"There is a distinct sense of community in the school" Ofsted 2020

Head's Line:

Dear Hollyfield Community,

I hope you have all had a wonderful week. This week we have hosted the school production: 'What Would Alice Do?'. Congratulations to all of the staff and students involved in the production. It has been tumultuous for the cast and crew as we were forced to postpone the production last academic year and this year have been faced with a number of additional challenges, such as the weather! However, Ms O'Shea and her team have embraced the true spirit of the theatre and are determined that the show must go on, so we are looking forward to hosting it again this evening; if you are attending, please remember to bring a raincoat as some of the performances are outside.

Please can I remind all parents and students that it is our open evening on Tuesday. As such the school will close at 11:50am on Tuesday, this is the end of period three and we will have a late start of Wednesday, with school beginning at the start of period three at 11:00am. Following on from the open evening, our open morning tours begin Friday 7 October. These are all fully booked and we are looking forward to showing Year 5 and Year 6 pupils round, along with their parents. For our current students, this will mean that they will see groups of people touring the site and possibly popping into their lessons.

Thank you to all of the parents and carers who have come along to our parent information evenings this term. If you were unable to make it, or would like to review the information shared, then please follow this [link](#) to find the presentations on our website.

I would like to remind parents/carers that when leaving a message on the absence line to report your child's absence from school please clearly state and spell out your child's name and form. This will ensure your child receives the correct mark before school starts.

And finally, we are now a month into the term, the students continue to approach their studies with enthusiasm and maturity. Please can I encourage all parents and carers to remind their children to keep standards of uniform, homework and general work ethic high. Everyone is doing really well, let's keep it up. I wish you all a relaxing weekend.

I hope you all have lovely weekend.

Ms A Jackson
 Headteacher

OTHER NOTICES

Early Closure/Late Start - 4 -5 October

In order to ensure all departments are fully prepared for our annual opening, we will be closing the school early on the day of open evening. On Tuesday 4 October school will close at 11.50am.

We will also have a late start the following day to allow all those involved in hosting the event time to recover from the late night. School will begin at 11.00am for all students on Wednesday 5 October.

Early Closure – 17 November

In order to ensure all departments are fully prepared for our annual Sixth Form opening, we will be closing the school early on the day of open evening. On Thursday 17 November school will close at 1.20pm.

Year 7 Parents – Parentmail – Please register now

All new Year 7 parents have been sent a link to enable them to register for Parentmail. Please can we ask all parents to do this, Parentmail is our main facility for communication with you and we cannot stress enough the importance of this. We are endeavouring to use less paper communication and will rely on Parentmail to replace paper copies. Parentmail is also used to pay for all school events and meals.

New Look ebulletin

Over the coming weeks we will be developing a new look ebulletin, if you have any comments or suggestions please email Mrs Sutton – lsutton@hollyfield.kingston.sch.uk.

Changed your address/email/phone number????

If you have changed your contact details, please email the school office on office@hollyfield.kingston.sch.uk stating your child's name and form and the change of details. It is important to keep these details up to date in case of an emergency. Don't forget to update your Parentmail account with your new details.

Water Bottles

Please ensure your child brings a water bottle with them to school every day, it is even more important during hot weather. Our water fountains can be used to refill bottles as necessary during break and lunch, it is not possible to drink from the fountains direct and we do not have bottles or cups to give out to students. Alternatively, bottles of water can be purchased (and refilled) in the cafeteria, please ensure your Parentmail account has enough funds to enable this.

Surbiton Hill Road Entrance for cars

If you drive/collect students to or from school the visitor's car park/Surbiton Hill Road entrance **should not be used to drop off students**. This causes congestion for people entering the site and staff access, cars travelling on Surbiton Hill Road and is potentially dangerous for pedestrians.

Dinner Money Top Up

Please ensure funds are available 24 hours before they are required when topping up your child's dinner money on Parentmail. If you add funds on the day they are to be used we will not be able to see the credit instantly until the system has processed it, therefore creating a delay in your child buying food at the canteen.

Contribution to the School Fund

If you would like to help contribute to the school fund to provide additional facilities to the school and students, please click [here](#) for more information. We acknowledge that not all of our parents can make a commitment on a monthly basis. Having listened to those parents we also understand that some would like to make a contribution whenever they can. A donation payment link is available in your ParentMail account. We are grateful for any contribution you can make, regardless of the amount. Every penny will be spent improving students' experiences. Like the monthly contributions, your donation will go into the school fund. It will be used in accordance with the guidance given to schools regarding parental contributions.

Open Door

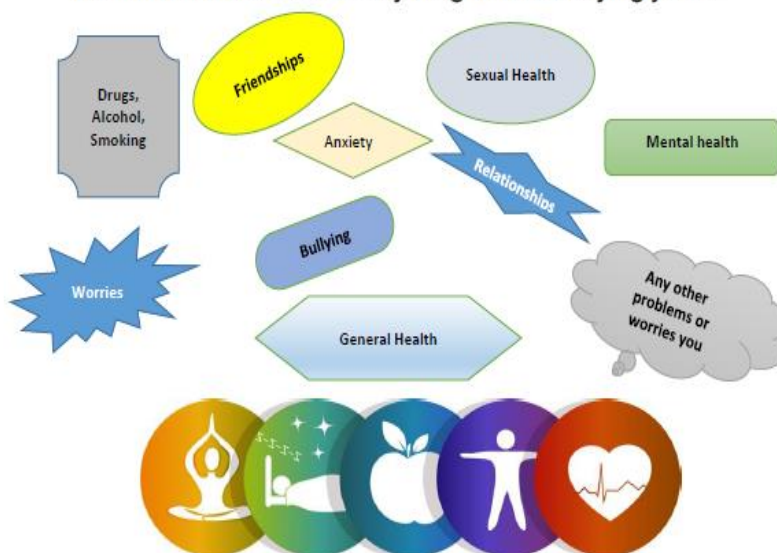

Ms Jackson holds Parent Clinics on Thursday afternoon during term time. These are from 3.00pm-4.30pm for parents/carers to speak directly to her regarding any unresolved concerns/ suggestions. Please contact Louise Sutton to arrange an appointment on 0208 339 4500 or email lsutton@hollyfield.kingston.sch.uk.

CAREERS INFORMATION

Careers Briefing - 29 September 2022
by Mr Poole & Miss Corrighan (Careers team)

Careers Fair Thursday 13 October 2022 6.30-8.30pm

Just under 2 weeks until the careers fair. This event is designed for all students in **Year 11 and the Sixth Form**. **Year 10** students and parents have also asked whether they can attend and whilst it is not compulsory any students from this year group would be welcome!

For Year 11 students this will be a good opportunity to talk through your future plans for next year with a variety of people. For those students in the Sixth Form this careers fair is even more relevant as you can meet employers; representatives for colleges and universities who will be able to advise you on your next steps and hopefully in some cases provide you with useful links for potential work experience. Year 12 will be going out on work experience in the summer and Year 13 will either be going to university or out to work. Any opportunity to talk about future career choices is important at this stage. There could be just one piece of advice or spark of inspiration that will make the difference, careers is not a one off event and students need to continually develop their ideas about their future options through dialogue and planning. This is a good opportunity to network with a wide range of contacts both in work and education.

Year 11

In school this week Year 11 were shown a presentation on 16+ choices [Year 11 Career 2022-2023.pptx](#) and have been asked to answer a careers questionnaire on google classroom.

Calendar 2022-23

Saturday 19 November 2022 at 7.30pm
 All Saints Church, Kingston upon Thames, KT1 1JP
Monteverdi et al – Vespers for the Ascension

with the Monteverdi String Band and the English Cornett & Sackbut Ensemble and Eligio Quinteiro (lute)
 Soloists: Helen Ashby, Kate Ashby (soprano), Emma Ashby, Cara Curran (alto), Jonathan Hanley, Benedict Hymas (tenor), James Arthur, Jimmy Holliday (bass)

The Feast of the Ascension (Festa de la Sènsa) was, and remains, a major public celebration of Venice's glory. It culminates in the renewal of the ritual marriage between the city and the sea, as a symbolic gold ring is thrown into the lagoon. This mouthwatering 'fantasy' Vespers, devised by Andrew Griffiths, brings together music from Monteverdi's later publications with sumptuous motets – including Giovanni Gabrieli and Giovanni Croce – reflecting both the religious and political pomp of this lavish festival.

Saturday 17 December 2022 at 7.30pm
 St Mark's Church, St Mark's Hill, Surbiton KT6 4LS
Make we Merry – A Christmas Concert
 with Gavin Roberts – Piano and Organ

Our Christmas Concert is a great way to get into the Christmas spirit with your family and friends. Enjoy your favourite carols, with opportunities to sing along with the choir, and share drinks and mince pies with us in the interval. This year's edition features the spectacular Make we Merry by contemporary composer, David Bednall. The piece's eight movements weave together texts from across the centuries to depict a host of emotions, from quiet expectation and gentle wonder to boisterous jubilation.

Saturday 25 March 2023 at 7.30pm
 All Saints Church, Kingston upon Thames KT1 1JP
Haydn and Mozart
 with the Thames Sinfonia

Haydn: Inimicus et vanae curae
 Luigi Gatti / Haydn: Creation Mass

Tonight's programme features enduring delights from the classical repertoire, but with a twist! The Creation Mass is a tour de force – a glittering transformation of the choruses from Haydn's oratorio into the form of a Mass by Italian composer, Luigi Gatti.

Saturday 24 June 2023 at 7.30pm
 St Andrew's Church, Maple Road, Surbiton KT6 4DS
This Shining Night: Schubert, Barber, Lauridsen & Chilcott

Kingston Choral Society 2022–2023 Season

We are excited to welcome both regular audiences and new ones to our 2022–23 Season of Concerts.

Musical Director Andrew Griffiths has devised a scintillating musical programme for this year spanning five centuries, starting with Monteverdi and his contemporaries in seventeenth century Venice, and coming right up to date with delightful twenty-first century compositions.

As well as exploring new music from Britain, Ireland and the United States we will be revisiting much loved Schubert, Mozart and Haydn masterpieces – but with an intriguing surprise element.

It will be a terrific season, so do be sure to Save the Dates in this Calendar, and keep an eye on our website for when tickets go on sale.
