Good Communication / Organisation / Bouncebackability / Initiative / Gratitude). Students are therefore rewarded for when they demonstrate these character virtues either in class, around our school environment and even outside of school. The school also gives out termly prizes for great progress, engagement in learning, attendance and also contribution to school life. We also continually try to celebrate the successes of our students outside of school life and encourage all students to be proud of their successes in whatever area they come from.

Behaviour points are given to students in line with our behaviour policy. At the heart of our behaviour policy is restorative approaches which is a strategy the school uses to allow students to discuss their behaviours with one another and also key staff and to move past incidents in a non-judgemental way.

Both of the school's rewards and behaviour policies can be found on the school website and if you have any questions about them please don't hesitate to contact Miss Patel (Assistant Headteacher).

TEACHING & LEARNING

Music

Musical Instrument Lessons at Hollyfield

With Kingston Music Service

About instrument lessons at Hollyfield...

At Hollyfield we recognise the importance of Music and know that students who learn musical instruments are shown to do better across their subjects (it has been proven that learning to play an instrument stimulates the brain, improving functions like memory and abstract reasoning skills). It is also a great way for students to make new friends at school by being able to participate in our Rock School, Swing Band and Orchestra. If students would like to have individual music lessons on an instrument during the school day we offer a range of different instruments with our fabulous team of peripatetic teaching staff. The instrument lessons are 25 minutes each and organised on a rotation timetable.

INSTRUMENTS and teachers...

All instruments can be applied for (even if not currently taught here). Currently we have the following brilliant team of tutors:

Onna Benson: Piano	Sharon Taylor: Piano
Tom Early: Drum kit/Percussion	Tino Rainone: Guitar
Andy Brown: Guitar	Tom Marshall: Guitar
Neil Thomas: Piano & Brass	Deborah Chalmers: Violin
Linley Weir: Voice	

We would love more woodwind and brass players and there are schemes that Kingston Music Service can offer to support these lessons. In some instances we can also offer funded lessons to support talented students where finance is a barrier.

Applying for instrument lessons...
