“There is a distinct sense of community in the school” Ofsted 2020

Head's Line:

Dear Hollyfield Community,

I hope you all had a restful half term and are looking forward to the weekend.

Strike Day: Thursday 2 March

As parents will be aware, the NEU (National Education Union) is planning industrial action on Thursday 2 March. As a result of this action the following provision will be made:

- The school will be open as normal to those students in the sixth form. Mr Warren has written to parents to explain how students' school day will be managed if any of their teachers are taking part in the industrial action.
- The school will be closed to pupils in Year 7 – Year 11. Students in Year 9 – Year 11 will move to online learning from home. We have made the decision to move online as there is a risk we will not have enough staff on site to ensure the students are safe. We have completed our working from home tester morning and so all students should be in a position to dial into their lessons from home. The nature of the strike means that we will not know which teachers are striking until the morning of the strike. With this in mind, there will not be any lessons until period 2 on that day. There will not be a morning registration period. On that morning, we will publish a timetable of the lessons going ahead and work will be posted in the google classroom for lessons which cannot run as the teacher is taking strike action. Where lessons are running, pupils should go to their google classroom and dial in using the link on the classroom. As a reminder, our timings of the school day are as follows:

- Please note we do expect students to attend all online sessions that are running.
- Students in Year 9 – Year 11 with an EHCP will be offered a place in school to complete the online learning, where they will be supported by our SEND team. Mrs Burrows will contact the parents of these students separately with full details. If there are any students in Year 9 – Year 11 who do not have access to a device with which to work from home, please contact Mr Bonehill on dbonehill@hollyfield.kingston.sch.uk who will be delighted to help.
- Students in Year 7 and Year 8 will be set enrichment activities on the google classroom which they can complete at home, if they wish to do so. Likewise, parents and carers may decide to make use of the time in another way. older students. We have prioritised the older students in offering online learning, as per the government guidance. However, we are confident that we will be able to resolve any issues which arise next Thursday. Therefore, should the final two strike days go ahead, students in these year groups will also be offered online provision.
- Students who we deem to be vulnerable have been offered a place in school where they will complete enrichment activities for the day. Mrs Burrows and Ms Patel have been in touch with parents of these students with details of the offer.
- If your child is eligible for free school meals then you should have received vouchers for all four strike days in place of your child's free school meal. If you have not received these vouchers then please get in touch with Mr Winpenny on mwinpenny@hollyfield.kingston.sch.uk who will be delighted to help.

As I have said previously, I am sure that parents will read this and potentially feel a sense of frustration. I am a parent myself and understand that many of you will have to adjust your working days, and you may have concerns about your child missing parts of their education. As I said last previously, the school and the trust considers strike action to be a fundamental right of the profession. Whilst parents will, inevitably, experience some inconvenience, please remember that the industrial action has met all legal requirements and that any teacher going on strike will not have taken that decision lightly. Once again, as I have said before, whatever our political views are, all teachers, support staff and parents want the very best for the children in our community. With that in mind, I would encourage tolerance, sympathy and respect for everyone's rights whatever our political opinions might be.

And finally

I would like to extend my heartfelt thanks to the whole community for your response to our request for donations to support the crisis in Turkey and Syria. As I write this, the finance department is still calculating the final total collected, but they assure me that this will be the largest amount of money ever collected on a mufti day. This is coupled with the generous donations of resources, which we will pass onto our charity partners. I am aware that there are members of our community who have family and friends directly affected by the tragedy; they remain in our thoughts.

On a different note, I am looking forward to the PTA quiz for Year 7 students and their families this evening. I look forward to seeing many of you there. Have a lovely weekend.

Ms A Jackson
Headteacher

OTHER NOTICES

Reporting your child's absence

When reporting your child's absence from school on the dedicated absence line, please ensure you provide their name, year and registration group, reason for absence and your details, please ensure you spell out your child's name to ensure they are marked correctly.

Valuables in school

The school policy and guidance with regard to pupil possessions is clear that they are brought into school at their own risk. The Hollyfield School does not accept liability for any items that may be lost, damaged or stolen. While theft is taken extremely seriously and thoroughly investigated, the school is not in a position to cover the cost of any item stolen.

Of course, with respect to the last point, steps and measures are put in place to mitigate against such circumstances, especially during PE and Games lessons, where pupils' items are locked in the changing rooms. While this is standard procedure, there may be some extenuating circumstances where this cannot always be guaranteed. Therefore, I would urge your son/daughter not to bring expensive items into school.

Medical Health Care Plans

Please can we remind all parents to complete a MHCP for any student with a medical condition if you have not already done so. Also, if there are any changes to a current plan please complete and submit a new MHCP so we can update our records. You can [print a form](#) and return it to school.

Changed your address/email/phone number????

If you have changed your contact details, please email the school office on office@hollyfield.kingston.sch.uk stating your child's name and form and the change of details. It is important to keep these details up to date in case of an emergency. Don't forget to update your Parentmail account with your new details.

Water Bottles

Please ensure your child brings a water bottle with them to school every day, it is even more important during hot weather. Our water fountains can be used to refill bottles as necessary during break and lunch, it is not possible to drink from the fountains direct and we do not have bottles or cups to give out to students. Alternatively, bottles of water can be purchased (and refilled) in the cafeteria, please ensure your Parentmail account has enough funds to enable this.

Surbiton Hill Road Entrance for cars

If you drive/collect students to or from school the visitor's car park/Surbiton Hill Road entrance **should not be used to drop off students**. This causes congestion for people entering the site and staff access, cars travelling on Surbiton Hill Road and is potentially dangerous for pedestrians.

Dinner Money Top Up

Please ensure funds are available 24 hours before they are required when topping up your child's dinner money on Parentmail. If you add funds on the day they are to be used we will not be able to see the credit instantly until the system has processed it, therefore creating a delay in your child buying food at the canteen.

Contribution to the School Fund

If you would like to help contribute to the school fund to provide additional facilities to the school and students, please click [here](#) for more information. We acknowledge that not all of our parents can make a commitment on a monthly basis. Having listened to those parents we also understand that some would like to make a contribution whenever they can. A donation payment link is available in your ParentMail account. We are grateful for any contribution you can make, regardless of the amount. Every penny will be spent improving students' experiences. Like the monthly contributions, your donation will go into the school fund. It will be used in accordance with the guidance given to schools regarding parental contributions.

Open Door

Ms Jackson holds Parent Clinics on Thursday afternoon during term time. These are from 3.00pm-4.30pm for parents/carers to speak directly to her regarding any unresolved concerns/ suggestions. Please contact Louise Sutton to arrange an appointment on 0208 339 4500 or email lsutton@hollyfield.kingston.sch.uk.

ACHIEVEMENT POINTS

Achievement and behaviour points are awarded every day at Hollyfield in line with our school policy and are a fundamental part of school life. Students are rewarded in their classes for a range of different behaviours, this includes engagement in learning, showing progress, contributing to learning, helping others and many more. The school also runs gives out termly prizes for great progress, engagement in learning, attendance and also contribution to school life. We also continually try to celebrate the successes of our students outside of school life and encourage all students to be proud of their successes in whatever area they come from.

Behaviour points are given to students in line with our behaviour policy. At the heart of our behaviour policy is restorative approaches which is a strategy the school uses to allow

students to discuss their behaviours with one another and also key staff and to move past incidents in a non-judgemental way.

Both of the school's rewards and behaviour policies can be found on the school website and if you have any questions about them please don't hesitate to contact Miss Patel (Assistant Headteacher).

MISS O'SHEA'S TEACHING & LEARNING UPDATE

Have you created a piece of amazing artwork at home or at school? If so, why not enter it into the Royal Academy Young Artists Summer Show! If your work is selected it will go into an exhibition this Summer at the Royal Academy of Art in London.

Hollyfield are signed up so all you need to do is take a good photo of your work in natural light - midday is the best time to take your picture. Make sure the photo is not blurry and crop it so all you can see is the art, no table or other objects around.

Then get your parent or carer to click the link below and upload your photo along with a few other details. It is really easy. It would be great to have as many entries from Hollyfield as possible!!

Students in Year 11, 12 and 13, we will be selecting some of your school work for entry but if you have anything that you have done outside of school please feel free to enter that also.

Click this link:

<https://youngartists.royalacademy.org.uk>

Deadline for submissions is 29 March.

Numeracy week is coming up and there's going to be lots of prizes to be won. Maths teachers will explain everything to their classes next week!

GETTING TO KNOW THE.....

Data & Exams Department

Debbie O'Donnell is our Cover & Data Manager and has worked for Hollyfield for 5 years and has worked in education for 20 years. Debbie starts at 7am every morning to make sure all lessons are covered due to any staff absences. She also produces timetables for staff, students and oversees all school reports. Her family are all Fulham supporters and enjoy going to the home games. She was also a former pupil in the 80's!

Sumangali Ganendiran is our Examinations Officer has been working at Hollyfield for last 20 years. The Exams Department is one of the busiest departments at Hollyfield School. We deal with all the entries relating to internal and external examinations for Year 11, 12 and 13 students. Any queries from parents, students and Awarding bodies relating to exams are processed by the Exams Officer. She spends most of the spare time doing gardening and dress making.

Maria Hill is our Data and Exams Assistant who started working at Hollyfield as a temp in April 2022 and became a permanent member in May 2022! Maria creates mark sheets for the teachers to enter their data for their students with set deadlines and chases the data for all year groups and produces school reports. Maria also assists the exams officer by producing student timetables, completing seat planning and help prepare for each exam

throughout the year. Maria used to be a talented gymnast 20 years ago competing in competitions and represented Kingston in the London Youth games!

History Department

Miss Lowery: our team leader and head of department, Miss Lowery is the second longest serving member of the department. She studied at Sheffield and Exeter, fitting in some travelling and various interesting jobs, before teaching in Oxford, then Surbiton. Outside work she likes to wind down with a (sometimes trashy) historical novel, zumba and singing in a local choir. She has two children who have to spend their holidays getting dragged around cultural and historical sites.

Mr Russell: Mr Russell teaches history and politics, and has been here so long he is part of the history of Hollyfield! Outside of school he likes fishing, horse racing and owns a share of a racehorse Gerico Ville. As well as teaching he holds qualifications in wine. He has three kids, all now 18 + and likes football, especially watching his beloved Chelsea and Wimbledon men and women.

Ms Bras: new to the department Ms Bras comes from Christchurch, NZ and moved after the earthquakes devastated the city in 2011. Interesting fact- NZ had over 10 000 earthquakes in one year and she had to school-share with another school that had to be knocked down. Outside school she used to do musicals when at school and sing in a covers band! A self-proclaimed terrible netball player, Ms Bras likes to spend her time off with her two year old son.

Mr Buckman teaches history and politics in addition to his role as Assistant Headteacher. He has a real passion for British political and constitutional history. Prior to teaching Mr Buckman worked at Buckingham Palace amongst other royal institutions and was privileged to meet the late Queen Her Majesty Queen Elizabeth II. Outside of school Mr Buckman is a sports fan, following the cricket, football and rugby and likes to unwind with a game of darts.

Miss Kettell: Miss Kettell is new to the department and has recently moved to the area from Gloucestershire. Prior to this she lived in Cardiff for 5 years and developed a fondness for Welsh rugby whilst there. Outside of work she has a passion for Formula One and can be found spending her weekends getting up at the crack of dawn to watch 20 cars drive in circles - a questionable hobby even in her eyes!

IT Department

Information Technology is a vital and integral part of every organisation. Our IT Technical Team is managed by our highly qualified IT Manager, Noohad Khan, who is a postgraduate with 18 years of IT experience within the Educational sector. Charlie Green is our young and vibrant Chief IT Technician who's been with us for the last couple of years. Both Noohad and Charlie are ex-Hollyfield students.

Comprised of a diverse duo of tech-savvy professionals, they are responsible for ensuring that the school's technology infrastructure is up-to-date, secure, and functioning smoothly. From troubleshooting technical issues to managing the school's network and servers. This team of experts plays a critical role in keeping students and staff connected and productive. Whether it's helping teachers set up their classroom technology, ensuring that students have access to the latest software, or providing training to staff, the IT team at Hollyfield is dedicated to providing the highest level of support to the entire school community. Their commitment to excellence and their ability to stay on the cutting edge of technology make them an essential part of the school's success.
