“There is a distinct sense of community in the school” Ofsted 2020

Head’s Line:

Dear Hollyfield Community

I hope you are well and enjoying the lovely weather.

Today marks the final day of the A level exams, with the GCSE exams finishing a couple of days ago. Many congratulations to all of our Year 11 and Year 13 students; we are very proud of you. Both cohorts of students have worked exceptionally hard both in the lead up to and during the exam period. It is the Year 13 prom this evening and Year 11 in two weeks’ time. We hope these events are the start of a wonderful summer for those students and we look forward to seeing them when they collect their results in August. Please note that **A level results day is Thursday 14 August** and **GCSE results day is Thursday 21 August**.

As one group of students leave Hollyfield, we have been turning our attention to the next generation. This week we have welcomed pupils in Year 5 from our main feeder primary schools to Hollyfield to experience workshops with our teachers. The sessions have been great fun and give the pupils a taster of what they will experience at high school. As always, hosting them has been an absolute pleasure.

The weather next week looks to continue to be very warm, with that in mind, students will not be expected to wear or bring their blazers to school unless they wish to do so. Please can I also remind parents that pupils are welcome to wear polo shirts as well as tailored school shorts if they wish to do so. We fitted air conditioning into Sharman (the largest block on the school site) last year so we will look to re-room lessons where there are spaces in Sharman so that students have the most comfortable working environment possible.

And finally, parents will be aware that we received our Ofsted report this week. We are delighted with it and believe it confirms what we already knew; Hollyfield is an excellent school. All parents should have received a copy of the report, which I urge you to read in full. I enclose a [link](#) to the report for your reference and it will be uploaded to the website in the next few days.

Wishing you all a wonderful weekend.

Amy Jackson

Photo Permission Preferences

Before students start at The Hollyfield School, we ask parents to provide their photo permission preference. You can submit a new preference and/or update it whenever you wish, using this QR code. Data is collected securely.

Free School Meals

Is your child eligible for Free School Meals?

A small percentage of eligible students do not claim them. We email parents frequently to let them know. During the term, eligible students can claim a nutritious hot meal, drink or delicious dessert every day. If they are entitled, make sure your child is claiming theirs. If you need further assistance, please contact us.

SEN at Hollyfield

How is your child supported? Please follow this [link](#) to find out, plus discover many useful resources.

Reporting your child's absence

When reporting your child's absence from school on the dedicated absence line - 0208 339 4518 preferably before 8.30am on the morning of your child's absence from school. Please leave their name, spelling out any unusual names, year group and the reason for their absence and your details. Alternatively, you can email the school attendance@hollyfield.kingston.sch.uk.

Valuables in school

The school policy and guidance with regard to pupil possessions is clear that they are brought into school at their own risk. The Hollyfield School does not accept liability for any items that may be lost, damaged or stolen. While theft is taken extremely seriously and thoroughly investigated, the school is not in a position to cover the cost of any item stolen.

Of course, with respect to the last point, steps and measures are put in place to mitigate against such circumstances, especially during PE and Games lessons, where pupils' items are locked in the changing rooms. While this is standard procedure, there may be some extenuating circumstances where this cannot always be guaranteed. Therefore, I would urge your son/daughter not to bring expensive items into school.

Medical Health Care Plans

Can we please request that you complete the following medical information collection form if your child has any medical conditions, no matter how small. If your child has a new diagnosis we ask you to also complete this form even if you have already done so for a different medical condition to ensure we have the most up-to-date information. Form: <https://forms.gle/pxTajACe1yUNSKdx9>.

Changed your address/email/phone number????

If you have changed your contact details, please email the school office on office@hollyfield.kingston.sch.uk stating your child's name and form and the change of details. It is important to keep these details up to date in case of an emergency. Don't forget to update your Parentmail account with your new details.

Water Bottles

Please ensure your child brings a water bottle with them to school every day, it is even more important during hot weather. Our water fountains can be used to refill bottles as necessary during break and lunch, it is not possible to drink from the fountains direct and we do not have bottles or cups to give out to students. Alternatively, bottles of water can be purchased (and refilled) in the cafeteria, please ensure your Parentmail account has enough funds to enable this.

Surbiton Hill Road Entrance for cars

If you drive/collect students to or from school the visitor's car park/Surbiton Hill Road entrance **should not be used to drop off students**. This causes congestion for people entering the site and staff access, cars travelling on Surbiton Hill Road and is potentially dangerous for pedestrians.

Dinner Money Top Up

Please ensure funds are available 24 hours before they are required when topping up your child's dinner money on Parentmail. If you add funds on the day they are to be used we will not be able to see the credit instantly until the system has processed it, therefore creating a delay in your child buying food at the canteen.

Contribution to the School Fund

Standing Order Contributions to School Fund

If you already donate to the school by standing order, please consider setting up a direct debit donation on our new platform Enthuse and cancelling your current standing order with your bank. This will maximise your donation as gift aid will be claimed automatically, and reduces administration time for the school. Links to the Enthuse donation platform for both Main School and 6th form can be found [here](#).

All contributions received are very much appreciated and directly benefit all students within the school. We value each and every pound donated to provide a better education experience for our students.

If you would like to help contribute to the school fund to provide additional facilities to the school and students, please click [here](#) for more information. We acknowledge that not all of our parents can make a commitment on a monthly basis. Having listened to those parents we also understand that some would like to make a contribution whenever they can. A donation payment link is available in your ParentMail account. We are grateful for any contribution you can make, regardless of the amount. Every penny will be spent improving students' experiences. Like the monthly contributions, your donation will go into the school fund. It will be used in accordance with the guidance given to schools regarding parental contributions.

Open Door

Ms Jackson holds Parent Clinics on Thursday afternoon during term time. These are from 3.00pm-4.30pm for parents/carers to speak directly to her regarding any unresolved concerns/ suggestions. Please contact Louise Sutton to arrange an appointment on 0208 339 4500 or email lsutton@hollyfield.kingston.sch.uk.

ACHIEVEMENT POINTS

Achievement and behaviour points are awarded every day at Hollyfield in line with our school policy and are a fundamental part of school life. We want students to be the best versions of themselves and we explicitly teach the behaviour we want our young people to develop through our GO BIG character virtues (Good Communication / Organisation / Bouncebackability/Initiative/Gratitude). Students are therefore rewarded for when they demonstrate these character virtues either in class, around our school environment and even outside of school. The school also gives out termly prizes for great progress, engagement in learning, attendance and also contribution to school life. We also continually try to celebrate the successes of our students outside of school life and encourage all students to be proud of their successes in whatever area they come from.

Behaviour points are given to students in line with our behaviour policy. At the heart of our behaviour policy is restorative approaches which is a strategy the school uses to allow students to discuss their behaviours with one another and also key staff and to move past incidents in a non-judgemental way.

Both of the school's rewards and behaviour policies can be found on the school website and if you have any questions about them please don't hesitate to contact Miss Patel (Assistant Headteacher).

The year group weekly totals are below:

Year 7 777 Year 8 780 Year 9 543 Year 10 245 Year 11 7

The top performing forms per year group in terms of overall achievements were:

7SNE 234 8CNE/SCM/PTA 167 9NLU 129 10HBL 56 11DMI 7

The top performing students from each year were:

Year 7 Abbie L

Year 9 Tiyara A

Year 8 Ahyan A

Year 10 Eva C

TEACHING & LEARNING

Fulham Visit

Students on the Fulham program visited the Kings Trust Centre where they participated in workshops held by the Met Police. They all engaged and listened fantastically to all the officers and volunteers at the event! Workshops were on careers within the police, drill music and its effects, stop and search- knowing your rights and county lines. Students said they enjoyed it and learnt a lot from it.

Year 10 Food & Nutrition

The Year 10 Food and Nutrition GCSE classes demonstrated their technical skills during a highly rewarding NEA2 practical skills trial exam. The students used their time plans to prepare, cook and present burgers in a hand-made brioche bun with caramelised onions, served with a cucumber garnish and melted cheese. The students can be proud that they used their high-level skills to produce gourmet burgers and it has given them great boost of confidence to produce more complex dishes in the future.

Music

Musical Instrument Lessons at Hollyfield With Kingston Music Service

About instrument lessons at Hollyfield...

At Hollyfield we recognise the importance of Music and know that students who learn musical instruments are shown to do better across their subjects (it has been proven that learning to play an instrument stimulates the brain, improving functions like memory and abstract reasoning skills). It is also a great way for students to make new friends at school by being able to participate in our Rock School, Swing Band and Orchestra. If students would like to have individual music lessons on an instrument during the school day we offer a range of different instruments with our fabulous team of peripatetic teaching staff. The instrument lessons are 25 minutes each and organised on a rotation timetable.

INSTRUMENTS and teachers...

All instruments can be applied for (even if not currently taught here). Currently we have the following brilliant team of tutors:

Onna Benson: Piano

Tom Early: Drum kit/Percussion

Andy Brown: Guitar

Oliver Daws: Piano

Sharon Taylor: Piano

Tino Rainone: Guitar

Tom Marshall: Guitar

David Muncey: Brass & Piano

Linley Weir: Voice

Deborah Chalmers: Violin

We would love more woodwind and brass players and there are schemes that Kingston Music Service can offer to support these lessons. In some instances we can also offer funded lessons to support talented students where finance is a barrier.
