"Pupils' behaviour is exemplary, and they demonstrate exceptional attitudes to learning" Ofsted 2025

Head's line...

Dear Hollyfield Community

We have had a great week at Hollyfield. On Tuesday evening we had our annual Open Evening, which was attended by around 800 people. Many thanks to those parents with younger children at primary school who came along to the event. A special thank you to all of our student ambassadors; the feedback from parents was overwhelmingly positive about this group of students. If you would like to get a flavour of the evening, head on over to our Instagram account: hollyfield_school, where you will see photos from around the school.

Our open morning tours have begun, we are taking round groups of Year 6 parents and children to see the school during the working day. Thanks once again to all of our ambassadors who are accompanying these tours, parents and children tell us how useful it is to speak to current students so that they can hear about life at Hollyfield from those living it. The tours mean that students will experience visitors popping into their lessons, accompanied by a senior member of staff. These tours will continue right up until half term.

Harry's memorial Walk – 30 September

Parents will be aware that in 2024 we lost a wonderful member of our community when Harry Woodroffe passed away. Harry was in Year 8 at the time of his death and would be in Year 11 if he was still alive today. This term we will be remembering Harry on Wednesday 30 September when the whole school will complete our memory walk. Every tutor group will walk around Berrylands, through Fishponds Park and finish at Surbiton Tennis Club, where students will be dismissed. The purpose of this walk is to remember Harry, or other people we may have lost or to simply improve mental and health and wellbeing by talking with friends as we complete the walk. Full details of this event were sent to parents today and can be found [here](#).

Year 11 Trial Exams

Students in Year 11 are preparing for their trial exams, which begin on 5 October. In addition to regular lessons and revision activities, we have started to lead lunchtime and after school intervention sessions in department areas, in order to support each student in achieving the best possible outcome. We know these sessions make a real difference, so we appreciate your support in encouraging your children to attend.

Parents' Information Evenings

As always, we are holding our Parent Information Evenings for every year group to inform parents what to expect in the year ahead. So far they have been very popular and thanks to all of the parents that have attended the events the dates and format for the remaining events are below:

Year 7: Tuesday 6 October 1800-1930 (on school site).

Wishing you all a wonderful weekend.

OTHER NOTICES

Photo Permission Preferences

Before students start at The Hollyfield School, we ask parents to provide their photo permission preference. You can submit a new preference and/or update it whenever you wish, using this QR code. Data is collected securely.

Free School Meals

Is your child eligible for Free School Meals?

A small percentage of eligible students do not claim them. We email parents frequently to let them know. During the term, eligible students can claim a nutritious hot meal, drink or delicious dessert every day. If they are entitled, make sure your child is claiming theirs. If you need further assistance, please contact us.

SEN at Hollyfield

How is your child supported? Please follow this [link](#) to find out, plus discover many useful resources.

Reporting your child's absence

When reporting your child's absence from school on the dedicated absence line - 0208 339 4518 preferably before 8.30am on the morning of your child's absence from school. Please leave their name, spelling out any unusual names, year group and the reason for their absence and your details. Alternatively, you can email the school attendance@hollyfield.kingston.sch.uk.

Valuables in school

The school policy and guidance with regard to pupil possessions is clear that they are brought into school at their own risk. The Hollyfield School does not accept liability for any items that may be lost, damaged or stolen. While theft is taken extremely seriously and thoroughly investigated, the school is not in a position to cover the cost of any item stolen.

Of course, with respect to the last point, steps and measures are put in place to mitigate against such circumstances, especially during PE and Games lessons, where pupils' items are locked in the changing rooms. While this is standard procedure, there may be some extenuating circumstances where this cannot always be guaranteed. Therefore, I would urge your son/daughter not to bring expensive items into school.

Medical Condition(s) and Individual Healthcare Plans

Can we please request that you complete the following [medical information collection form](#) if your child has any medical conditions, no matter how small. If your child has a new diagnosis we ask you to also complete this form even if you have already done so for a different medical condition to ensure we have the most up-to-date information. Once complete, this will form part of your child's Individual Healthcare Plan which will be sent to you for approval, the communication will come from noreply@medicaltracker.co.uk. Please allow emails from this address.

Changed your address/email/phone number????

If you have changed your contact details, please email the school office on office@hollyfield.kingston.sch.uk stating your child's name and form and the change of details. It is important to keep these details up to date in case of an emergency. Don't forget to update your Parentmail account with your new details.

Water Bottles

Please ensure your child brings a water bottle with them to school every day, it is even more important during hot weather. Our water fountains can be used to refill bottles as necessary during break and lunch, it is not possible to drink from the fountains direct and we do not have bottles or cups to give out to students. Alternatively, bottles of water can be purchased (and refilled) in the cafeteria, please ensure your Parentmail account has enough funds to enable this.

Surbiton Hill Road Entrance for cars

If you drive/collect students to or from school the visitor's car park/Surbiton Hill Road entrance **should not be used to drop off students**. This causes congestion for people entering the site and staff access, cars travelling on Surbiton Hill Road and is potentially dangerous for pedestrians.

Dinner Money Top Up

Please ensure funds are available 24 hours before they are required when topping up your child's dinner money on Parentmail. If you add funds on the day they are to be used we will not be able to see the credit instantly until the system has processed it, therefore creating a delay in your child buying food at the canteen.

Contribution to the School Fund

Standing Order Contributions to School Fund

If you already donate to the school by standing order, please consider setting up a direct debit donation on our new platform Enthuse and cancelling your current standing order with your bank. This will maximise your donation as gift aid will be claimed automatically, and reduces administration time for the school. Links to the Enthuse donation platform for both Main School and 6th form can be found [here](#).

All contributions received are very much appreciated and directly benefit all students within the school. We value each and every pound donated to provide a better education experience for our students.

If you would like to help contribute to the school fund to provide additional facilities to the school and students, please click [here](#) for more information. We acknowledge that not all of our parents can make a commitment on a monthly basis. Having listened to those parents we also understand that some would like to make a contribution whenever they can. A donation payment link is available in your ParentMail account. We are grateful for any contribution you can make, regardless of the amount. Every penny will be spent improving students' experiences. Like the monthly contributions, your donation will go into the school fund. It will be used in accordance with the guidance given to schools regarding parental contributions.

Open Door

Ms Jackson holds Parent Clinics on Thursday afternoon during term time. These are from 3.00pm-4.30pm for parents/carers to speak directly to her regarding any unresolved concerns/ suggestions. Please contact Louise Sutton to arrange an appointment on 0208 339 4500 or email lsutton@hollyfield.kingston.sch.uk.

Rewards System 2026

The new rewards system is designed to celebrate students who consistently embody our GO BIG character virtues and strive to be the **"best version of themselves."**

Starting this year, we will introduce **Legacy Points** and KS3 & 4 **Golden Ticket raffles** at the end of every term. These events will offer pupils the chance to win various prizes, including vouchers, experiences, and special in-school incentives like queue jump passes.

We believe that meaningful recognition helps students feel valued, fosters self-confidence, and encourages them to reach their full potential. By highlighting and rewarding commitments to our core values, we aim to further strengthen our school culture and ethos.

In developing this initiative, we have carefully considered research on motivation to strike the right balance between extrinsic and intrinsic rewards. To ensure we don't diminish intrinsic drive through an over-reliance on tangible gifts, we have determined that hosting three raffles per year provides the perfect balance.

Summary of how to get entered for the Golden Ticket Raffle

Students will continue to earn achievement points, which are now called legacy points, for going above and beyond within our school community.

Incentive	Description	Points
Achieving 50 Legacy Points	Accumulating 50 legacy points	1 raffle entry
Earning a Ticket 	Golden Ticket: <i>Every lesson a student has an opportunity to earn a Golden Ticket. Teachers are permitted to hand one Golden Ticket per day for any student they believe has demonstrated our GO BIG character virtues.</i>	5 Legacy points + 1 raffle entry
	Platinum Ticket: <i>Visitors, for example, visitors who deliver workshops etc, have an opportunity to acknowledge three pupils per visit.</i>	7 Legacy points + 1 raffle entry
Being a Zero Hero	<i>By achieving zero negative points in one half term.</i>	10 Legacy points + 2 raffle entries
The Legacy Builder	<i>Accumulate legacy points during rewards assemblies</i>	

Note: The Golden and Platinum Tickets are tangible postcards, which students will be able to bring home. Please keep an eye out for these to help celebrate the success.

We look forward to celebrating these achievements with our students throughout the year.

Balancing the Energy Books

There is no question that there are greater demands placed on students within mainstream secondary schools compared to primary. Lesson pace, sensory overload, academic pressure, personal accountability and social masking can take a heavy toll on many young people with additional needs causing them to become exhausted and unable to contribute to activities or basic activities at home.

Spoon Theory, created by Christine Miserandino, aims to contextualise our personal energy usage that we need to get through each day. What may take one 'spoon of energy' for a neurotypical individual, such as taking public transport or getting ready in the morning, may take a neurodiverse person two or three 'spoons' leading to a deficit at the end of the day. Spoon Theory aims to identify the major energy draining activities but most importantly, the activities that can be implemented to refill their reserve throughout the day, leading to improved energy management and resilience. The Nurture Programme: Supporting Your Teen

Navigating the secondary school years can bring new challenges—from shifting moods and exam pressure to managing screen time and changing relationships. **The Nurture Programme** is a 10 week course that offers a supportive, judgment-free space for parents and carers to share experiences and pick up practical strategies tailored for raising teenagers.

- **When:** Mondays, 5:30 PM – 7:30 PM
- **Start date:** 28 September 2026
- **Where:** The Hollyfield School - LRC (Library)
- **Who:** Open to all parents and carers of secondary students

What We Cover:

- **Communication & Connection:** Staying close with your teen as they seek more independence.
- **Managing Emotions & Stress:** Helping your child navigate academic pressure, anxiety, and social challenges.
- **Setting Boundaries:** Practical ways to handle conflict, screen time, and rules around the home.
- **Parental Wellbeing:** Looking after yourself while supporting your adolescent.

Come along to gain fresh perspectives, share ideas, and connect with other parents in our school community.

How to Register: To reserve your place or ask any questions, please contact Jo Leo jleo@hollyfield.kingston.sch.uk.

LEGACY POINTS

Legacy and behaviour points are awarded every day at Hollyfield in line with our school policy and are a fundamental part of school life. We want students to be the best versions of themselves and we explicitly teach the behaviour we want our young people to develop through our GO BIG character virtues (Good Communication / Organisation / Bouncebackability/Initiative/Gratitude). Students are therefore rewarded for when they demonstrate these character virtues either in class, around our school environment and even outside of school. The school also gives out termly prizes for great progress, engagement in learning, attendance and also contribution to school life. We also continually try to celebrate the successes of our students outside of school life and encourage all students to be proud of their successes in whatever area they come from.

Behaviour points are given to students in line with our behaviour policy. At the heart of our behaviour policy is restorative approaches which is a strategy the school uses to allow students to discuss their behaviours with one another and also key staff and to move past incidents in a non-judgemental way.

Both of the school's rewards and behaviour policies can be found on the school website and if you have any questions about them please don't hesitate to contact Miss Patel (Assistant Headteacher).

The year group weekly totals are below:

CAREERS

Careers Briefing 25 September 2026
Mr Poole & Miss Corrighan (Careers team @Hollyfield)

Post 16 options

Year 11 should also be beginning to think about their choices for education, training or employment after this year. The expectation is that students will either remain in the Hollyfield Sixth Form or choose another sixth form or college or train as an apprentice.

Our advice to all Year 11s is to have a **first choice and also a backup plan B**, just in case they do not get the grades they need to do a particular course or circumstances change. Most students should therefore have two or three applications.

It is the statutory responsibility of the school to ensure that all students and their parents are aware of the different academic and vocational choices available at post 16.

Kingston College, NESCOL, Richmond upon Thames College and Brooklands College are attending the Careers Fair on the 7 October, and this would be an early opportunity to meet representatives from these institutions. See the link for all the college open events [Open events 2026 - 2027](#)

Esher College opened their applications at the end of June and if students wish to apply to this college, then the deadline to apply is midday on 29 September.

Richmond upon Thames College - open event - Weds 30 Sept 4-7pm & Tues 17 Nov 4-7pm. Register via: [Events | Richmond Upon Thames College](#)

Activate learning who manage **Guildford College, Merrist Wood and Farnham College** are hosting a parent webinar to help support parents and guardians understand the post-16 options available to their young person. **Webinar dates and registration:** Monday 28 September at 6pm - [Register here](#)

South Thames Colleges Group

Kingston College is part of the South Thames College Group and they are hosting a virtual Open Event for Parents and Carers on Post-16 Options

We are delighted to also be offering a webinar for all parents and carers with children in Year 11. Our Schools Partnership Team will be sharing important information about post 16 courses, how to apply to a college course and what to expect throughout the process during their child's Year 11 journey, up until they eventually enrol in the next academic year. Careers Fair - Weds 7th October 6.30-8.30pm

This is our event for Year 10, 11, 12 and 13 students. As a school, we are keen for our students to engage with a wide range of people from business, industry, and education who can talk to them about their career journeys and share their expertise. It will be an evening where students will be encouraged to talk about the skills they will need to be successful in the future.

During the event, the students circulate the main school hall and talk with our guests. This is not only a time for students to learn more about future careers but also an opportunity to develop their networking skills. Many of the discussions which take place during the event inspire young people to go on to university or apprenticeships. Some students may have attended before, but attend again to improve skills and learn more about opportunities.

Unifrog is our careers platform that students can use throughout their Hollyfield Journey. Log in with your HF student email address (you can also reset the password). Students might want to:

- Explore their post-16 or 18 options, which include college, universities, apprenticeships and career ideas
- Try the quizzes which look at your personality, interests and more to help you figure out which careers might suit you

Parents/Carers have an important role to play, and please encourage your children to talk through their different ideas for their post 16, 18 and career options. **Talking Futures** is a great resource to inform parents and carers about the options available to their children. If parents/carers have any questions about the process email Mr Poole: ipool@hollyfield.kingston.sch.uk.

In partnership with the National Saturday Club, **Kingston University** is offering two exciting opportunities for **Year 10 students**:

- **Art & Design Saturday Club**
- **Science & Engineering Saturday Club**

Both clubs are **completely free** for **Year 10 students** and take place on our Kingston University across 17-18

Saturdays from 16 January – 26 June 2027.

We're looking for students with a strong interest in Science & Engineering or Art & Design. This is a fantastic opportunity for students to:

- Take part in hands-on practical workshops in our industry-standard facilities
- Work with expert tutors and academics
- Build creativity, confidence and subject knowledge in a university setting
- Gain valuable experience to support future study and career aspirations
