"There is a distinct sense of community in the school" Ofsted 2020

Head's Line:

Dear Hollyfield Community,

I hope that you enjoyed the weekend and are looking forward to the half term break. Last week we hosted our annual careers' fair, which was led by Mr Poole, our careers' co-ordinator. We had over 80 visitors come into school to talk to our students in Year 11- Year 13 about possible career pathways. It was a great event and we are extremely grateful to all the guests who supported the evening.

Today is the last day of our parent tours for parents of Year 5 and Year 6 pupils. We have hosted 11 tours over the past couple weeks and really enjoyed meeting all of the parents and children. I'd like to extend a special thanks to our Hollyfield Ambassadors, who have been really helpful in answering questions on each of the tours.

The last day of this half term is Wednesday 19 October. Please note that this will be a mufti day to raise money for the Grace Dear Trust and YoungMinds. Pupils are encouraged to wear something purple or something yellow; the colours of the charities we are representing.

Students will return to school on Wednesday 2 November, except students in Year 13 and Year 11 who will return on Tuesday 1 November. Year 13 students will come in at the normal time of 8:30am and will have their normal timetabled lessons and those in Year 11 should arrive for 10.15am ready for the two mock exams they will sit on this day. Mr Winpenny has written to parents with full details of the mock papers, I enclose a link to his communication [here](#).

And finally, I have mentioned to parents during the parent information evenings that we are aiming to launch residential trips for all year groups this year. Every parent should receive a letter from me this week on Parentmail about the trips open to your child. We have mapped out all the trips offered in one communication so that parents can decide which (if any) trips they would like their children to go on. We have done this for your planning purposes, we hope it is useful.

Regards.

Ms A Jackson
Headteacher

Message from the Prefect Team - Halloween Bake Sale

Due to the recent cost of living crisis, Hollyfield has partnered with the charity 'CRISIS' who offer year-round education, employment, housing and well-being services for those affected by homelessness. Therefore, on Wednesday 19 October (the last day of half-term) we are organising a halloween themed bake sale with all proceeds going to CRISIS. We would be very grateful if your son or daughter would be able to contribute towards this. Any baking donation, whether large or small will be greatly appreciated and as I hope that you agree, to a very worthwhile cause!

If you son or daughter would like to contribute, please can they bring their donations before the start of school to the sixth form common room. The bake sale will take place at 15:00 under the Dome. As a courtesy reminder, please can we ask that no products that contain nuts are brought in.

Thank you in advance.

Kind regards,
The Charity Prefect Team

OTHER NOTICES

Early Closure – 17 November

In order to ensure all departments are fully prepared for our annual Sixth Form opening, we will be closing the school early on the day of open evening. On Thursday 17 November school will close at 1.20pm.

Year 7 Parents – Parentmail – Please register now

All new Year 7 parents have been sent a link to enable them to register for Parentmail. Please can we ask all parents to do this, Parentmail is our main facility for communication with you and we cannot stress enough the importance of this. We are endeavouring to use less paper communication and will rely on Parentmail to replace paper copies. Parentmail is also used to pay for all school events and meals.

Changed your address/email/phone number????

If you have changed your contact details, please email the school office on office@hollyfield.kingston.sch.uk stating your child's name and form and the change of details. It is important to keep these details up to date in case of an emergency. Don't forget to update your Parentmail account with your new details.

Water Bottles

Please ensure your child brings a water bottle with them to school every day, it is even more important during hot weather. Our water fountains can be used to refill bottles as necessary during break and lunch, it is not possible to drink from the fountains direct and we do not have bottles or cups to give out to students. Alternatively, bottles of water can be purchased (and refilled) in the cafeteria, please ensure your Parentmail account has enough funds to enable this.

Surbiton Hill Road Entrance for cars

If you drive/collect students to or from school the visitor's car park/Surbiton Hill Road entrance **should not be used to drop off students**. This causes congestion for people entering the site and staff access, cars travelling on Surbiton Hill Road and is potentially dangerous for pedestrians.

Dinner Money Top Up

Please ensure funds are available 24 hours before they are required when topping up your child's dinner money on Parentmail. If you add funds on the day they are to be used we will not be able to see the credit instantly until the system has processed it, therefore creating a delay in your child buying food at the canteen.

Contribution to the School Fund

If you would like to help contribute to the school fund to provide additional facilities to the school and students, please click [here](#) for more information. We acknowledge that not all of our parents can make a commitment on a monthly basis. Having listened to those parents we also understand that some would like to make a contribution whenever they can. A donation payment link is available in your ParentMail account. We are grateful for any contribution you can make, regardless of the amount. Every penny will be spent improving students' experiences. Like the monthly contributions, your donation will go into the school fund. It will be used in accordance with the guidance given to schools regarding parental contributions.

Open Door

Ms Jackson holds Parent Clinics on Thursday afternoon during term time. These are from 3.00pm-4.30pm for parents/carers to speak directly to her regarding any unresolved concerns/ suggestions. Please contact Louise Sutton to arrange an appointment on 0208 339 4500 or email lsutton@hollyfield.kingston.sch.uk.

"The school has developed its curriculum far beyond regular lessons" Ofsted 2020

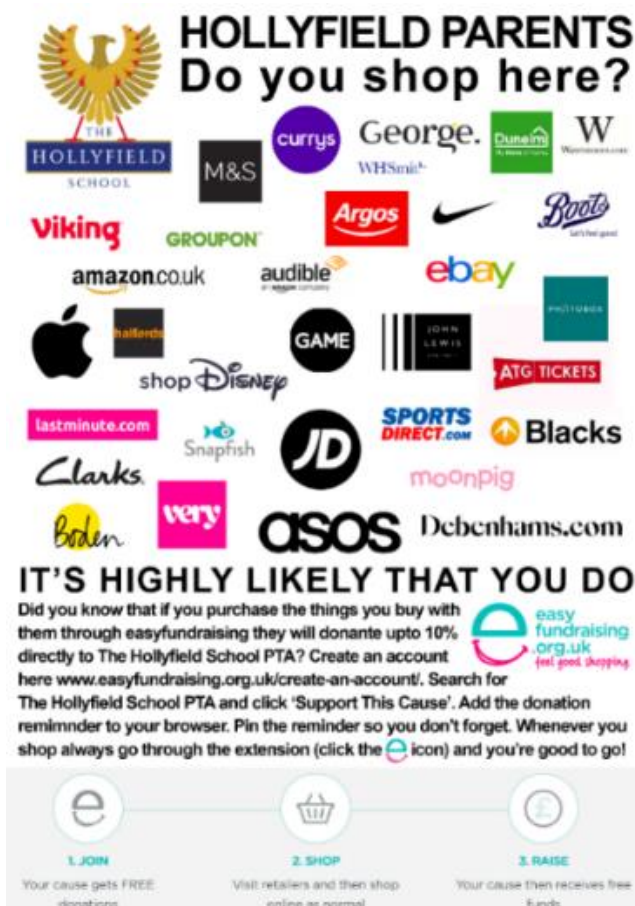

THANK YOU!

...FOR YOUR CONTRIBUTIONS TO THE SCHOOL FUND

Thank you to all the parents that make a monthly contribution to the school.

We acknowledge that not all of our parents can make a commitment on a monthly basis. Having listened to those parents we also understand that some would like to make a contribution whenever they can.

To make this possible, we have set up a donation payment link in your ParentMail account. Simply login to ParentMail, click on Payments and Shop, select 'Parent Donation'. We are grateful for any contribution you can make, regardless of the amount. Every penny will be spent improving students' experiences.

In Safe Hands

Welcome to a new addition of the weekly newsletter! The Safeguarding Shout Out, *In Safe Hands*.

Each week the Safeguarding and Pastoral Team would like to share with you new information, updates and advice on keeping your child, your teenager, safe.

Subjects we are keen to address range from Keeping Safe Online, to Mental Health and Contextual Safeguarding. We aim to be specific and share updates on topics which are impacting our young people from vaping to self-harm to name calling and emotional abuse. We know this because we ask the students, they will help us to choose the topics we plan on addressing. We also want to ask you - so please do keep in touch and let us know if there is a safeguarding subject you would like more information on.

The saying '**forewarned is forearmed**', means if you know about a problem or situation in advance, you will be able to deal with it when you need to -and that is why we want to work with you: to share school experiences with you, the parents, whilst always keeping the students at the centre of our thoughts and decision making.

So, this week we have 2 pieces of Safeguarding Information to pass on to you:

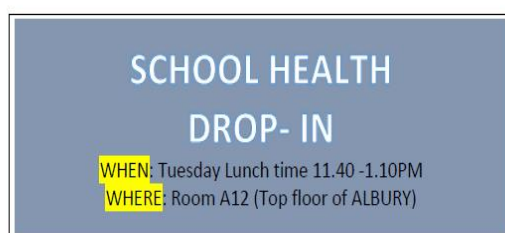

AfC Survey of families

The link below is a survey for families from Achieving for Children (Kingston and Richmond Local Authority) to identify what needs they have and how these could be met. Please click on the link below and have your say! <https://haveyoursay.citizenspace.com/afc/family22/>

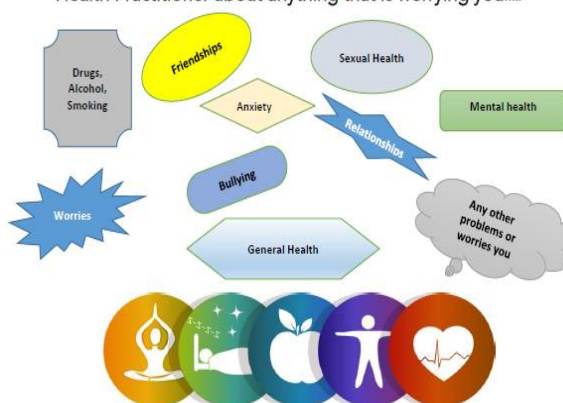

Urgent mental health support

All London mental health trusts have a free telephone service, supported by trained mental health advisors and clinicians, open 365 days a year. These enable children, young people and their families and teachers to get free urgent mental health support 24/7.

ACHIEVEMENT POINTS

Achievement and behaviour points are awarded every day at Hollyfield in line with our school policy and are a fundamental part of school life. Students are rewarded in their classes for a range of different behaviours, this includes engagement in learning, showing progress, contributing to learning, helping others and many more. The school also runs gives out termly prizes for great progress, engagement in learning, attendance and also contribution to school life. We also continually try to celebrate the successes of our students outside of school life and encourage all students to be proud of their successes in whatever area they come from.

Behaviour points are given to students in line with our behaviour policy. At the heart of our behaviour policy is restorative approaches which is a strategy the school uses to allow students to discuss their behaviours with one another and also key staff and to move past incidents in a non-judgemental way.

Year 7

We've fast approached the end of the first half term for the Year 7's at Hollyfield and wow have they been impressing us! It has been great to see the students getting involved with the sporting and other extra-curricular clubs, putting some great effort into their homework and classwork and seeing so many of the students helping out on Open Evening to show the potential future Year 7's what a wonderful school Hollyfield is. As we come into the new half term we will be looking at a variety of themes but one of our big focuses will be anti-bullying week where we will be raising awareness and money for charity.

When the students return they will finish at 15:05 with the rest of the school so please ensure that your child is aware of this for their return.

Lastly a reminder that if you need any help or have any questions please do get in touch with me on jblakley@hollyfield.kingston.sch.uk.

I hope that you all have a wonderful half term break and I look forward to welcoming back the students.

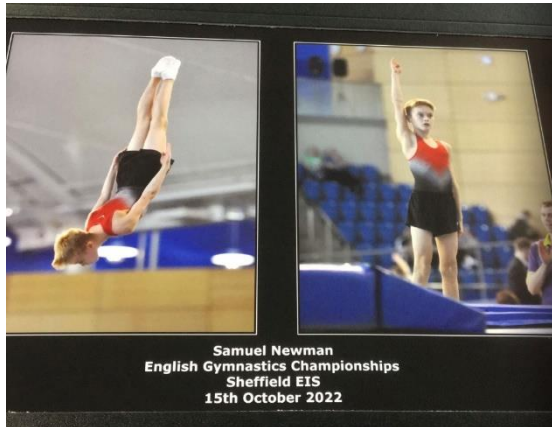

Miss O'Shea's Teaching & Learning Update

I am sure the young people in your home are taking full advantage of our wonderful selection of extra-curricular activities, which can be found on our website in the 'Beyond the Classroom' section and also in the bulletin each week. In addition to the weekly clubs and team fixtures, there have been some fabulous extra-curricular treats for our students. Miss Roberts shared a wonderful photo (below) of our students with Harlequins Women's Rugby star, Izzy Mayhew, who came to Hollyfield to deliver a workshop. Ms Cotton, our fabulous Head of Art, arranged a talk by an incredibly successful visual artist, Christian Manz, for GCSE and A Level Artists, in order to help them understand what a career in the arts could entail.

Mr Buckman and Ms Alam have been spearheading the student leadership programme at Hollyfield this term, and their prefects in Years 11 and 12 have been meeting in committees, to discuss ideas for inter house competitions, peer mentoring, the environment and fundraising. Pictured below are two members of the fundraising committee advertising their first big event: a Halloween bake sale to raise funds for Crisis. You will also see below the happy faces of Sebastian and Muhammad in Year 7, who won a postcard competition in Maths. Their designs (and the design of Saya) will be used by Maths teachers to send praise postcards home to recognise the fantastic work of students in Maths throughout the year. Well done, all of you!

We are very proud of Samuel Newman, who achieved 3rd place in his age group in the English DMT Championships. We are very proud of him. You can see more about his achievement here: <https://www.gymdata.co.uk/events/scores.aspx?type=individual&eid=2281&coid=40> We are also really proud of Massimo in Year 7, who is currently appearing in The Dumping Ground on CBBC. You can catch him introducing his character here: <https://www.youtube.com/watch?app=desktop&v=Sfz-O051XZ8&t=3s>

If you have a good news story about your children's achievements beyond the school gates, we'd love to hear about and celebrate it - so do, please, get in touch.

The Future Careers Fair 13 October 2022

The Careers Fair was well attended on what proved to be a successful evening! Employers and other guests were very complimentary about how well prepared, polite and engaged our young people were and how there were many constructive and thoughtful discussions about careers. The school looks forward to organising other careers events which will provide opportunities for students to engage with employers, colleges, universities and apprentice providers as it all helps them to make more informed choices for the future. A big thank you to those parents and governor who volunteered to help.

 Soloists: Helen Ashby, Kate Ashby (soprano), Emma Ashby, Cara Curran (alto), Jonathan Hanley, Benedict Hymas (tenor), James Arthur, Jimmy Holliday (bass)

The Feast of the Ascension (Festa de la Sènsa) was, and remains, a major public celebration of Venice's glory. It culminates in the renewal of the ritual marriage between the city and the sea, as a symbolic gold ring is thrown into the lagoon. This mouthwatering 'fantasy' Vespers, devised by Andrew Griffiths, brings together music from Monteverdi's later publications with sumptuous motets – including Giovanni Gabrieli and Giovanni Croce – reflecting both the religious and political pomp of this lavish festival.

The piece's eight movements weave together texts from across the centuries to depict a host of emotions, from quiet expectation and gentle wonder to boisterous jubilation.

Kingston Choral Society 2022–2023 Season

We are excited to welcome both regular audiences and new ones to our 2022–23 Season of Concerts.

Musical Director Andrew Griffiths has devised a scintillating musical programme for this year spanning five centuries, starting with Monteverdi and his contemporaries in seventeenth century Venice, and coming right up to date with delightful twenty-first century compositions.

As well as exploring new music from Britain, Ireland and the United States we will be revisiting much loved Schubert, Mozart and Haydn masterpieces – but with an intriguing surprise element.

It will be a terrific season, so do be sure to Save the Dates in this Calendar, and keep an eye on our website for when tickets go on sale.
