“There is a distinct sense of community in the school” Ofsted 2020

**Head’s Line:**

Dear Hollyfield Community

We have saved our ebulletin for today so I could write a few words about Hollyfest. What a wonderful day we all had on Saturday. It was a truly spectacular event. The performers were all exceptional and the other activities that were put on were also fantastic. I would like to extend a public thanks to the PTA and for all they did to put on this event. We know and understand the amount of work required to pull it all together and we’re incredibly grateful. Likewise, I would like to extend my thanks to all of the parents who helped in any way. Juggling parenting responsibilities at the weekend is hard enough without the additional volunteering, likewise, we are incredibly grateful. I would also like to extend a public thanks to Ms Neville and her colleagues in the music department. What a job they did in putting the programme together, working with the students, playing on stage themselves and bringing back Hollyfield Alumni as part of the event. And finally, I'd like to thank all the members of the community that came along on Saturday.

Hollyfest is special for a number of reasons. All of our student performers have an amazing experience and gain so much from performing, the event raises a lot of money for the school, it also brings the whole community together in such a fun, positive and enjoyable way. I hope you all enjoyed it as much as I did.

Of course, alongside Hollyfest we also had many other activities in school last week. We had our Year 11 prom on Friday night, which was a brilliant event for the students who have just finished their GCSE exams. Many thanks to Ms Paterson and the key stage four team for all of their work to bring the event together. On Wednesday we had our Year 6 transition day where we welcomed the students who will join us in September in Year 7, we also met with their parents on Wednesday evening. We had our pride in learning event on Friday where students in Year 7 and Year 8 shared their piece of work they are most proud of from the year and spoke to senior staff about their achievements. Our DT and art and photography exhibition ran from Wednesday to Saturday where we showcased the phenomenal work of students in Year 11 and Year 13. All of these events were brilliant, well supported and bought the year groups and the community together.

The weather looks to continue to be very hot, with that in mind, students will not be expected to wear or bring their blazers to school for the rest of the term unless they wish to do so. Please can I also remind parents that pupils are welcome to wear polo shirts as well as tailored school shorts if they wish to do so.

**Upcoming Events**

Sports day will take place on 8 July at Kingsmeadow Athletics & Fitness Centre, Kingston Road, KT1 3PB. Mr Miller sent details home and they can be viewed [here](#). For one year only Year 9 will be running a tuck shop – further details are on page 4.

Activity day trips taking place on Thursday 10 and Friday 11 July. On 'activity days', all students go on the same trips/take part in activities. Details of which activity your child is involved in have been sent via Parentmail.

The Sports Awards Event will take place on 16 July, Mr Miller has written to students who have been nominated.

The last day of term is Friday 18 July. Students are expected to attend school with periods 1-3 taking place as normal. Students will return to form rooms at the start of period 4 (11.40am) to tidy and register and then there will be a phased dismissal by a senior member of staff from 12.00pm. As always, the last day of school will be a non-uniform day with the proceeds going to charity, we will share further details nearer the time, but we wanted to put this on your radar.

Wishing you all a wonderful week.

## OTHER NOTICES

**Photo Permission Preferences**

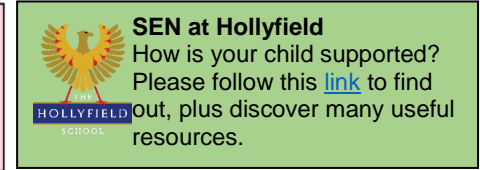

Before students start at The Hollyfield School, we ask parents to provide their photo permission preference. You can submit a new preference and/or update it whenever you wish, using this QR code. Data is collected securely.

**Free School Meals**

**Is your child eligible for Free School Meals?**

A small percentage of eligible students do not claim them. We email parents frequently to let them know. During the term, eligible students can claim a nutritious hot meal, drink or delicious dessert every day. If they are entitled, make sure your child is claiming theirs. If you need further assistance, please contact us.

**SEN at Hollyfield**

How is your child supported? Please follow this [link](#) to find out, plus discover many useful resources.

### Reporting your child's absence

When reporting your child's absence from school on the dedicated absence line - 0208 339 4518 preferably before 8.30am on the morning of your child's absence from school. Please leave their name, spelling out any unusual names, year group and the reason for their absence and your details. Alternatively, you can email the school [attendance@hollyfield.kingston.sch.uk](mailto:attendance@hollyfield.kingston.sch.uk).

### Valuables in school

The school policy and guidance with regard to pupil possessions is clear that they are brought into school at their own risk. The Hollyfield School does not accept liability for any items that may be lost, damaged or stolen. While theft is taken extremely seriously and thoroughly investigated, the school is not in a position to cover the cost of any item stolen.

Of course, with respect to the last point, steps and measures are put in place to mitigate against such circumstances, especially during PE and Games lessons, where pupils' items are locked in the changing rooms. While this is standard procedure, there may be some extenuating circumstances where this cannot always be guaranteed. Therefore, I would urge your son/daughter not to bring expensive items into school.

### Medical Health Care Plans

Can we please request that you complete the following medical information collection form if your child has any medical conditions, no matter how small. If your child has a new diagnosis we ask you to also complete this form even if you have already done so for a different medical condition to ensure we have the most up-to-date information. Form: <https://forms.gle/pxTajACe1yUNSKdx9>.

### Changed your address/email/phone number????

If you have changed your contact details, please email the school office on [office@hollyfield.kingston.sch.uk](mailto:office@hollyfield.kingston.sch.uk) stating your child's name and form and the change of details. It is important to keep these details up to date in case of an emergency. Don't forget to update your Parentmail account with your new details.

### Water Bottles

Please ensure your child brings a water bottle with them to school every day, it is even more important during hot weather. Our water fountains can be used to refill bottles as necessary during break and lunch, it is not possible to drink from the fountains direct and we do not have bottles or cups to give out to students. Alternatively, bottles of water can be purchased (and refilled) in the cafeteria, please ensure your Parentmail account has enough funds to enable this.

### Surbiton Hill Road Entrance for cars

If you drive/collect students to or from school the visitor's car park/Surbiton Hill Road entrance **should not be used to drop off students**. This causes congestion for people entering the site and staff access, cars travelling on Surbiton Hill Road and is potentially dangerous for pedestrians.

### Dinner Money Top Up

Please ensure funds are available 24 hours before they are required when topping up your child's dinner money on Parentmail. If you add funds on the day they are to be used we will not be able to see the credit instantly until the system has processed it, therefore creating a delay in your child buying food at the canteen.

### Contribution to the School Fund

#### **Standing Order Contributions to School Fund**

If you already donate to the school by standing order, please consider setting up a direct debit donation on our new platform Enthuse and cancelling your current standing order with your bank. This will maximise your donation as gift aid will be claimed automatically, and reduces administration time for the school. Links to the Enthuse donation platform for both Main School and 6<sup>th</sup> form can be found [here](#).

All contributions received are very much appreciated and directly benefit all students within the school. We value each and every pound donated to provide a better education experience for our students.

If you would like to help contribute to the school fund to provide additional facilities to the school and students, please click [here](#) for more information. We acknowledge that not all of our parents can make a commitment on a monthly basis. Having listened to those parents we also understand that some would like to make a contribution whenever they can. A donation payment link is available in your ParentMail account. We are grateful for any contribution you can make, regardless of the amount. Every penny will be spent improving students' experiences. Like the monthly contributions, your donation will go into the school fund. It will be used in accordance with the guidance given to schools regarding parental contributions.

### Open Door

Ms Jackson holds Parent Clinics on Thursday afternoon during term time. These are from 3.00pm-4.30pm for parents/carers to speak directly to her regarding any unresolved concerns/ suggestions. Please contact Louise Sutton to arrange an appointment on 0208 339 4500 or email [lsutton@hollyfield.kingston.sch.uk](mailto:lsutton@hollyfield.kingston.sch.uk).

## ACHIEVEMENT POINTS

Achievement and behaviour points are awarded every day at Hollyfield in line with our school policy and are a fundamental part of school life. We want students to be the best versions of themselves and we explicitly teach the behaviour we want our young people to develop through our GO BIG character virtues (Good Communication / Organisation / Bouncebackability/Initiative/Gratitude). Students are therefore rewarded for when they demonstrate these character virtues either in class, around our school environment and even outside of school. The school also gives out termly prizes for great progress, engagement in learning, attendance and also contribution to school life. We also continually try to celebrate the successes of our students outside of school life and encourage all students to be proud of their successes in whatever area they come from.

Behaviour points are given to students in line with our behaviour policy. At the heart of our behaviour policy is restorative approaches which is a strategy the school uses to allow students to discuss their behaviours with one another and also key staff and to move past incidents in a non-judgemental way.

Both of the school's rewards and behaviour policies can be found on the school website and if you have any questions about them please don't hesitate to contact Miss Patel (Assistant Headteacher).

The year group weekly totals are below:

Year 7 573 Year 8 580 Year 9 275 Year 10 158

The top performing forms per year group in terms of overall achievements were:

7PGI 122 8CSP 115 9KWH 65 10WGO 40

The top performing students from each year were:

Year 7 Skyia D Year 9 Harley BB  
 Year 8 Jimmy M Year 10 Amelie-Sue H

## TEACHING & LEARNING

### Music

Musical Instrument Lessons at Hollyfield  
 With Kingston Music Service

#### About instrument lessons at Hollyfield...

At Hollyfield we recognise the importance of Music and know that students who learn musical instruments are shown to do better across their subjects (it has been proven that learning to play an instrument stimulates the brain, improving functions like memory and abstract reasoning skills). It is also a great way for students to make new friends at school by being able to participate in our Rock School, Swing Band and Orchestra. If students would like to have individual music lessons on an instrument during the school day we offer a range of different instruments with our fabulous team of peripatetic teaching staff. The instrument lessons are 25 minutes each and organised on a rotation timetable.

#### INSTRUMENTS and teachers...

**All instruments can be applied for** (even if not currently taught here). Currently we have the following brilliant team of tutors:

**Onna Benson:** Piano  
**Tom Early:** Drum kit/Percussion  
**Andy Brown:** Guitar  
**Oliver Daws:** Piano

**Sharon Taylor:** Piano  
**Tino Rainone:** Guitar  
**Tom Marshall:** Guitar

**David Muncey:** Brass & Piano  
**Linley Weir:** Voice  
**Deborah Chalmers:** Violin

**We would love more woodwind and brass players** and there are schemes that Kingston Music Service can offer to support these lessons. In some instances we can also offer funded lessons to support talented students where finance is a barrier.

## CAREERS

### CAREERS

#### Careers Briefing 4 July 2025 Mr Poole & Miss Corrighan (Careers team)

Year 8 Apprenticeship Assembly 2 July  
 As a part of a nationwide campaign, Ask came into school last Wednesday and delivered a talk to Year 8 about apprenticeships. There is an expectation that good careers education provides knowledge of technical and vocational pathways such as apprenticeships as well as other choices.

Year 8 showed an impressive knowledge of apprenticeship and such presentations will be a recurring theme next year as the school seeks to ensure all students are informed of all future qualification and training opportunities.

#### Year 10 careers activities

On Friday 11 July as part of Activities Day, students will be either going on a workplace visit or a trip to Sussex University. On 27 March there were a number of workplace visits and those students who participated in these visits will be going on the university trip whilst the remainder of the year group will be taking part in the workplace visit which include;

- A visit to Twickenham Rugby Stadium
- Working at Kingston Council with their Transition team
- Visiting DigiCo the Music technology company in Chessington
- South Western Railways Visit to Waterloo and SWR HQ in London

An experience of the workplace and visiting a university are two key foundations of the Gatsby Benchmarks which is the blueprint for an outstanding career programme:

#### College and sixth form information for Year 11 and 10 students and parents/carers

**If Year 11 students** have not decided where they want to study next year, it's not too late to apply or seek support, please contact the careers team [ipoole@hollyfield.kingston.sch.uk](mailto:ipoole@hollyfield.kingston.sch.uk). Remember **Thursday 21 August is GCSE results day** and you would then go to enrol at

your chosen college or sixth form after you receive your results - make sure you are clear wherever you want to attend you know what date you have to enrol, for example the Hollyfield enrolment is on Thursday 21 August.

**For Year 10 students** and parents you can start to explore the local options as we encourage students to make 2-3 applications to post 16 providers. **The Hollyfield Sixth Form open event will be held in November 2025** and more information on the courses on offer can be found: [Sixth form courses](#) where they have a range of A Levels and BTEC Level 3 courses to choose from as well have a supportive environment for students to learn and progress into a range of destinations. Year 10 had an assembly about sixth form options this week from Mr Warren and you can find out more about the sixth form: [The Hollyfield School - Sixth Form](#)

If students are interested in applying to any other sixth forms and Colleges then the open evenings and applications will take place in the Autumn term. As Careers Advisers, Mr Poole and Miss Corrighan always encourage students to **apply to two or more sixth forms or colleges**. In choosing A Levels, BTECs or T Levels students need to choose subjects which:

1. You are good at it and are interested in it as these courses are two years and it is a big commitment.
2. Subjects which may link to future careers plans or alternatively ensure you have a broad choice.
3. Subjects which compliment each other and go well together.

These are useful starting points for parents and students to explore:

### Careers opportunities

Support your child in trying out different experiences like weekend or summer jobs, internships, volunteering, or job shadowing. These opportunities provide hands-on insights into what they enjoy—or don't—and help them develop valuable transferable skills for the world of work. We want to ensure we are promoting a range of opportunities for our students to explore their career ideas. This

bulletin is produced exclusively for YOU!

This includes;

- **Work experience & taster sessions - Law, Healthcare and more**
- **Careers events & talks - find out about a range of careers and subject areas by exploring the events**
- **University events e.g. taster sessions and open days**
- **All the latest apprenticeships**

**Sixth formers should be accessing this on a weekly basis and is posted on their google classrooms.** Please see this week's opportunities bulletin so you can check out all the latest news: [4 July 2025 Sixth Form Careers opportunities](#)

## Met Engage

Get the latest updates from the Met straight to your inbox.

**Met Engage** is a free messaging service that keeps you connected to what's happening in your area. Whether its crime updates, safety advice, or news from your local policing team, you'll get the information that matters to you — when it matters most.

**Met Engage** is launching first in SW London, including Kingston.

### Why sign up?

When you join **Met Engage**, you'll receive:

- alerts about local crime, incidents and appeals
- advice to help keep you, your family and your community safe
- news from your local police officers
- warnings about scams and frauds
- invitations to community meetings and events
- chances to share your concerns and help shape local policing

### How to sign up

Signing up takes just a few minutes and you can update your preferences at any time. Your information is secure, and we'll only use it to send you relevant updates. By signing via the QR above, you'll join thousands of others who are already receiving trusted updates from their local police.
