“Pupils’ behaviour is exemplary, and they demonstrate exceptional attitudes to learning” Ofsted 2025

Head’s line...

Dear Hollyfield Community

I hope you are well and enjoying the lovely weather.

Today marks the final day of the A level exams, with the GCSE exams finishing a couple of days ago. Many congratulations to all of our Year 11 and Year 13 students; we are very proud of you. Both cohorts of students have worked exceptionally hard both in the lead up to and during the exam period. It is the Year 13 prom this evening and Year 11 in two weeks’ time. We hope these events are the start of a wonderful summer for those students, we wish them all the very best for their next steps - and hope they will take happy memories of us with them, wherever they go. We look forward to seeing them when they collect their results in August. Please note that **A level results day is Thursday 13 August** and **GCSE results day is Thursday 20 August**.

As one group of students leave Hollyfield, we have been turning our attention to the next generation. This week we have welcomed pupils in Year 5 from our main feeder primary schools to Hollyfield to experience workshops with our teachers. The sessions have been great fun and give the pupils a taster of what they will experience at high school. As always, hosting them has been an absolute pleasure.

Year 10 exams will continue next week. The exam timetables are available for viewing on Google Classroom. We’d appreciate your support in reminding your child to check the timings of their exams as well as the seat number, to help ensure the smooth running of the exams. Year 12 end of year exams have begun and we wish them all every success.

This week a large number of students competed in the Kingston Borough Athletics competition, it was a brilliant performance from all the students and in particular the Year 7 and Year 10 boys' teams, with 20 medals won – Well done to all who took part, we are very proud of you.

The weather next week looks to continue to be hot, with that in mind, students will not be expected to wear or bring their blazers to school unless they wish to do so. Please can I also remind parents that pupils are welcome to wear polo shirts as well as tailored school shorts if they wish to do so. Please also ensure your child has a water bottle that can be replenished at the water fountains.

Our preparations for Hollyfest are well underway. The whole community is excited about the event and it is always exceptional. Don’t forget to buy your tickets in advance [here](#) and if you would like to volunteer any of your time to help out then please reach out to the PTA [here](#).

Towards the end of the year we will have our final activity days, where students will be taking part in a range of activities, including body percussion, graffiti workshops, visits to theme parks, universities and the beach. Miss O’Shea has written to parents and carers with full details. Please do make sure you have signed your child up for the relevant trips and completed the relevant medical and consent forms. We have offered multiple options for payment, including subsidies for students with Free School Meals and the option to pay later if needed. Above all, we want all students to have the chance to take part.

We have received a brand new England football kit (size: men's medium) that we would like to raffle off to raise money towards Harry's charities. We know many of you will want to get behind the England team over the next few weeks, and this could be the perfect way to show your support for 'the boys' and for the causes close to the school's heart. If you would like to be in with a chance of winning, please use the QR code to make a donation. You will be entered into the prize draw once with each £1 you donate - so, for example, if you choose to donate £5, you will be entered five times. To take part, please scan the QR code.

Wishing you all a restful weekend.

Amy Jackson, Headteacher

"Pupils achieve very well in their examinations. This is because the school delivers an ambitious and balanced curriculum, underpinned by the highest expectations for all pupils. This includes the popular and successful sixth form" Ofsted 2025

OTHER NOTICES

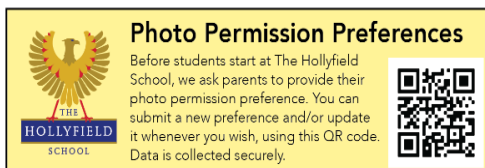

Photo Permission Preferences

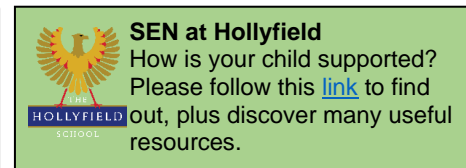

Before students start at The Hollyfield School, we ask parents to provide their photo permission preference. You can submit a new preference and/or update it whenever you wish, using this QR code. Data is collected securely.

Free School Meals

Is your child eligible for Free School Meals?

A small percentage of eligible students do not claim them. We email parents frequently to let them know. During the term, eligible students can claim a nutritious hot meal, drink or delicious dessert every day. If they are entitled, make sure your child is claiming theirs. If you need further assistance, please contact us.

SEN at Hollyfield

How is your child supported? Please follow this [link](#) to find out, plus discover many useful resources.

Reporting your child's absence

When reporting your child's absence from school on the dedicated absence line - 0208 339 4518 preferably before 8.30am on the morning of your child's absence from school. Please leave their name, spelling out any unusual names, year group and the reason for their absence and your details. Alternatively, you can email the school attendance@hollyfield.kingston.sch.uk.

Valuables in school

The school policy and guidance with regard to pupil possessions is clear that they are brought into school at their own risk. The Hollyfield School does not accept liability for any items that may be lost, damaged or stolen. While theft is taken extremely seriously and thoroughly investigated, the school is not in a position to cover the cost of any item stolen.

Of course, with respect to the last point, steps and measures are put in place to mitigate against such circumstances, especially during PE and Games lessons, where pupils' items are locked in the changing rooms. While this is standard procedure, there may be some extenuating circumstances where this cannot always be guaranteed. Therefore, I would urge your son/daughter not to bring expensive items into school.

Medical Condition(s) and Individual Healthcare Plans

Can we please request that you complete the following [medical information collection form](#) if your child has any medical conditions, no matter how small. If your child has a new diagnosis we ask you to also complete this form even if you have already done so for a different medical condition to ensure we have the most up-to-date information. Once complete, this will form part of your child's Individual Healthcare Plan which will be sent to you for approval, the communication will come from noreply@medicaltracker.co.uk. Please allow emails from this address.

Changed your address/email/phone number????

If you have changed your contact details, please email the school office on office@hollyfield.kingston.sch.uk stating your child's name and form and the change of details. It is important to keep these details up to date in case of an emergency. Don't forget to update your Parentmail account with your new details.

Water Bottles

Please ensure your child brings a water bottle with them to school every day, it is even more important during hot weather. Our water fountains can be used to refill bottles as necessary during break and lunch, it is not possible to drink from the fountains direct and we do not have bottles or cups to give out to students. Alternatively, bottles of water can be purchased (and refilled) in the cafeteria, please ensure your Parentmail account has enough funds to enable this.

Surbiton Hill Road Entrance for cars

If you drive/collect students to or from school the visitor's car park/Surbiton Hill Road entrance **should not be used to drop off students**. This causes congestion for people entering the site and staff access, cars travelling on Surbiton Hill Road and is potentially dangerous for pedestrians.

Dinner Money Top Up

Please ensure funds are available 24 hours before they are required when topping up your child's dinner money on Parentmail. If you add funds on the day they are to be used we will not be able to see the credit instantly until the system has processed it, therefore creating a delay in your child buying food at the canteen.

Contribution to the School Fund

Standing Order Contributions to School Fund

If you already donate to the school by standing order, please consider setting up a direct debit donation on our new platform Enthuse and cancelling your current standing order with your bank. This will maximise your donation as gift aid will be claimed automatically, and reduces administration time for the school. Links to the Enthuse donation platform for both Main School and 6th form can be found [here](#).

All contributions received are very much appreciated and directly benefit all students within the school. We value each and every pound donated to provide a better education experience for our students.

If you would like to help contribute to the school fund to provide additional facilities to the school and students, please click [here](#) for more information. We acknowledge that not all of our parents can make a commitment on a monthly basis. Having listened to those parents we also understand that some would like to make a contribution whenever they can. A donation payment link is available in your ParentMail account. We are grateful for any contribution you can make, regardless of the amount. Every penny will be spent improving students' experiences. Like the monthly contributions, your donation will go into the school fund. It will be used in accordance with the guidance given to schools regarding parental contributions.

Open Door

Ms Jackson holds Parent Clinics on Thursday afternoon during term time. These are from 3.00pm-4.30pm for parents/carers to speak directly to her regarding any unresolved concerns/ suggestions. Please contact Louise Sutton to arrange an appointment on 0208 339 4500 or email lsutton@hollyfield.kingston.sch.uk.

Balancing the Energy Books

There is no question that there are greater demands placed on students within mainstream secondary schools compared to primary. Lesson pace, sensory overload, academic pressure, personal accountability and social masking can take a heavy toll on many young people with additional needs causing them to become exhausted and unable to contribute to activities or basic activities at home.

Spoon Theory, created by Christine Miserandino, aims to contextualise our personal energy usage that we need to get through each day. What may take one 'spoon of energy' for a neurotypical individual, such as taking public transport or getting ready in the morning, may take a neurodiverse person two or three 'spoons' leading to a deficit at the end of the day. Spoon Theory aims to identify the major energy draining activities but most importantly, the activities that can be implemented to refill their reserve throughout the day, leading to improved energy management and resilience. Supporting Your Child With After School Meltdowns

From Meltdown to Calm: A Parent's Guide to After-School Restraint Collapse

THE MELTDOWN (SCHOOL)

Immediate Strategies for the Trip Home

- Refueling the Tank:** Offer crunchy or chewy snacks. Dehydration worsens dysregulation; encourage water immediately after school.
- Regulating Textures:** Offer crunchy or chewy snacks. Dehydration worsens dysregulation; encourage water immediately after school.
- Lower All Demands:** Great with a smile or hug; follow their lead; rest; immediate questions.
- Use Sensory Buffer:** Provide calming music or headphones to reduce sensory input during commute.

THE CALM (HOME)

Creating a Decompression Zone

- The "Calm-Down Corner":** A designated quiet space with soft lighting, pillows, and weighted blankets to retreat.
- Visually Regulating Tools:** Use tubule tubes or glitter jars for soothing, repetitive visual input.
- Clutter-Free Environments:** Reduce visual clutter and background noise to support a calm mind.

Regulating Activities

- Movement & Heavy Work:** Activities like jumping or animal walks help feelings trapped "big emotions".
- Sensory Play:** Water play, kinetic sand, or play dough allows processing feelings through touch.
- Connection Before Correction:** Validate feelings ("I see you had a big day") before discipline.

Sample After-School Routine Flow

- Transition (10-15 mins):** Focus: Quiet space, no questions, snack/hydration
- Connection (15-30 mins):** Focus: Cuddling, snuggling or sitting quietly together
- Regulation (15-30 mins):** Focus: Outdoor movement, sensory play, or preferred play
- Structured (20-60 mins):** Focus: Homework or chores (use visual timers)

ACHIEVEMENT POINTS

Achievement and behaviour points are awarded every day at Hollyfield in line with our school policy and are a fundamental part of school life. We want students to be the best versions of themselves and we explicitly teach the behaviour we want our young people to develop through our GO BIG character virtues (Good Communication / Organisation / Bouncebackability/Initiative/Gratitude). Students are therefore rewarded for when they demonstrate these character virtues either in class, around our school environment and even outside of school. The school also gives out termly prizes for great progress, engagement in learning, attendance and also contribution to school life. We also continually try to celebrate the successes of our students outside of school life and encourage all students to be proud of their successes in whatever area they come from.

Behaviour points are given to students in line with our behaviour policy. At the heart of our behaviour policy is restorative approaches which is a strategy the school uses to allow students to discuss their behaviours with one another and also key staff and to move past incidents in a non-judgemental way.

Both of the school's rewards and behaviour policies can be found on the school website and if you have any questions about them please don't hesitate to contact Miss Patel (Assistant Headteacher).

The year group weekly totals are below:

Year 7 371 **Year 8** 425 **Year 9** 472 **Year 10** 230

The top performing forms per year group in terms of overall achievements were:

7BRO 119 **8LGR** 96 **9MCO** 158 **10SDA** 61

The top performing students from each year were:

Post 16 options

Many of the college open days have now passed for this term and **Kingston College and NESCOLT** will host more events in the Autumn Term for Year 11s to investigate their options. The following still have events that year 10s can explore:

Esher College - Weds 8th July 4-8 pm - there is only one per year, and applications are early - see their website to book a spot.

**Richmond upon
Thames College**

Richmond Upon Thames College (Twickenham) **Year 10 Parent Tours**

Taking place throughout July and August, these sessions are designed to help parents understand the options which are available at post 16 study. At these events we give a presentation which alerts parents to the options which are available in post 16 study and also what life is like at the College. We will then give them a tour and finally give them a chance to speak with our IAG team. See the link to find out more: [Events | Richmond Upon Thames](#)

Year 11 Summer Sessions (for those Year 11s who have not yet decided!) The College is holding several sessions over the summer (July and August) to help Year 11 students with their choices for Post-GCSE study. Find out more: [Events | Richmond Upon Thames](#).

What is unifrog?
A one-stop-shop for getting in.

Unifrog is our careers platform that students can use throughout their Hollyfield Journey. Log in with your HF student email address (you can also reset the password). Over the summer students might want to:

- Explore into their post 16 or 18 options, which include college, universities and apprenticeships and career ideas
- Make a CV for a part-time or summer job
- Try the quizzes which look at your personality, interests and more to help you figure out which careers might suit you.

Applying to Medicine, Vet or Dentistry?

With UCAT bookings opening on 23rd June, many students applying to medicine and dentistry will soon be making important decisions about their test dates and summer preparation plans.

Choosing when to sit the UCAT can have a significant impact on a student's preparation strategy. While some students focus primarily on securing a convenient date, those who perform strongest often approach the process more strategically, allowing sufficient time to build familiarity with the exam, identify weaker areas, and develop the speed and accuracy required under timed conditions. To support students preparing for this year's admissions cycle, we invite students in Years 12 and reapplicants in Year 13 to attend our Free Virtual UCAT Conference.

Students and parents can sign up to the **Free Virtual UCAT Conference on Sunday 21st or Sunday 28th June** from 10am - 12pm: <https://medicmentor.org/ucat-gim/>

The next FREE LIVE VIRTUAL Get Into Dentistry Conference: Sunday 28 June 9:30am - 3:30pm

Throughout the conference, students will have the opportunity to interact directly with dentists and dental students. They will gain valuable insight into whether dentistry is the right career for them and learn how to build a competitive university application.

The conference will cover:

- **How to decide if dentistry is the right career for you**
- **Work experience and extracurricular activities**
- **Personal statements and UCAS applications**
- **UCAT preparation and admissions tests, Dental school interviews**
- **Life as a dental student and future career opportunities**

Students aged 14-18 are invited to attend alongside a parent or guardian and should have access to a working camera and microphone. Dental Registration Link: <https://dental-mentor.org/get-into-dentistry-conference-sign-up/>

Applications for Ward Support Programme with Princess Alice Hospice, Esher

I am delighted to let you know that applications are now open for our **Ward Support Programme September 2026**. This is a unique opportunity for **students who are interested in a career in healthcare** and offers invaluable hands-on experience on our ward for 25 weeks.

Students will need to be at least 17 years old by 05 September to be eligible to participate. **Please share the role description and application form via this link** [Volunteering Roles – Princess Alice Hospice](#)

Closing date for applications is 21 June and interviews will be held in July.

Army Workshops

We're running a series of "Meet Your Army" events designed to give teachers, parents and students a clear, honest insight into Army careers. These sessions are a great opportunity for students to:

- Explore career pathways and apprenticeships
- Hear directly from serving soldiers
- Build confidence in making informed next steps

BRITISH ARMY SUPPORTING EDUCATION (BASE) PARENT PODCAST

If your young person is thinking about their future, it's natural to have questions and to want honest reassurance along the way. Our brand new parent podcast shares two real family experiences of the Army journey, from first conversations at home through to training at Army Foundation College.

Parents/Carers have an important role to play, and please encourage your children to talk through their different ideas for their post 16, 18 and career options. Get your child to think about their interests, hobbies, their strengths and weaknesses as this can provide the basis for an initial discussion.

[Talking Futures](#) is a great resource to inform parents and carers about the options available to their children. If parents/carers have any questions about the process email Mr Poole:

Important reminders for PE clubs:

- students receive 1 achievement point for attending
- clubs are free and no pre sign is required
- clubs at the school field will have a coach to drop them off and pick them up or students can make their own way home using public transport
- PE kit is not required for clubs during lunchtime
- For after school clubs, students should bring PE kit to get changed after 3.05pm unless they are already wearing their PE kit for their PE lesson that day
- If a student has a repair, they need to attend the repair as the priority.

Relaxing Lunchtime Club on Tuesday for Arts, Crafts, games and friendly conversation in the upstairs Art Room- H7.

The theme of Spring time this term is to create your own Bird Art and Spring themed decorated Masks, as well as relaxing colouring, painting and games.

All are welcome!
