“There is a distinct sense of community in the school” Ofsted 2020

**Head’s Line:**

Dear Hollyfield Community

I hope you are enjoying the wonderful weather. We have had a fantastic penultimate week of term with lots of learning outside the classroom. We had our sports day on Tuesday, which was, as usual, absolutely fantastic. Many students took part in the events and this year we had a tuck shop to raise money for Harry’s memorial. It was a brilliant day and many congratulations to Osprey House for winning sports day and the overall house championship.

As I write this, we are just about to begin our second activity of the week. The students have enjoyed many varied opportunities which include camping trips, visits to Kew Gardens, Box Hill, Careers visits and the coast to name a few. As always, the students have represented the school very well and we hope they’ve enjoyed themselves. Next week, we will return to the classroom to normal lessons as we prepare the students for the transition to the next year. This will be the final ebulletin of the year, so I would like to extend my thanks to all the parents, students and staff for reading the bulletin. Next week you will receive my end of year letter in place of the bulletin.

The weather looks to continue to be very hot, with that in mind, students will not be expected to wear or bring their blazers to school for the rest of the term unless they wish to do so. Please can I also remind parents that pupils are welcome to wear polo shirts as well as tailored school shorts if they wish to do so.

**Upcoming Events**

The Sports Awards Event will take place on 16 July, Mr Miller has written to students who have been nominated.

The last day of term is Friday 18 July. Students are expected to attend school with periods 1-3 taking place as normal. Students will return to form rooms at the start of period 4 (11.40am) to tidy and register and then there will be a phased dismissal by a senior member of staff from 12.00pm. As always, the last day of school will be a non-uniform day with the proceeds going to charity, we will share further details nearer the time, but we wanted to put this on your radar.

Wishing you all a wonderful weekend.

## **OTHER NOTICES**

**Photo Permission Preferences**

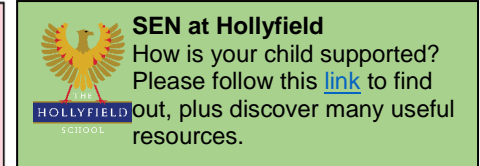

Before students start at The Hollyfield School, we ask parents to provide their photo permission preference. You can submit a new preference and/or update it whenever you wish, using this QR code. Data is collected securely.

**Free School Meals**

**Is your child eligible for Free School Meals?**

A small percentage of eligible students do not claim them. We email parents frequently to let them know. During the term, eligible students can claim a nutritious hot meal, drink or delicious dessert every day. If they are entitled, make sure your child is claiming theirs. If you need further assistance, please contact us.

**SEN at Hollyfield**

How is your child supported? Please follow this [link](#) to find out, plus discover many useful resources.

### **Reporting your child's absence**

When reporting your child's absence from school on the dedicated absence line - 0208 339 4518 preferably before 8.30am on the morning of your child's absence from school. Please leave their name, spelling out any unusual names, year group and the reason for their absence and your details. Alternatively, you can email the school [attendance@hollyfield.kingston.sch.uk](mailto:attendance@hollyfield.kingston.sch.uk).

### **Valuables in school**

The school policy and guidance with regard to pupil possessions is clear that they are brought into school at their own risk. The Hollyfield School does not accept liability for any items that may be lost, damaged or stolen. While theft is taken extremely seriously and thoroughly investigated, the school is not in a position to cover the cost of any item stolen.

Of course, with respect to the last point, steps and measures are put in place to mitigate against such circumstances, especially during PE and Games lessons, where pupils' items are locked in the changing rooms. While this is standard procedure, there may be some extenuating circumstances where this cannot always be guaranteed. Therefore, I would urge your son/daughter not to bring expensive items into school.

### **Medical Health Care Plans**

Can we please request that you complete the following medical information collection form if your child has any medical conditions, no matter how small. If your child has a new diagnosis we ask you to also complete this form even if you have already done so for a different medical condition to ensure we have the most up-to-date information. Form: <https://forms.gle/pxTajACe1yUNSKdx9>.

### **Changed your address/email/phone number????**

If you have changed your contact details, please email the school office on [office@hollyfield.kingston.sch.uk](mailto:office@hollyfield.kingston.sch.uk) stating your child's name and form and the change of details. It is important to keep these details up to date in case of an emergency. Don't forget to update your Parentmail account with your new details.

### **Water Bottles**

Please ensure your child brings a water bottle with them to school every day, it is even more important during hot weather. Our water fountains can be used to refill bottles as necessary during break and lunch, it is not possible to drink from the fountains direct and we do not have bottles or cups to give out to students. Alternatively, bottles of water can be purchased (and refilled) in the cafeteria, please ensure your Parentmail account has enough funds to enable this.

### **Surbiton Hill Road Entrance for cars**

If you drive/collect students to or from school the visitor's car park/Surbiton Hill Road entrance **should not be used to drop off students**. This causes congestion for people entering the site and staff access, cars travelling on Surbiton Hill Road and is potentially dangerous for pedestrians.

### **Dinner Money Top Up**

Please ensure funds are available 24 hours before they are required when topping up your child's dinner money on Parentmail. If you add funds on the day they are to be used we will not be able to see the credit instantly until the system has processed it, therefore creating a delay in your child buying food at the canteen.

### **Contribution to the School Fund**

#### **Standing Order Contributions to School Fund**

If you already donate to the school by standing order, please consider setting up a direct debit donation on our new platform Enthuse and cancelling your current standing order with your bank. This will maximise your donation as gift aid will be claimed automatically, and reduces administration time for the school. Links to the Enthuse donation platform for both Main School and 6<sup>th</sup> form can be found [here](#).

All contributions received are very much appreciated and directly benefit all students within the school. We value each and every pound donated to provide a better education experience for our students.

If you would like to help contribute to the school fund to provide additional facilities to the school and students, please click [here](#) for more information. We acknowledge that not all of our parents can make a commitment on a monthly basis. Having listened to those parents we also understand that some would like to make a contribution whenever they can. A donation payment link is available in your ParentMail account. We are grateful for any contribution you can make, regardless of the amount. Every penny will be spent improving students' experiences. Like the monthly contributions, your donation will go into the school fund. It will be used in accordance with the guidance given to schools regarding parental contributions.

### **Open Door**

Ms Jackson holds Parent Clinics on Thursday afternoon during term time. These are from 3.00pm-4.30pm for parents/carers to speak directly to her regarding any unresolved concerns/ suggestions. ## ACHIEVEMENT POINTS

Achievement and behaviour points are awarded every day at Hollyfield in line with our school policy and are a fundamental part of school life. We want students to be the best versions of themselves and we explicitly teach the behaviour we want our young people to develop through our GO BIG character virtues (Good Communication / Organisation / Bouncebackability/Initiative/Gratitude). Students are therefore rewarded for when they demonstrate these character virtues either in class, around our school environment and even outside of school. The school also gives out termly prizes for great progress, engagement in learning, attendance and also contribution to school life. We also continually try to celebrate the successes of our students outside of school life and encourage all students to be proud of their successes in whatever area they come from.

Behaviour points are given to students in line with our behaviour policy. At the heart of our behaviour policy is restorative approaches which is a strategy the school uses to allow students to discuss their behaviours with one another and also key staff and to move past incidents in a non-judgemental way.

Both of the school's rewards and behaviour policies can be found on the school website and if you have any questions about them please don't hesitate to contact Miss Patel (Assistant Headteacher).

The year group weekly totals are below:

**Year 7** 336 **Year 8** 250 **Year 9** 144 **Year 10** 68

The top performing forms per year group in terms of overall achievements were:

The top performing students from each year were:

**Year 7** Sian T **Year 9** Ruby H

## TEACHING & LEARNING

### Music

Musical Instrument Lessons at Hollyfield  
With Kingston Music Service

### About instrument lessons at Hollyfield...

At Hollyfield we recognise the importance of Music and know that students who learn musical instruments are shown to do better across their subjects (it has been proven that learning to play an instrument stimulates the brain, improving functions like memory and abstract reasoning skills). It is also a great way for students to make new friends at school by being able to participate in our Rock School, Swing Band and Orchestra. If students would like to have individual music lessons on an instrument during the school day we offer a range of different instruments with our fabulous team of peripatetic teaching staff. The instrument lessons are 25 minutes each and organised on a rotation timetable.

### INSTRUMENTS and teachers...

**All instruments can be applied for** (even if not currently taught here). Currently we have the following brilliant team of tutors:

**Onna Benson:** Piano

**Tom Early:** Drum kit/Percussion

**Andy Brown:** Guitar

**Oliver Daws:** Piano

**Sharon Taylor:** Piano

**Tino Rainone:** Guitar

**Tom Marshall:** Guitar

**David Muncey:** Brass & Piano

**Linley Weir:** Voice

**Deborah Chalmers:** Violin

**We would love more woodwind and brass players** and there are schemes that Kingston Music Service can offer to support these lessons. In some instances we can also offer funded lessons to support talented students where finance is a barrier.

## CAREERS

### CAREERS

#### Careers Briefing 11 July 2025

#### Mr Poole & Miss Corrighan (Careers team)

The Kingston and Richmond Health Care team organised a new pioneering careers event for Year 8 students last Monday 7 July. The students spent the afternoon visiting Kingston Hospital and experiencing a simulated “patient journey” where an actress went through all the procedure she would experience if diagnosed with a suspected stroke. Students saw her being diagnosed by a GP and then taken to hospital by the paramedics where she was then examined and treated by a team of doctors and nurses. Year 8s also took part in an interactive careers fair made up from twenty different teams from across the Health Care Trust. This was a chance for Year 8 students interested in Science to see the many different applications in the Healthcare and Medical Sector. The event was a great opportunity not just for a workplace visit, but also to meet a wide variety of employees from the Health Care sector. Hopefully these and other students will have the chance to participate in further workplace activities next year.

Well done Year 8 for taking part in a very successful event and a big thank you to Mr Poole, Mr Corrighan, Ms Emin and Ms Blackler who accompanied the group!

#### College and sixth form information for year 11 and 10 students and parents/carers

Remember **Thursday 21st August is GCSE results day** and you would then go to enrol at your chosen college or sixth form after you receive your results - make sure you are clear wherever you want to attend you know what date you have to enrol, for example the Hollyfield enrolment is on Thursday 21st August.
