“Pupils’ behaviour is exemplary, and they demonstrate exceptional attitudes to learning” Ofsted 2025

Head’s Line:

Dear Hollyfield Community

Our Head & Deputy Head Students, Joy, Eileya, Fabian and Maisie are coming to the end of their tenure. This team of students have been absolutely fantastic. They have led the student body with energy, enthusiasm and integrity and worked with school leaders to reshape the core purpose of the role. I would like to thank them publicly for their work. They have set the standard at a very high level and I look forward to the Hustings for the role next year. These take place very soon with all the students having an opportunity to vote for their preferred candidate.

This week we have hosted open morning and afternoon tours. Due to popular demand we have added a further 3 tours, we hope we have accommodated as many parents and students as possible. It has been a real privilege to speak to and meet so many prospective parents and students. They always speak very highly of our student guides, so well done to them and congratulations on doing such a great job.

We also hosted our annual careers fair on Wednesday evening which was attended by a record number of students and employers. This gave the students a wonderful opportunity to hear all about different careers pathways open to them. Many thanks to all the students who came along and to the parents who support the event.

Please can I also remind parents of students in Year 10 and Year 11 that it is the sixth form open evening on **Thursday 13 November**. This is a wonderful event in the calendar where students can learn all about our sixth form, the subjects on offer and all of the additional opportunities available. We encourage all students in these year groups to attend, and to bring their parents along. **The school will close earlier on that day at 12.45** to allow the site to be set for the evening. Unlike our whole school opening, there will not be a late start the following day. School will begin at 0830 as normal on Friday 14 November.

Please can I also remind parents about our **INSET day on Friday 5 December**, when the school will be closed to students. Please make sure you have added this date to your diary, we will of course remind you closer to the time.

And finally, we have a small number of vacancies on our governing body, we enclose a message from our governors to any parents who may consider taking on a governance role at Hollyfield. Please do take the time to read through this.

Wishing you all a wonderful weekend.

Amy Jackson
Headteacher

OTHER NOTICES

Photo Permission Preferences

Before students start at The Hollyfield School, we ask parents to provide their photo permission preference. You can submit a new preference and/or update it whenever you wish, using this QR code. Data is collected securely.

Free School Meals

Is your child eligible for Free School Meals?

A small percentage of eligible students do not claim them. We email parents frequently to let them know. During the term, eligible students can claim a nutritious hot meal, drink or delicious dessert every day. If they are entitled, make sure your child is claiming theirs. If you need further assistance, please contact us.

SEN at Hollyfield

How is your child supported? Please follow this [link](#) to find out, plus discover many useful resources.

Reporting your child's absence

When reporting your child's absence from school on the dedicated absence line - 0208 339 4518 preferably before 8.30am on the morning of your child's absence from school. Please leave their name, spelling out any unusual names, year group and the reason for their absence and your details. Alternatively, you can email the school attendance@hollyfield.kingston.sch.uk.

Valuables in school

The school policy and guidance with regard to pupil possessions is clear that they are brought into school at their own risk. The Hollyfield School does not accept liability for any items that may be lost, damaged or stolen. While theft is taken extremely seriously and thoroughly investigated, the school is not in a position to cover the cost of any item stolen.

Of course, with respect to the last point, steps and measures are put in place to mitigate against such circumstances, especially during PE and Games lessons, where pupils' items are locked in the changing rooms. While this is standard procedure, there may be some extenuating circumstances where this cannot always be guaranteed. Therefore, I would urge your son/daughter not to bring expensive items into school.

Medical Condition(s) and Individual Healthcare Plans

Can we please request that you complete the following medical information collection form if your child has any medical conditions, no matter how small. If your child has a new diagnosis we ask you to also complete this form even if you have already done so for a different medical condition to ensure we have the most up-to-date information. Form: <https://forms.gle/pxTajACe1yUNSKdx9>. Once complete, this will form part of your child's Individual Healthcare Plan which will be sent to you for approval, the communication will come from noreply@medicaltracker.co.uk. Please allow emails from this address.

Changed your address/email/phone number????

If you have changed your contact details, please email the school office on office@hollyfield.kingston.sch.uk stating your child's name and form and the change of details. It is important to keep these details up to date in case of an emergency. Don't forget to update your Parentmail account with your new details.

Water Bottles

Please ensure your child brings a water bottle with them to school every day, it is even more important during hot weather. Our water fountains can be used to refill bottles as necessary during break and lunch, it is not possible to drink from the fountains direct and we do not have bottles or cups to give out to students. Alternatively, bottles of water can be purchased (and refilled) in the cafeteria, please ensure your Parentmail account has enough funds to enable this.

Surbiton Hill Road Entrance for cars

If you drive/collect students to or from school the visitor's car park/Surbiton Hill Road entrance **should not be used to drop off students**. This causes congestion for people entering the site and staff access, cars travelling on Surbiton Hill Road and is potentially dangerous for pedestrians.

Dinner Money Top Up

Please ensure funds are available 24 hours before they are required when topping up your child's dinner money on Parentmail. If you add funds on the day they are to be used we will not be able to see the credit instantly until the system has processed it, therefore creating a delay in your child buying food at the canteen.

Contribution to the School Fund

Standing Order Contributions to School Fund

If you already donate to the school by standing order, please consider setting up a direct debit donation on our new platform Enthuse and cancelling your current standing order with your bank. This will maximise your donation as gift aid will be claimed automatically, and reduces administration time for the school. Links to the Enthuse donation platform for both Main School and 6th form can be found [here](#).

All contributions received are very much appreciated and directly benefit all students within the school. We value each and every pound donated to provide a better education experience for our students.

If you would like to help contribute to the school fund to provide additional facilities to the school and students, please click [here](#) for more information. We acknowledge that not all of our parents can make a commitment on a monthly basis. Having listened to those parents we also understand that some would like to make a contribution whenever they can. A donation payment link is available in your ParentMail account. We are grateful for any contribution you can make, regardless of the amount. Every penny will be spent improving students' experiences. Like the monthly contributions, your donation will go into the school fund. It will be used in accordance with the guidance given to schools regarding parental contributions.

Come along to our next meeting, find out a bit more about us and what exciting plans we have for the year ahead!

 **Date:** Tue 21 October 2025

 **Time:** 7.00pm

 **Location:** Hollyfield School, TBC

Whether you're a regular volunteer or just curious about how the PTA works, **everyone is welcome**. It's a great opportunity to meet other parents & carers, hear about how the money we raise is used, and discover if you might like to get involved — even in a small way.

Save the Date!

Quiz Night for Year 7 students and their families

This Fantastic social event is an opportunity for new members of our school community to get to know each other a bit and to have some fun.

This event will be hosted on the evening of **Friday 14 November 2025**. More details to follow soon!

Thinking of getting more involved in school life but not sure where to start?

We're looking for curious, community-minded parents and carers to **step into a trustee role with the PTA** — no experience required! Our PTA is a registered charity, and we have a friendly group of trustees who help steer our activities and fundraising efforts. And we'd love to welcome more of you on board.

We are searching for a Treasurer (s)

What does it involve?

- Treasurer(s) would be responsible for managing the PTA's finances, ensuring we maintain clear records, manage our bank account and prepare updates / reports for the PTA meetings. To discover more about all the roles within the PTA, visit: <https://hollyfieldpta.org/committee-post-holder-roles/>

We encourage co-roles, meaning you don't do it alone — you can share the responsibility and support one another.

Why get involved?

-  **Learn how to be a trustee** – we have lots of experience to share and love helping people build confidence in these roles
-  **Try something new** – develop skills in leadership, finance, or organising
-  **Make a difference** – your time directly benefits the school and our children

Not sure what role is right for you?

That's fine! We're always happy to chat and help you find the right fit. Even if you're just curious, get in touch — we'd love to talk.

Interested? Email ptahollyfield@gmail.com — we'd love to hear from you. You can also find out about the PTA and what we are up to via - our website, Facebook, Instagram and Whatsapp. See the links at the foot of each page.

ACHIEVEMENT POINTS

Achievement and behaviour points are awarded every day at Hollyfield in line with our school policy and are a fundamental part of school life. We want students to be the best versions of themselves and we explicitly teach the behaviour we want our young people to develop through our GO BIG character virtues (Good Communication / Organisation / Bouncebackability/Initiative/Gratitude). Students are therefore rewarded for when they demonstrate these character virtues either in class, around our school environment and even outside of school. The school also gives out termly prizes for great progress, engagement in learning, attendance and also contribution to school life. We also continually try to celebrate the successes of our students outside of school life and encourage all students to be proud of their successes in whatever area they come from.

Behaviour points are given to students in line with our behaviour policy. At the heart of our behaviour policy is restorative approaches which is a strategy the school uses to allow students to discuss their behaviours with one another and also key staff and to move past incidents in a non-judgemental way.

Both of the school's rewards and behaviour policies can be found on the school website and if you have any questions about them please don't hesitate to contact Miss Patel (Assistant Headteacher).

The year group weekly totals are below:

Year 7 847 Year 8 815 Year 9 825 Year 10 829 Year 11 497

Music

Musical Instrument Lessons at Hollyfield
With Kingston Music Service

About instrument lessons at Hollyfield...

At Hollyfield we recognise the importance of Music and know that students who learn musical instruments are shown to do better across their subjects (it has been proven that learning to play an instrument stimulates the brain, improving functions like memory and abstract reasoning skills). It is also a great way for students to make new friends at school by being able to participate in our Rock School, Swing Band and Orchestra. If students would like to have individual music lessons on an instrument during the school day we offer a range of different instruments with our fabulous team of peripatetic teaching staff. The instrument lessons are 25 minutes each and organised on a rotation timetable.

INSTRUMENTS and teachers...

All instruments can be applied for (even if not currently taught here). Currently we have the following brilliant team of tutors:

- | | | |
|---------------------------------------|-----------------------------|--------------------------------------|
| Onna Benson: Piano | Sharon Taylor: Piano | Matthew Cooper: Brass & Piano |
| Tom Early: Drum kit/Percussion | Tino Rainone: Guitar | Linley Weir: Voice |
| Andy Brown: Guitar | Tom Marshall: Guitar | Deborah Chalmers: Violin |
| Theodora Stamoulaki: Piano | | |

We would love more woodwind and brass players and there are schemes that Kingston Music Service can offer to support these lessons. In some instances we can also offer funded lessons to support talented students where finance is a barrier.

Girls Journeying Together

Free taster session on October 11th 2025 for a new Girls Journeying Together group dedicated to 10-12 year old (year 6 and 7) girls starting in Kingston upon Thames.

Girls Journeying Together is a programme run by Rites for Girls, which has been awarded support by the Community Fund: we inspire and empower girls using circle-based mentorship; guiding them, building their inner resources and their friendship so they grow up strong and free, gaining tools to navigate their teen years. Fully funded bursary places available.

The girls say:

“It’s brilliant, we talk about things, really talk, so you realise that others feel the same way.”

“I’ve made friends for life.”

“I was nervous about growing up but now I’m not.”

“You can ask anything.”

“We’ve had loads of fun and learned stuff for growing up but it hasn’t felt like learning.”

“It got me thinking about who I want to be — what I want to do with my life.”
