“There is a distinct sense of community in the school” Ofsted 2020

## Head's Line:

Dear Hollyfield Community

I hope you have all enjoyed your week. We finished a week of activities for both numeracy week and world book week with our numeracy bake off today. This was hotly contested by staff and students and there was a wonderful display of all types of cakes related to maths. Well done to all who participated and to those who contributed to charity by buying some cake.

As parents will know there are two more strike days planned next week. They are on Wednesday 15 March and Thursday 16 March. On these days the school will be closed to all students (including those in the sixth form) except those in Year 11 and those who are vulnerable or who have an EHCP. Students in Year 11 will continue with their mock exams and Mr Winpenny has written to parents separately to explain how this will work. The mock exams are invigilated by external invigilators who are not part of the strike, so this is how we are able to continue with this provision. All learning for Years 7-10 and Years 12 and 13 will move online. We have made the decision to move online as there is a risk we will not have enough staff on site to ensure the students are safe. We have completed our working from home tester morning and so all students should be in a position to dial into their lessons from home. The nature of the strike means that we will not know which teachers are striking until the morning of the strike. With this in mind, there will not be any lessons until period 2 on that day. There will not be a morning registration period. On that morning, we will publish a timetable of the lessons going ahead and work will be posted in the google classroom for lessons which cannot run as the teacher is taking strike action. Where lessons are running, pupils should go to their google classroom and dial in using the link on the classroom. As a reminder, our timings of the school day are as follows:

Please note we do expect students to attend all online sessions that are running. Students with an EHCP or who we deem to be vulnerable will be offered a place in school to complete the online learning, where they will be supported by our SEND team. Mrs Burrows will contact the parents of these students separately with full details. If there are any students who do not have access to a device with which to work from home, please contact Mr Bonehill on [dbonehill@hollyfield.kingston.sch.uk](mailto:dbonehill@hollyfield.kingston.sch.uk) who will be delighted to help.

If your child is eligible for free school meals then you should have received vouchers for all four strike days in place of your child's free school meal. If you have not received these vouchers then please get in touch with Mr Winpenny on [mwinpenny@hollyfield.kingston.sch.uk](mailto:mwinpenny@hollyfield.kingston.sch.uk) who will be delighted to help.

And finally, please can I remind all parents that the CAS day booking form will open on Monday morning at 0745, please remember to book your child onto their preferred trip.

Wishing you all a restful weekend.

## **OTHER NOTICES**

### **Reporting your child's absence**

When reporting your child's absence from school on the dedicated absence line, please ensure you provide their name, year and registration group, reason for absence and your details, please ensure you spell out your child's name to ensure they are marked correctly.

### **Valuables in school**

The school policy and guidance with regard to pupil possessions is clear that they are brought into school at their own risk. The Hollyfield School does not accept liability for any items that may be lost, damaged or stolen. While theft is taken extremely seriously and thoroughly investigated, the school is not in a position to cover the cost of any item stolen.

Of course, with respect to the last point, steps and measures are put in place to mitigate against such circumstances, especially during PE and Games lessons, where pupils' items are locked in the changing rooms. While this is standard procedure, there may be some extenuating circumstances where this cannot always be guaranteed. Therefore, I would urge your son/daughter not to bring expensive items into school.

### **Medical Health Care Plans**

Please can we remind all parents to complete a MHCP for any student with a medical condition if you have not already done so. Also, if there are any changes to a current plan please complete and submit a new MHCP so we can update our records. You can [print a form](#) and return it to school.

### **Changed your address/email/phone number????**

If you have changed your contact details, please email the school office on [office@hollyfield.kingston.sch.uk](mailto:office@hollyfield.kingston.sch.uk) stating your child's name and form and the change of details. It is important to keep these details up to date in case of an emergency. Don't forget to update your Parentmail account with your new details.

### **Water Bottles**

Please ensure your child brings a water bottle with them to school every day, it is even more important during hot weather. Our water fountains can be used to refill bottles as necessary during break and lunch, it is not possible to drink from the fountains direct and we do not have bottles or cups to give out to students. Alternatively, bottles of water can be purchased (and refilled) in the cafeteria, please ensure your Parentmail account has enough funds to enable this.

### **Surbiton Hill Road Entrance for cars**

If you drive/collect students to or from school the visitor's car park/Surbiton Hill Road entrance **should not be used to drop off students**. This causes congestion for people entering the site and staff access, cars travelling on Surbiton Hill Road and is potentially dangerous for pedestrians.

### **Dinner Money Top Up**

Please ensure funds are available 24 hours before they are required when topping up your child's dinner money on Parentmail. If you add funds on the day they are to be used we will not be able to see the credit instantly until the system has processed it, therefore creating a delay in your child buying food at the canteen.

### **Contribution to the School Fund**

If you would like to help contribute to the school fund to provide additional facilities to the school and students, please click [here](#) for more information. We acknowledge that not all of our parents can make a commitment on a monthly basis. Having listened to those parents we also understand that some would like to make a contribution whenever they can. A donation payment link is available in your ParentMail account. We are grateful for any contribution you can make, regardless of the amount. Every penny will be spent improving students' experiences. Like the monthly contributions, your donation will go into the school fund. It will be used in accordance with the guidance given to schools regarding parental contributions.

### **Open Door**

Ms Jackson holds Parent Clinics on Thursday afternoon during term time. These are from 3.00pm-4.30pm for parents/carers to speak directly to her regarding any unresolved concerns/ suggestions. Please contact Louise Sutton to arrange an appointment on 0208 339 4500 or email [lsutton@hollyfield.kingston.sch.uk](mailto:lsutton@hollyfield.kingston.sch.uk).

7 March 2023

Dear members of The Hollyfield School community,

We are very excited to announce that tickets for the Ilex Theatre's (Hollyfield's very own theatre company) National Theatre Connections production of 'Tuesday' by Alison Carr are now on sale via Parent Mail.

Performances take place in A1 at 7pm on Tuesday 14, Wednesday 15 and Thursday 16 March. Tickets are priced £5 for Adults and £2.50 for Students. Tickets are limited so please book early to avoid disappointment.

Connections is the National Theatre's annual, nationwide youth theatre festival. The programme is from across the UK. 28 years old and has a history of championing the talent of young people. Every year, Connections commissions new plays for young people to perform. The programme brings together some of the UK's most exciting writers with the theatre-makers of tomorrow. In 21/22, they worked with **260** youth companies and over **8,000** young people from every corner of the UK. We are so excited to be back working with the project once more.

Following our week of home performances we will then transfer the production to The Reading Rep Theatre for a 7pm performance on Wednesday 10 May.

<https://www.readingrep.com/national-theatre-connections-2023/#performances>

At this stage of the process 10 performances from across the NT Connections project are then invited to perform at The National Theatre in Summer 2023.

When booking for our home performances via Parent Mail there is only an option to buy Adult tickets, please purchase the correct number of tickets you need and apply the discount yourself at payment. Please ensure you purchase the correct tickets as these will be checked on the door.

Any questions or queries please feel free to contact me.

Kind regards.

Yours faithfully

Ryan

## ACHIEVEMENT POINTS

Achievement and behaviour points are awarded every day at Hollyfield in line with our school policy and are a fundamental part of school life. Students are rewarded in their classes for a range of different behaviours, this includes engagement in learning, showing progress, contributing to learning, helping others and many more. The school also runs gives out termly prizes for great progress, engagement in learning, attendance and also contribution to school life. We also continually try to celebrate the successes of our students outside of school life and encourage all students to be proud of their successes in whatever area they come from.

Behaviour points are given to students in line with our behaviour policy. At the heart of our behaviour policy is restorative approaches which is a strategy the school uses to allow

students to discuss their behaviours with one another and also key staff and to move past incidents in a non-judgemental way.
