"There is a distinct sense of community in the school" Ofsted 2020

### Head's Line:

Dear Hollyfield Community,

I hope that you are all safe and well and enjoying the lovely weather we have been having. We have had a very busy week at school this week; we hosted our first open evening since my appointment and all thoroughly enjoyed it. We have received many emails of thanks from the community with many people being extremely commenting on how articulate, polite and welcoming our students were. I would like to extend my thanks to all those involved in the open evening, but especially to the students; you were wonderful. Well done.

Our open morning tours started this morning and it was great to meet some more Year 5 and Year 6 children and their parents. Our remaining tours were all fully booked, but as we are experiencing such high demand, we have added additional places to some of the tours. As always, these can be booked through our website.

Our Year 11 students and parents should have received their intervention schedule and revision guide material in preparation for their mock exams in November. Please do take the time to go through this with your child. If you have any questions or concerns about anything related to this or the mock exams, then please get in touch with Mr Winpenny, his email address is [mwinpenny@hollyfield.kingston.sch.uk](mailto:mwinpenny@hollyfield.kingston.sch.uk) he will be delighted to help.

Next week we are hosting our annual careers' fair for students in Year 11, Year 12 and Year 13. It will run from 1830 - 2030 on Thursday 13 October. This is a really interesting event for the students and gives them an insight into different career pathways. I hope as many of our older students can attend as possible - there is no need to book a place, just come along and enjoy the evening.

And finally, well done to all of the students who have been attending our extra-curricular clubs. It's not too late to get involved, so I have included a [link](#) to our extra-curricular timetable for your information.

Wishing you all a relaxing weekend.

Ms A Jackson  
Headteacher

## **OTHER NOTICES**

### **Early Closure – 17 November**

In order to ensure all departments are fully prepared for our annual Sixth Form opening, we will be closing the school early on the day of open evening. On Thursday 17 November school will close at 1.20pm.

### **Year 7 Parents – Parentmail – Please register now**

All new Year 7 parents have been sent a link to enable them to register for Parentmail. Please can we ask all parents to do this, Parentmail is our main facility for communication with you and we cannot stress enough the importance of this. We are endeavouring to use less paper communication and will rely on Parentmail to replace paper copies. Parentmail is also used to pay for all school events and meals.

### **New Look ebulletin**

Over the coming weeks we will be developing a new look ebulletin, if you have any comments or suggestions please email Mrs Sutton – [lsutton@hollyfield.kingston.sch.uk](mailto:lsutton@hollyfield.kingston.sch.uk).

### **Changed your address/email/phone number????**

If you have changed your contact details, please email the school office on [office@hollyfield.kingston.sch.uk](mailto:office@hollyfield.kingston.sch.uk) stating your child's name and form and the change of details. It is important to keep these details up to date in case of an emergency. Don't forget to update your Parentmail account with your new details.

### **Water Bottles**

Please ensure your child brings a water bottle with them to school every day, it is even more important during hot weather. Our water fountains can be used to refill bottles as necessary during break and lunch, it is not possible to drink from the fountains direct and we do not have bottles or cups to give out to students. Alternatively, bottles of water can be purchased (and refilled) in the cafeteria, please ensure your Parentmail account has enough funds to enable this.

### **Surbiton Hill Road Entrance for cars**

If you drive/collect students to or from school the visitor's car park/Surbiton Hill Road entrance **should not be used to drop off students**. This causes congestion for people entering the site and staff access, cars travelling on Surbiton Hill Road and is potentially dangerous for pedestrians.

### **Dinner Money Top Up**

Please ensure funds are available 24 hours before they are required when topping up your child's dinner money on Parentmail. If you add funds on the day they are to be used we will not be able to see the credit instantly until the system has processed it, therefore creating a delay in your child buying food at the canteen.

### **Contribution to the School Fund**

If you would like to help contribute to the school fund to provide additional facilities to the school and students, please click [here](#) for more information. We acknowledge that not all of our parents can make a commitment on a monthly basis. Having listened to those parents we also understand that some would like to make a contribution whenever they can. A donation payment link is available in your ParentMail account. We are grateful for any contribution you can make, regardless of the amount. Every penny will be spent improving students' experiences. Like the monthly contributions, your donation will go into the school fund. It will be used in accordance with the guidance given to schools regarding parental contributions.

### **Open Door**

Ms Jackson holds Parent Clinics on Thursday afternoon during term time. These are from 3.00pm-4.30pm for parents/carers to speak directly to her regarding any unresolved concerns/ suggestions. Please contact Louise Sutton to arrange an appointment on 0208 339 4500 or email [lsutton@hollyfield.kingston.sch.uk](mailto:lsutton@hollyfield.kingston.sch.uk).

Achievement and behaviour points are awarded every day at Hollyfield in line with our school policy and are a fundamental part of school life. Students are rewarded in their classes for a range of different behaviours, this includes engagement in learning, showing progress, contributing to learning, helping others and many more. The school also runs gives out termly prizes for great progress, engagement in learning, attendance and also contribution to school life. We also continually try to celebrate the successes of our students outside of school life and encourage all students to be proud of their successes in whatever area they come from.

Behaviour points are given to students in line with our behaviour policy. At the heart of our behaviour policy is restorative approaches which is a strategy the school uses to allow students to discuss their behaviours with one another and also key staff and to move past incidents in a non-judgemental way.

## CAREERS INFORMATION

**Careers Briefing - October 7 2022**  
by Mr Poole & Miss Corrighan (Careers team)

### Careers Fair Thursday 13 October 2022 - 6.30-8.30pm

The aim of the evening is to get students talking and thinking about their future. However, even if the job, occupational or careers area is not represented there will be the opportunity to talk to a wide variety of people from different business and educational backgrounds.

One important strand of good careers' education is for young people to have multiple opportunities to engage with employers, universities, colleges and apprentices and this evening provides this chance. Recent research has shown that students who have the opportunity to meet with employers on a regular basis are five times as likely to gain employment.

This careers evening is also a great opportunity for students to build their confidence in networking skills and for Sixth Formers to meet potential work experience contacts. We have representatives from:

- Armed Forces, Police and Fire Service
- Property Services and Building industry
- Finance and banking
- Medicine and Healthcare
- Engineering
- Computing & Technology
- Media and TV
- The Creative Industries
- The Law
- Hairdressing
- Sport
- Sciences
- Government
- Apprenticeship Providers
- Universities
- Colleges & HF Sixth Form

Please see link for the assembly Mr Poole delivered to Year 11 this week about the event:

## Calendar 2022-23

**Saturday 19 November 2022 at 7.30pm**  
All Saints Church, Kingston upon Thames, KT1 1JP  
**Monteverdi et al – Vespers for the Ascension**  
with the Monteverdi String Band and the English Cornett & Sackbut Ensemble and Eligio Quinteiro (lute)  
Soloists: Helen Ashby, Kate Ashby (soprano), Emma Ashby, Cara Curran (alto), Jonathan Hanley, Benedict Hymas (tenor), James Arthur, Jimmy Holliday (bass)

The Feast of the Ascension (Festa de la Sènsa) was, and remains, a major public celebration of Venice's glory. It culminates in the renewal of the ritual marriage between the city and the sea, as a symbolic gold ring is thrown into the lagoon. This mouthwatering 'fantasy' Vespers, devised by Andrew Griffiths, brings together music from Monteverdi's later publications with sumptuous motets – including Giovanni Gabrieli and Giovanni Croce – reflecting both the religious and political pomp of this lavish festival.

**Saturday 17 December 2022 at 7.30pm**  
St Mark's Church, St Mark's Hill, Surbiton KT6 4LS  
**Make we Merry – A Christmas Concert**  
with Gavin Roberts – Piano and Organ

Our Christmas Concert is a great way to get into the Christmas spirit with your family and friends. Enjoy your favourite carols, with opportunities to sing along with the choir, and share drinks and mince pies with us in the interval. This year's edition features the spectacular Make we Merry by contemporary composer, David Bednall. The piece's eight movements weave together texts from across the centuries to depict a host of emotions, from quiet expectation and gentle wonder to boisterous jubilation.

**Saturday 25 March 2023 at 7.30pm**  
All Saints Church, Kingston upon Thames KT1 1JP  
**Haydn and Mozart**  
with the Thames Sinfonia

Haydn: Inimicus et vanae curae  
Luigi Gatti / Haydn: Creation Mass  
Mozart: Mass in C Minor

Tonight's programme features enduring delights from the classical repertoire, but with a twist! The Creation Mass is a tour de force – a glittering transformation of the choruses from Haydn's oratorio into the form of a Mass by Italian composer, Luigi Gatti.

**Saturday 24 June 2023 at 7.30pm**  
St Andrew's Church, Maple Road, Surbiton KT6 4DS  
**This Shining Night: Schubert, Barber, Lauridsen & Chilcott**  
Gavin Roberts – Piano and Organ

Radiant music for a midsummer evening, including four Schubert Part Songs, luscious settings by Samuel Barber and Morten Lauridsen of Sure on this Shining Night, and the beautiful Canticles of Light by Bob Chilcott.

### Kingston Choral Society 2022–2023 Season

We are excited to welcome both regular audiences and new ones to our 2022–23 Season of Concerts.

Musical Director Andrew Griffiths has devised a scintillating musical programme for this year spanning five centuries, starting with Monteverdi and his contemporaries in seventeenth century Venice, and coming right up to date with delightful twenty-first century compositions.

As well as exploring new music from Britain, Ireland and the United States we will be revisiting much loved Schubert, Mozart and Haydn masterpieces – but with an intriguing surprise element.

It will be a terrific season, so do be sure to Save the Dates in this Calendar, and keep an eye on our website for when tickets go on sale.
