“Pupils’ behaviour is exemplary, and they demonstrate exceptional attitudes to learning” Ofsted 2025

Head’s line...

Dear Hollyfield Community

I hope you all had a restful half term break and that the students are enjoying being back in school. It certainly has been nice having some sunshine this week. We have had a busy first week back which has included some mock exams for Year 11. Well done to them for all of their hard work. As always, students have conducted themselves impeccably and we look forward to giving them some helpful feedback ahead of their final GCSE exams in May.

This week, we hosted our very first VPA Alumni Event. This was a chance for our current students and their families to meet former students who have gone on to successful careers in the arts. We welcomed back artists, designers, illustrators, performers, directors, producers, engineers and makeup artists. There was a chance for us to hear some of the musicians perform, to enjoy some light refreshments and for families to ‘network’ with the former students in A1, as well as three panel discussions in the hall (one for artists and designers, one for those who work in ‘backstage’ creative roles and one for performers) where our VPA teachers asked questions that had been sent in advance by students and families, as well as fielding questions from the audience. We have had so much positive feedback about the event: the planning and delivery, the staging and the wealth of information, advice and encouragement that came from our alumni. We are so grateful to them for returning, and to the teachers in Art, Music and Drama who gave so much time and care to create such a high quality event.

Next week is National Careers week, more details are on page 9. We are also really looking forward to the *Britney’s Lock* performances from our very own theatre company: Ilex. We are taking part in The National Theatre Connections festival again this year, and students have been working hard to prepare for the first stage of performances, which will take place in A1 at 3.45pm on Thursday 5 March and at 7pm on Friday 6 March. A director from The NT will come along to give notes and feedback, which our students and staff will have a few weeks to action before their performance at The Lyric, Hammersmith (which is quite an honour). If you would like more information, or to book tickets, please contact Miss O’Shea: moshea@hollyfield.kingston.sch.uk

Year 7 Parents' Evening is on Thursday 19 March. Once again, this will be an in-person event. We strongly encourage all parents and students to come along to the evening and parents will receive details on how to book from 5 March. Year 8 parents' evening is on 23 April and will be an online event with Year 10 parents' evening (in person) on 7 May. Further details will be sent nearer the time.

Looking ahead, towards the end of term, we have some key, whole school events: Activities Day on Wednesday 18 March and Culture Day on 26 March, these prove to be very popular events for everyone. Just a reminder that Year 11 parents will have received information about our Record for Achievement Ceremony on 22 May, this is a wonderful event where we celebrate the achievements of our Year 11 students and their time with us. Please do not forget to book your tickets – further information can be found [here](#).

Finally, we would like to thank students, parents/carers and staff, for communicating information they have seen and for the sensible manner in which they have approached this situation. We wanted to let you know that we, the police and all Secondary Schools in Kingston and outside of the borough have been working closely to monitor the situation. To ensure our students feel safe and supported, we have: Increased staff presence outside and around the school areas, held whole-school assembly focused on personal safety and held dedicated tutor time sessions addressing the concern around online trends. Our safeguarding team remains available to speak with any young person who feels concerned.

We have been in regular contact with the Police. They have been incredibly proactive in ascertaining the source of this trend. They have also reassured us that patrols have increased, with dedicated officers traveling between schools and patrolling key areas at the end of the day alongside the Local Neighbourhood Police and Response Teams.

We are confident that our students will be sensible and always look to do the right thing. We ask that you reinforce at home the need to be sensible, to travel together where possible and to keep phones and valuable devices out of plain sight.

We know that for all of us, the priority is that everyone remains safe and I know that we are all doing everything we can to make sure that happens.

Wishing you all a great weekend.

Regards.

Amy Jackson, Headteacher

“Pupils achieve very well in their examinations. This is because the school delivers an ambitious and balanced curriculum, underpinned by the highest expectations for all pupils. This includes the popular and successful sixth form“ Ofsted 2025

OTHER NOTICES

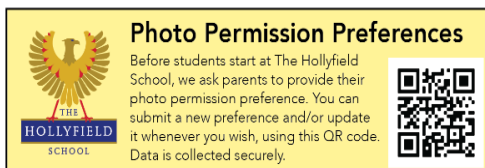

Photo Permission Preferences

Before students start at The Hollyfield School, we ask parents to provide their photo permission preference. You can submit a new preference and/or update it whenever you wish, using this QR code. Data is collected securely.

Free School Meals

Is your child eligible for Free School Meals?

A small percentage of eligible students do not claim them. We email parents frequently to let them know. During the term, eligible students can claim a nutritious hot meal, drink or delicious dessert every day. If they are entitled, make sure your child is claiming theirs. If you need further assistance, please contact us.

SEN at Hollyfield

How is your child supported? Please follow this [link](#) to find out, plus discover many useful resources.

Reporting your child's absence

When reporting your child's absence from school on the dedicated absence line - 0208 339 4518 preferably before 8.30am on the morning of your child's absence from school. Please leave their name, spelling out any unusual names, year group and the reason for their absence and your details. Alternatively, you can email the school attendance@hollyfield.kingston.sch.uk.

Valuables in school

The school policy and guidance with regard to pupil possessions is clear that they are brought into school at their own risk. The Hollyfield School does not accept liability for any items that may be lost, damaged or stolen. While theft is taken extremely seriously and thoroughly investigated, the school is not in a position to cover the cost of any item stolen.

Of course, with respect to the last point, steps and measures are put in place to mitigate against such circumstances, especially during PE and Games lessons, where pupils' items are locked in the changing rooms. While this is standard procedure, there may be some extenuating circumstances where this cannot always be guaranteed. Therefore, I would urge your son/daughter not to bring expensive items into school.

Medical Condition(s) and Individual Healthcare Plans

Can we please request that you complete the following medical information collection form if your child has any medical conditions, no matter how small. If your child has a new diagnosis we ask you to also complete this form even if you have already done so for a different medical condition to ensure we have the most up-to-date information. Form: <https://forms.gle/pxTajACe1yUNSKdx9>. Once complete, this will form part of your child's Individual Healthcare Plan which will be sent to you for approval, the communication will come from noreply@medicaltracker.co.uk. Please allow emails from this address.

Changed your address/email/phone number????

If you have changed your contact details, please email the school office on office@hollyfield.kingston.sch.uk stating your child's name and form and the change of details. It is important to keep these details up to date in case of an emergency. Don't forget to update your Parentmail account with your new details.

Water Bottles

Please ensure your child brings a water bottle with them to school every day, it is even more important during hot weather. Our water fountains can be used to refill bottles as necessary during break and lunch, it is not possible to drink from the fountains direct and we do not have bottles or cups to give out to students. Alternatively, bottles of water can be purchased (and refilled) in the cafeteria, please ensure your Parentmail account has enough funds to enable this.

Surbiton Hill Road Entrance for cars

If you drive/collect students to or from school the visitor's car park/Surbiton Hill Road entrance **should not be used to drop off students**. This causes congestion for people entering the site and staff access, cars travelling on Surbiton Hill Road and is potentially dangerous for pedestrians.

Dinner Money Top Up

Please ensure funds are available 24 hours before they are required when topping up your child's dinner money on Parentmail. If you add funds on the day they are to be used we will not be able to see the credit instantly until the system has processed it, therefore creating a delay in your child buying food at the canteen.

Contribution to the School Fund

Standing Order Contributions to School Fund

If you already donate to the school by standing order, please consider setting up a direct debit donation on our new platform Enthuse and cancelling your current standing order with your bank. This will maximise your donation as gift aid will be claimed automatically, and reduces administration time for the school. Links to the Enthuse donation platform for both Main School and 6th form can be found [here](#).

All contributions received are very much appreciated and directly benefit all students within the school. We value each and every pound donated to provide a better education experience for our students.

If you would like to help contribute to the school fund to provide additional facilities to the school and students, please click [here](#) for more information. We acknowledge that not all of our parents can make a commitment on a monthly basis. Having listened to those parents we also understand that some would like to make a contribution whenever they can. A donation payment link is available in your ParentMail account. We are grateful for any contribution you can make, regardless of the amount. Every penny will be spent improving students' experiences. Like the monthly contributions, your donation will go into the school fund. It will be used in accordance with the guidance given to schools regarding parental contributions.

Open Door

Ms Jackson holds Parent Clinics on Thursday afternoon during term time. These are from 3.00pm-4.30pm for parents/carers to speak directly to her regarding any unresolved concerns/ suggestions. Balancing the Energy Books

There is no question that there are greater demands placed on students within mainstream secondary schools compared to primary. Lesson pace, sensory overload, academic pressure, personal accountability and social masking can take a heavy toll on many young people with additional needs causing them to become exhausted and unable to contribute to activities or basic activities at home.

Spoon Theory, created by Christine Miserandino, aims to contextualise our personal energy usage that we need to get through each day. What may take one 'spoon of energy' for a neurotypical individual, such as taking public transport or getting ready in the morning, may take a neurodiverse person two or three 'spoons' leading to a deficit at the end of the day.

Spoon Theory aims to identify the major energy draining activities but most importantly, the activities that can be implemented to refill their reserve throughout the day, leading to improved energy management and resilience.

HOLLYFIELD PTA NEWS

Dear Parents & Carers

This week we kicked off our planning for Hollyfest 2026. We reviewed all the feedback from last year and have a solid foundation for organising the event in July.

Over the coming weeks we'll be spotlighting the key volunteer roles needed to support the event.

First up is a role that requires support early in the planning and so we're keen to find someone as soon as possible. If you have a friend (or friends) you want to share a role with, that's fine too.

Sponsorship

Distribution of activity:

From: March-July

Pre-event: 90%

On the day: 5%

Post event: 5%

Needed at regular meetings? Some

The Sponsorship lead will coordinate efforts to secure sponsorship and advertising for Hollyfest. This includes reaching out to local businesses, managing sponsor relationships, and ensuring they receive appropriate recognition in the programme and on social media. This role needs to coordinate with the Raffle Manager.

If you're interested or would like to know more, email us at ptahollyfield@gmail.com. If you'd like to read about the other key roles, take a look [here](#).

Many thanks

Hannah & Bryn, co-chairs of The Hollyfield School PTA

One School. One community. One amazing day.

✿ Supporting Our School Through Sherpa Tutors ✿

[Please note: Hollyfield School is not affiliated to and does not endorse any specific tutor service, nor can we quality assure their services.]

We're pleased to share that our PTA has partnered with [Sherpa Tutors](#) as part of their fundraising programme, giving families a simple way to support our school.

When parents register using our referral link, the PTA earns **£5 for every lesson completed** by a student, up to **£100 per family**. These funds are donated directly to the PTA and help support activities, resources, and events for our children.

By taking part, families can benefit from additional learning support while helping to raise valuable funds for our school community.

To join and support the PTA, please [sign up here](#). Thank you for your continued support.

✦ Volunteer Opportunity: Social Media Whizz Wanted! ✦

Hollyfield's PTA is on the lookout for a Social Media Whizz to help us spread the word about our events, fundraising and school community.

If you have a little time to spare and knowledge of all (or even some!) things social media, we'd absolutely love to hear from you. Whether you enjoy creating posts, sharing updates, or just keeping things ticking along, every bit of help makes a big difference.

ACHIEVEMENT POINTS

Achievement and behaviour points are awarded every day at Hollyfield in line with our school policy and are a fundamental part of school life. We want students to be the best versions of themselves and we explicitly teach the behaviour we want our young people to develop through our GO BIG character virtues (Good Communication / Organisation / Bouncebackability/Initiative/Gratitude). Students are therefore rewarded for when they demonstrate these character virtues either in class, around our school environment and even outside of school. The school also gives out termly prizes for great progress, engagement in learning, attendance and also contribution to school life. We also continually try to celebrate the successes of our students outside of school life and encourage all students to be proud of their successes in whatever area they come from.

Behaviour points are given to students in line with our behaviour policy. At the heart of our behaviour policy is restorative approaches which is a strategy the school uses to allow students to discuss their behaviours with one another and also key staff and to move past incidents in a non-judgemental way.

Both of the school's rewards and behaviour policies can be found on the school website and if you have any questions about them please don't hesitate to contact Miss Patel (Assistant Headteacher).

The year group weekly totals are below:

Year 7 415 Year 8 411 Year 9 752 Year 10 337 Year 11 106

TEACHING & LEARNING

GETTING TO KNOW.....

Business & Economics Department

Mr. Humm – Deputy Director of Sixth Form & Lead Teacher of Business I joined Hollyfield almost five years ago following a 15-year career in further education, where I balanced teaching with running a Rugby Academy. Whether I'm on the golf course in the summer or the rugby pitch in the winter, I bring that same competitive spirit and dedication to my classroom. My goal is to help students build a rock-solid understanding of the business world. Since stepping into the role of Deputy Director of Sixth Form in September 2024, I've found it incredibly rewarding to guide our students through their next big steps in life, ensuring they leave us with the confidence to succeed in whatever they choose to do.

CAREERS

Careers Briefing 27 February 2026

Mr Poole & Miss Corrighan (Careers team)

National Careers Week 2-7 March

National Careers week is taking place across the UK and this provides the school with the opportunity to discuss the importance of planning for the future life and exploring different opportunities.

Year 9 took part in a career networking event before half term and also had the opportunity to log onto Unifrog which is a careers platform which gives students the opportunity to research different jobs roles and occupations. However, all Year groups will be involved in careers activities during next week.

During the week there will be a series of assemblies for all year groups with presentations from a variety of guest speakers who will talk about their career background and journey. Tutors will also spend some time talking to students about different future careers and doing careers based activities.

Year 11 - Sixth form & college applications for Sept 2026

If students are not planning to attend Hollyfield Sixth Form next year, there is still time to apply to college or an apprenticeship. Many students may decide to stay in the Sixth Form, but you need to apply to college to ensure you have a backup plan. **Kingston College, NESCOL, Richmond upon Thames**, and others are still taking applications, so if you have not applied yet, you need to do so as a matter of urgency as you have to confirm your place for next year.

[Chessington sixth form](#) also offers courses in Childcare and Sports - this is a smaller provision but offers excellent support and small classes. The Childcare students work in the Nursery at the school gaining fantastic experience. The sports academies include Football, Basketball and Sports Coaching. Find out more: [Sixth Form](#)

Apprenticeships: students, parents, and carers can look at the [Find an apprenticeship](#) website and look for jobs that will start in Sept 2026. If you are not sure how to apply, speak to Mr Poole, ipoole@hollyfield.kingston.sch.uk, who is based in Albury in the Careers office.

Way2Work is a local apprenticeship provider who offer apprenticeships in **early years and childcare, teaching assistants, business admin and customer service**. You can check out their website or attend their **next open day: 18 June 2026**

Find out more about what they offer: [Become an apprentice](#) and sign up for the open event: [Way2Work Drop in Session](#)

Parents/Carers

[Talking futures](#) is a great resource to inform parents and carers about the options available to their children. It has conversation starters, information about the range of options, which include technical qualifications and apprenticeships and more. It is a really good starting point for parents and carers to find out more about what their children can do in this ever-changing education landscape.

[NEXT STEPS LONDON](#) which is a collection of guides designed to support young people, parents, and educators as they explore future career pathways across the capital. These resources aim to spark meaningful conversations, build confidence, and provide practical tools for navigating the next stage of the careers journey.

Careers opportunities

We encourage sixth form students and parents and carers to access our **weekly Careers Opportunities bulletin**. All of these opportunities allow students to explore their ideas and look great on uni or apprenticeship applications. Students and parents/carers can access this here: [HF Careers opportunities bulletin 27/02/26](#)

This includes;

- **Work experience**
- **Careers talks**
- **University open days/tasters**
- **Apprenticeships**
- **Unifrog resources and events**
- **and much more**

Students in Year 12 will do a work experience placement in the last week of the summer term - 13-17 July so students should be looking for placements now for that week and once confirmed it needs to be recorded on Unifrog placements tool.

Important reminders for PE clubs:

- students receive 1 achievement point for attending
- clubs are free and no pre sign is required
- clubs at the school field will have a coach to drop them off and pick them up or students can make their own way home using public transport

- PE kit is not required for clubs during lunchtime
- For after school clubs, students should bring PE kit to get changed after 3.05pm unless they are already wearing their PE kit for their PE lesson that day
- If a student has a repair, they need to attend the repair as the priority
