"There is a distinct sense of community in the school" Ofsted 2020

Head's Line:

Dear Hollyfield Community,

I hope you have all had an enjoyable week. We have had another busy week at Hollyfield. We welcomed Year 8 and Year 9 parents to the Parent Information Evening for their children. We also welcomed parents of Year 12 students to come in and hear all about life in the sixth form. I would like to extend my thanks to all parents who have come along to these events. On Tuesday we have our final Parent Information Evening of the year for our parents of Year 10 students. I hope all parents of Year 10 students are able to attend; the information shared is particularly pertinent and we are certain it will make a difference to the year ahead.

On Tuesday our Year 7 students will be sitting their CATs tests in the morning. These tests give us extra information about the students to help us understand the next steps in their learning. There is no need for the students to prepare for the tests and Mrs Rhodes has written to all parents about these tests already. Also next week, we are delighted to finally host the school production: 'What Would Alice Do?' We were forced to postpone the production at the end of last academic year so I know that many students, parents and staff are very excited to finally be part of the production. There are three performances: Thursday evening, Friday afternoon and Friday evening, we look forward to seeing many of you there.

And finally, please can I remind parents that the small parking area outside the Surbiton Hill Road gate should not be used to wait to pick up or drop off your child to/from school. At the start and end of the school day, the area is reserved for the drop off or collection of students with a disability. Many thanks for your continued support with this.

I hope you all have lovely weekend.

Ms A Jackson
 Headteacher

OTHER NOTICES

Early Closure/Late Start - 4 -5 October

In order to ensure all departments are fully prepared for our annual opening, we will be closing the school early on the day of open evening. On Tuesday 4 October school will close at 11.50am.

We will also have a late start the following day to allow all those involved in hosting the event time to recover from the late night. School will begin at 11.00am for all students on Wednesday 5 October.

Early Closure – 17 November

In order to ensure all departments are fully prepared for our annual Sixth Form opening, we will be closing the school early on the day of open evening. On Thursday 17 November school will close at 1.20pm.

Year 7 Parents – Parentmail – Please register now

All new Year 7 parents have been sent a link to enable them to register for Parentmail. Please can we ask all parents to do this, Parentmail is our main facility for communication with you and we cannot stress enough the importance of this. We are endeavouring to use less paper communication and will rely on Parentmail to replace paper copies. Parentmail is also used to pay for all school events and meals.

New Look ebulletin

Over the coming weeks we will be developing a new look ebulletin, if you have any comments or suggestions please email Mrs Sutton – lsutton@hollyfield.kingston.sch.uk.

Changed your address/email/phone number????

If you have changed your contact details, please email the school office on office@hollyfield.kingston.sch.uk stating your child's name and form and the change of details. It is important to keep these details up to date in case of an emergency. Don't forget to update your Parentmail account with your new details.

Water Bottles

Please ensure your child brings a water bottle with them to school every day, it is even more important during hot weather. Our water fountains can be used to refill bottles as necessary during break and lunch, it is not possible to drink from the fountains direct and we do not have bottles or cups to give out to students. Alternatively, bottles of water can be purchased (and refilled) in the cafeteria, please ensure your Parentmail account has enough funds to enable this.

Surbiton Hill Road Entrance for cars

If you drive/collect students to or from school the visitor's car park/Surbiton Hill Road entrance **should not be used to drop off students**. This causes congestion for people entering the site and staff access, cars travelling on Surbiton Hill Road and is potentially dangerous for pedestrians.

Dinner Money Top Up

Please ensure funds are available 24 hours before they are required when topping up your child's dinner money on Parentmail. If you add funds on the day they are to be used we will not be able to see the credit instantly until the system has processed it, therefore creating a delay in your child buying food at the canteen.

Contribution to the School Fund

If you would like to help contribute to the school fund to provide additional facilities to the school and students, please click [here](#) for more information. We acknowledge that not all of our parents can make a commitment on a monthly basis. Having listened to those parents we also understand that some would like to make a contribution whenever they can. A donation payment link is available in your ParentMail account. We are grateful for any contribution you can make, regardless of the amount. Every penny will be spent improving students' experiences. Like the monthly contributions, your donation will go into the school fund. It will be used in accordance with the guidance given to schools regarding parental contributions.

Open Door

Ms Jackson holds Parent Clinics on Thursday afternoon during term time. These are from 3.00pm-4.30pm for parents/carers to speak directly to her regarding any unresolved concerns/ suggestions. Please contact Louise Sutton to arrange an appointment on 0208 339 4500 or email lsutton@hollyfield.kingston.sch.uk.

HOLLYFIELD PTA NEWS

A note from the new Chair

Good afternoon to you all.

It is with great pride and some trepidation that I step into the role of Chair of The Hollyfield PTA. The incredible effort and results achieved by Gayna, Andie, Alison and a band of very willing helpers will be some act to follow. I will do my very best to maintain the levels already achieved in order to provide much needed financial support to the school and our children but also opportunities to build on what is a fantastic community at Hollyfield.

We are lucky that **Marina Craig** continues to be our Treasurer for another year. She has been incredible in keeping things going and bringing me up to speed. But...

There is still an opening for the **Secretary** role so if you're interested please get [in touch](#). It is a vital role that we need to fill urgently and can be shared. Please reach out to me if you would like an informal chat.

We are a community at Hollyfield and the PTA is simply a way to bring the talents and enthusiasm of staff and each parent and carer together for the benefit of our children, the school and to hopefully have some fun along the way.

All volunteers are welcome and if you have any skills or experience that you feel would benefit the PTA then please get in touch.

Thanks for reading.

If you have any item of uniform that is in good condition and you would like to donate please drop it off in the bins just inside the doors of Albury during the school week.

Upcoming Events.

We are looking to build up a calendar of events for the coming months and year but this cannot happen without YOU. If you can offer some time, expertise, experience, ideas or enthusiasm then please come along to the next meeting or get in touch. These things are never done without your help.

Date of Next Meeting:

Monday 3 October 2022 - venue to be confirmed.

The meeting is for every parent/carer as you are all members of the PTA. Come along and have your say and add your ideas... parents make things happen.

MISS O'SHEA'S TEACHING & LEARNING UPDATE

This week saw the launch of our inter-house competition, with new House Leaders from the school's senior leadership team and student leadership team. Mr Buckman has developed a new, improved student leadership programme for this academic year. In addition to our School Council, we will have prefects and student committees, giving students a greater opportunity to have their say and to make changes to the school. It promises to be a wonderful year for our student leaders... and for our school.

Our wonderfully full programme of extra-curricular activities also got off to a great start this week, with lots of enthusiastic attendance at a huge range of lunchtime and after school clubs. The schedules are published on our website and feature in the bulletin each week, but I wanted to give them a bit of fanfare today, so you can also find them here: [Extra Curricular Clubs](#). You will note that, in addition to the whole school schedule, there are separate timetables for those interested in PE, Music and Drama.

Speaking of Drama, our theatre company, Ilex, has been busily rehearsing at weekends and after school to bring Mr Hurst's vision of the Alice in Wonderland story to life. *What Would Alice Do* is an immersive, promenade performance, where audience members will be led around the school site by 'white rabbits' (who, in real life, are our Drama Mentors and co-directors). A huge number of people, from the cast and crew in the Drama department, to the production arts team, Ms Cotton and her fabulous sixth formers, as well as the premises team, have worked really hard on the project and we'd really love a big audience next week. Tickets are available from Mr Hurst.

CAREERS INFORMATION

Careers Briefing - 23 September 2022
 by Mr Poole & Miss Corrighan (Careers team)

Last Tuesday, Year 11 had a guest speaker from the charity Speakers for Schools called Lara Morgan. Lara is a successful business leader who also has competed in the world triathlon championship! Successful people are busy people, they don't just do one thing! Lara came in to talk about her career journey and the lessons she has learnt over the years. Lara spoke about seeing everything as an opportunity; the value of networking and work experience. "Always be willing to ask questions", she said, be open minded to change and challenge! Year 11 asked a number of good questions and hopefully the talk

will provide them with the motivation to be very successful this year. Lara has written her own book "More Balls Than Most" about how to be successful in business but she said that the best book to read in business is "How to become Rainmaker" by Jeffrey J Fox.

Careers Fair Thursday 13 October 2022 - 6.30-8.30pm
Year 11 and Sixth Form students and parents/carers

The picture shows last year's busy event!

Final preparation for the careers fair will be taking place over the next few weeks and if there are any parents who feel they may be able to volunteer to support the event please contact Mr Poole in the next week: ipool@hollyfield.kingston.sch.uk
At the moment there are a variety of guests confirmed from business, industry, colleges, apprenticeship providers and universities. This is a good opportunity for all students to speak

to a number of different people about their future careers plan and to receive impartial and independent careers advice.

Opportunities bulletin - We produce a weekly bulletin for our sixth formers which showcases the upcoming opportunities. This is a mix of work experience, careers talks, university events, apprenticeships and much more. Check out this week's bulletin: [23/09/2022 Careers opportunities](#)

Kingston Choral Society

Calendar 2022-23

Saturday 19 November 2022 at 7.30pm
All Saints Church, Kingston upon Thames, KT1 1JP
Monteverdi et al – Vespers for the Ascension
with the Monteverdi String Band and the English Cornett & Sackbut Ensemble and Eligio Quinteiro (lute)
Soloists: Helen Ashby, Kate Ashby (soprano), Emma Ashby, Cara Curran (alto), Jonathan Hanley, Benedict Hymas (tenor), James Arthur, Jimmy Holliday (bass)

The Feast of the Ascension (Festa de la Sènsa) was, and remains, a major public celebration of Venice's glory. It culminates in the renewal of the ritual marriage between the city and the sea, as a symbolic gold ring is thrown into the lagoon. This mouthwatering 'fantasy' Vespers, devised by Andrew Griffiths, brings together music from Monteverdi's later publications with sumptuous motets – including Giovanni Gabrieli and Giovanni Croce – reflecting both the religious and political pomp of this lavish festival.

Saturday 17 December 2022 at 7.30pm
St Mark's Church, St Mark's Hill, Surbiton KT6 4LS
Make we Merry – A Christmas Concert
with Gavin Roberts – Piano and Organ

Our Christmas Concert is a great way to get into the Christmas spirit with your family and friends. Enjoy your favourite carols, with opportunities to sing along with the choir, and share drinks and mince pies with us in the interval. This year's edition features the spectacular Make we Merry by contemporary composer, David Bednall. The piece's eight movements weave together texts from across the centuries to depict a host of emotions, from quiet expectation and gentle wonder to boisterous jubilation.

with the Thames Sinfonia

Luigi Gatti / Haydn: Creation Mass

Tonight's programme features enduring delights from the classical repertoire, but with a twist! The Creation Mass is a tour de force – a glittering transformation of the choruses from Haydn's oratorio into the form of a Mass by Italian composer, Luigi Gatti.

Saturday 24 June 2023 at 7.30pm
St Andrew's Church, Maple Road, Surbiton KT6 4DS
This Shining Night: Schubert, Barber, Lauridsen & Chilcott

Kingston Choral Society 2022–2023 Season

We are excited to welcome both regular audiences and new ones to our 2022–23 Season of Concerts.

Musical Director Andrew Griffiths has devised a scintillating musical programme for this year spanning five centuries, starting with Monteverdi and his contemporaries in seventeenth century Venice, and coming right up to date with delightful twenty-first century compositions.

As well as exploring new music from Britain, Ireland and the United States we will be revisiting much loved Schubert, Mozart and Haydn masterpieces – but with an intriguing surprise element.

It will be a terrific season, so do be sure to Save the Dates in this Calendar, and keep an eye on our website for when tickets go on sale.
