"Pupils' behaviour is exemplary, and they demonstrate exceptional attitudes to learning" Ofsted 2025

Head's Line:

Dear Hollyfield Community

I am delighted to announce the results of the Head Student hustings. The Head Students for the academic year 2025/2026 will be Oliver Eley and Elena Vukas! Joining them as our Deputy Head Students are Aanya Anand, Emmanuella Krofa, and Beryl Oduro, well done to you all. Our outgoing team set the standards high and we look forward to working with them, listening to their ideas and supporting them in their new role. We are certain they will do an excellent job.

Some of our sixth formers have been enjoying the trip of a lifetime to New York and Washington and you can keep up to date with the action packed itinerary (along with news from *this* side of The Pond) by following us on Instagram at: hollyfield_school.

Winter Uniform
Just a reminder that we revert back to winter uniform after half term, polo shirts and shorts should not be worn. Students should wear either a revere collar shirt, or a stiff collared shirt and tie with their blazers.

Year 11 School Photos
A polite reminder that the closing date for **free delivery** back to school is **Sunday 2 November 2025.** Order through the Tempest website using your unique link that was emailed to you, or if you have received paper order forms visit www.tempest-orders.co.uk. If you need any assistance in ordering your photos, feel free to contact Tempest on 01736 751555 (option 5).

Early Closure – 13 November – Sixth Form Open Evening
I'd like to remind parents of students in Year 10 and Year 11 that it is the sixth form open evening on **Thursday 13 November**. This is a wonderful event in the calendar where students can learn all about our sixth form, the subjects on offer and all of the additional opportunities available. We encourage all students in these year groups to attend, and to bring their parents and carers along. **The school will close earlier on that day at 12.45pm** to allow the site to be set for the evening. Unlike our whole school opening, there will not be a late start the following day. School will begin at 8.30am as normal on Friday 14 November. Please can I also remind parents about our **INSET day on Friday 5 December**, when the school will be closed to students. Please make sure you have added this date to your diary. We will, of course, remind you closer to the time.

We have a small number of vacancies on our governing body, we enclose a message from our governors to any parents or carers who may consider taking on a governance role at Hollyfield. Please take the time to read through this.

And finally, it has been a relatively long and very busy half term and I am sure that the students will benefit from some time away from school. Whatever you have planned, I hope that you all manage to get some time to yourselves and with your families.

I hope you all have a wonderful weekend and half term.

OTHER NOTICES

Photo Permission Preferences

Before students start at The Hollyfield School, we ask parents to provide their photo permission preference. You can submit a new preference and/or update it whenever you wish, using this QR code. Data is collected securely.

Free School Meals

Is your child eligible for Free School Meals?

A small percentage of eligible students do not claim them. We email parents frequently to let them know. During the term, eligible students can claim a nutritius hot meal, drink or delicious dessert every day. If they are entitled, make sure your child is claiming theirs. If you need further assistance, please contact us.

SEN at Hollyfield

How is your child supported? Please follow this link to find out, plus discover many useful resources.

Reporting your child's absence

When reporting your child's absence from school on the dedicated absence line - 0208 339 4518 preferably before 8.30am on the morning of your child's absence from school. Please leave their name, spelling out any unusual names, year group and the reason for their absence and your details. Alternatively, you can email the school attendance@hollyfield.kingston.sch.uk.

Valuables in school

The school policy and guidance with regard to pupil possessions is clear that they are brought into school at their own risk. The Hollyfield School does not accept liability for any items that may be lost, damaged or stolen. While theft is taken extremely seriously and thoroughly investigated, the school is not in a position to cover the cost of any item stolen.

Of course, with respect to the last point, steps and measures are put in place to mitigate against such circumstances, especially during PE and Games lessons, where pupils' items are locked in the changing rooms. While this is standard procedure, there may be some extenuating circumstances where this cannot always be guaranteed. Therefore, I would urge your son/daughter not to bring expensive items into school.

Medical Condition(s) and Individual Healthcare Plans

Can we please request that you complete the following medical information collection form if your child has any medical conditions, no matter how small. If your child has a new diagnosis we ask you to also complete this form even if you have already done so for a different medical condition to ensure we have the most up-to-date information. Form: https://forms.gle/pxTajACe1yUNSKdx9.
Once complete, this will form part of your child's Individual Healthcare Plan which will be sent to you for approval, the communication will come from *noreply@medicaltracker.co.uk*. Please allow emails from this address.

Changed your address/email/phone number????

If you have changed your contact details, please email the school office on office@hollyfield.kingston.sch.uk stating your child's name and form and the change of details. It is important to keep these details up to date in case of an emergency. Don't forget to update your Parentmail account with your new details.

Water Bottles

Please ensure your child brings a water bottle with them to school every day, it is even more important during hot weather. Our water fountains can be used to refill bottles as necessary during break and lunch, it is not possible to drink from the fountains direct and we do not have bottles or cups to give out to students. Alternatively, bottles of water can be purchased (and refilled) in the cafeteria, please ensure your Parentmail account has enough funds to enable this.

Surbiton Hill Road Entrance for cars

If you drive/collect students to or from school the visitor's car park/Surbiton Hill Road entrance **should not be used to drop off students**. This causes congestion for people entering the site and staff access, cars travelling on Surbiton Hill Road and is potentially dangerous for pedestrians.

Dinner Money Top Up

Please ensure funds are available 24 hours before they are required when topping up your child's dinner money on Parentmail. If you add funds on the day they are to be used we will not be able to see the credit instantly until the system has processed it, therefore creating a delay in your child buying food at the canteen.

Contribution to the School Fund

Standing Order Contributions to School Fund

If you already donate to the school by standing order, please consider setting up a direct debit donation on our new platform Enthuse and cancelling your current standing order with your bank. This will maximise your donation as gift aid will be claimed automatically, and reduces administration time for the school. Links to the Enthuse donation platform for both Main School and 6th form can be found here.

All contributions received are very much appreciated and directly benefit all students within the school. We value each and every pound donated to provide a better education experience for our students.

If you would like to help contribute to the school fund to provide additional facilities to the school and students, please click here for more information. We acknowledge that not all of our parents can make a commitment on a monthly basis. Having listened to those parents we also understand that some would like to make a contribution whenever they can. A donation payment link is available in your ParentMail account. We are grateful for any contribution you can make, regardless of the amount. Every penny will be spent improving students' experiences. Like the monthly contributions, your donation will go into the school fund. It will be used in accordance with the guidance given to schools regarding parental contributions.

Open Door

Ms Jackson holds Parent Clinics on Thursday afternoon during term time. These are from 3.00pm-4.30pm for parents/carers to speak directly to her regarding any unresolved concerns/ suggestions. Please contact Louise Sutton to arrange an appointment on 0208 339 4500 or email lsutton@hollyfield.kingston.sch.uk.

ACHIEVEMENT POINTS

Achievement and behaviour points are awarded every day at Hollyfield in line with our school policy and are a fundamental part of school life. We want students to be the best versions of themselves and we explicitly teach the behaviour we want our young people to develop through our GO BIG character virtues (Good Communication / Organisation / Bouncebackability/Initiative/Gratitude). Students are therefore rewarded for when they demonstrate these character virtues either in class, around our school environment and even outside of school. The school also gives out termly prizes for great progress, engagement in learning, attendance and also contribution to school life. We also continually try to celebrate the successes of our students outside of school life and encourage all students to be proud of their successes in whatever area they come from.

Behaviour points are given to students in line with our behaviour policy. At the heart of our behaviour policy is restorative approaches which is a strategy the school uses to allow students to discuss their behaviours with one another and also key staff and to move past incidents in a non-judgemental way.

Both of the school's rewards and behaviour policies can be found on the school website and if you have any questions about them please don't hesitate to contact Miss Patel (Assistant Headteacher).

The year group weekly totals are below:

Year 7 887 **Year 8** 984 **Year 9** 888 **Year 10** 762 **Year 11** 285

The top performing forms per year group in terms of overall achievements were:

7EBE 179 **8RCL** 209 **9PTA** 203 **10DMI** 220 **11HBL** 97

The top performing students from each year were:

Year 7 Chris F **Year 9** Austin S **Year 11** Ali K

Year 8 Harry G **Year 10** Georgie C

TEACHING & LEARNING

Gothic Week

MFL Debate: Halloween 🎃 vs. Día de los Muertos 💀

In honour of the wonderful Día de los Muertos celebration, the MFL department held a fantastic debate. The big question: Which celebration is better, Halloween or Day of the Dead? Two brilliant teams presented their arguments, showing why their celebration was the best. After 10 minutes of passionate and lively debating, it was time for the verdict. Our MFL ambassadors listened carefully to all the points. In the end, they named **Día de los Muertos** the winner! It was a brilliant way to explore the famous Mexican celebration. A huge congratulations to the winning team! Well done to everyone who took part! 🏆

Year 10 Food Calzone Practical Assessment

As part of the Year 10 Food practical assessment the students made the Italian cuisine speciality baked Calzone. This was a great success and the students were delighted with their final dishes which were all of restaurant standard. Special mention must be made for Harley who won 'Star Baker of the Day' and to Hamza who made a wonderful Halal Calzone. Also commended was Jayden's version using wholemeal flour. Well done to all the Year 10 Food students. Below is a selection.

Music

Musical Instrument Lessons at Hollyfield With Kingston Music Service

About instrument lessons at Hollyfield…
At Hollyfield we recognise the importance of Music and know that students who learn musical instruments are shown to do better across their subjects (it has been proven that learning to play an instrument stimulates the brain, improving functions like memory and abstract reasoning skills). It is also a great way for students to make new friends at school by being able to participate in our Rock School, Swing Band and Orchestra. If students would like to have individual music lessons on an instrument during the school day we offer a range of different instruments with our fabulous team of peripatetic teaching staff. The instrument lessons are 25 minutes each and organised on a rotation timetable.
INSTRUMENTS and teachers…
All instruments can be applied for (even if not currently taught here). Currently we have the following brilliant team of tutors: **Onna Benson:** Piano **Tom Early**: Drum kit/Percussion **Andy Brown**: Guitar **Theodora Stamoulaki:** Piano **Sharon Taylor:** Piano **Tino Rainone:** Guitar **Tom Marshall:** Guitar **Matthew Cooper**: Brass & Piano **Linley Weir:** Voice **Deborah Chalmers:** Violin **We would love more woodwind and brass players** and there are schemes that Kingston Music Service can offer to support these lessons. In some instances we can also offer funded lessons to support talented students where finance is a barrier.

CAREERS

Careers Briefing 24 October 2025
Mr Poole & Miss Corrighan (Careers team)

This is a busy half term for Year 11s, after the break, thinking about future choices. Obviously the Sixth Form Open Evening will be taking place on the **13 November** and this is a great opportunity to talk to Sixth Form teachers about the A Levels and Level 3 Vocational courses on offer. Our advice to all students in thinking about next year is to apply to at least two or three different places, your first choice and at least one back up application. Remember you need five GCSEs at grade 4 and above including English and Maths for A Levels and T Levels, but this does vary. For instance, with A Level Science, you need grade 6s. Having a back up plan is important not just in case you do not get the grades but also if the school or college does not offer the courses you wish to do. There are a number of college and school open evenings in November so it would be good to visit them to help you make an informed choice about your future,

Making the right choices at 16+ can be more significant than when students choose their options in Year 9. See Talking Futures below which offers some good advice.

Talking Futures is a fantastic resource for parents/carers

Only a lucky few of us know from a young age the type of work we want to do when we grow up. Most of us need time to figure it out, and plenty of us stumble into our jobs and careers without too much thought.

That's why it's good to have conversations about jobs and careers with your child early – and to have them regularly, on an ongoing basis. This will hopefully make big decisions about education, training, and careers more manageable as you and your child will be used to having these types of conversations. **Discover conversation tips**

Finally, we encourage sixth form students and parents and carers to access our **weekly Careers Opportunities bulletin**. This is a round up of the career opportunities available to students, this is something students should be checking weekly to build up their knowledge and experience. All of these opportunities allow the students to explore their ideas and look great on uni or apprenticeship applications. This includes;

- **Work experience**
- **Careers talks**
- **University open days and tasters**
- **Apprenticeships**
- **and much more**

Students and parents/carers can access this: Careers opportunities bulletin 23/10/25

Get the latest updates from the Met straight to your inbox.
Met Engage is a free messaging service that keeps you connected to what's happening in your area. Whether its crime updates, safety advice, or news from your local policing team, you'll get the information that matters to you — when it matters most.
Met Engage is launching first in SW London, including Kingston.

How to sign up

Signing up takes just a few minutes and you can update your preferences at any time. Your information is secure, and we'll only use it to send you relevant updates.
By signing via the QR above, you'll join thousands of others who are already receiving trusted updates from their local police.
