“There is a distinct sense of community in the school” Ofsted 2020

Head's Line:

Dear Hollyfield Community

We have reached the end of another busy term, I have written to all parents with a reflection on this term and an update for the summer term ahead, the letter is attached to the parentmail with this ebulletin or can be accessed [here](#).

Some key points for the start of term are:

Start of term – Monday 17 April at 11.50am, except Year 13 students taking mock exams (times as per exam timetable) and the Land and Wave residential trip students who should arrive at 8.15am.

For the period 17-21 April students will only be able to enter the school site for morning registration through the Surbiton Hill Road gate, please ensure your child is aware of this.

After the Easter break students can wear the summer school uniform. That is, that they can wear polo shirts instead of shirts if they would like to.

Please refer to my letter for a full update.

Have a great Easter.

Ms A Jackson, Headteacher

OTHER NOTICES

Reporting your child's absence

When reporting your child's absence from school on the dedicated absence line, please ensure you provide their name, year and registration group, reason for absence and your details, please ensure you spell out your child's name to ensure they are marked correctly.

Valuables in school

The school policy and guidance with regard to pupil possessions is clear that they are brought into school at their own risk. The Hollyfield School does not accept liability for any items that may be lost, damaged or stolen. While theft is taken extremely seriously and thoroughly investigated, the school is not in a position to cover the cost of any item stolen.

Of course, with respect to the last point, steps and measures are put in place to mitigate against such circumstances, especially during PE and Games lessons, where pupils' items are locked in the changing rooms. While this is standard procedure, there may be some extenuating circumstances where this cannot always be guaranteed. Therefore, I would urge your son/daughter not to bring expensive items into school.

Medical Health Care Plans

Please can we remind all parents to complete a MHCP for any student with a medical condition if you have not already done so. Also, if there are any changes to a current plan please complete and submit a new MHCP so we can update our records. You can [print a form](#) and return it to school.

Changed your address/email/phone number????

If you have changed your contact details, please email the school office on office@hollyfield.kingston.sch.uk stating your child's name and form and the change of details. It is important to keep these details up to date in case of an emergency. Don't forget to update your Parentmail account with your new details.

Water Bottles

Please ensure your child brings a water bottle with them to school every day, it is even more important during hot weather. Our water fountains can be used to refill bottles as necessary during break and lunch, it is not possible to drink from the fountains direct and we do not have bottles or cups to give out to students. Alternatively, bottles of water can be purchased (and refilled) in the cafeteria, please ensure your Parentmail account has enough funds to enable this.

Surbiton Hill Road Entrance for cars

If you drive/collect students to or from school the visitor's car park/Surbiton Hill Road entrance **should not be used to drop off students**. This causes congestion for people entering the site and staff access, cars travelling on Surbiton Hill Road and is potentially dangerous for pedestrians.

Dinner Money Top Up

Please ensure funds are available 24 hours before they are required when topping up your child's dinner money on Parentmail. If you add funds on the day they are to be used we will not be able to see the credit instantly until the system has processed it, therefore creating a delay in your child buying food at the canteen.

Contribution to the School Fund

If you would like to help contribute to the school fund to provide additional facilities to the school and students, please click [here](#) for more information. We acknowledge that not all of our parents can make a commitment on a monthly basis. Having listened to those parents we also understand that some would like to make a contribution whenever they can. A donation payment link is available in your ParentMail account. We are grateful for any contribution you can make, regardless of the amount. Every penny will be spent improving students' experiences. Like the monthly contributions, your donation will go into the school fund. It will be used in accordance with the guidance given to schools regarding parental contributions.

Open Door

Ms Jackson holds Parent Clinics on Thursday afternoon during term time. These are from 3.00pm-4.30pm for parents/carers to speak directly to her regarding any unresolved concerns/ suggestions. Please contact Louise Sutton to arrange an appointment on 0208 339 4500 or email lsutton@hollyfield.kingston.sch.uk.

ACHIEVEMENT POINTS

Achievement and behaviour points are awarded every day at Hollyfield in line with our school policy and are a fundamental part of school life. Students are rewarded in their classes for a range of different behaviours, this includes engagement in learning, showing progress, contributing to learning, helping others and many more. The school also runs gives out termly prizes for great progress, engagement in learning, attendance and also contribution to school life. We also continually try to celebrate the successes of our students outside of school life and encourage all students to be proud of their successes in whatever area they come from.

Behaviour points are given to students in line with our behaviour policy. At the heart of our behaviour policy is restorative approaches which is a strategy the school uses to allow students to discuss their behaviours with one another and also key staff and to move past incidents in a non-judgemental way.

Both of the school's rewards and behaviour policies can be found on the school website and if you have any questions about them please don't hesitate to contact Miss Patel (Assistant Headteacher).

The year group weekly totals are below:

Year 7	1207	Year 8	912	Year 9	742	Year 10	388	Year 11	126

MISS O'SHEA'S TEACHING & LEARNING UPDATE

Following the success of British Science Week earlier this month, we are pleased to be putting forward 3 entries to the national competition. Well done to Josh Pin Year 7 who was the overall winner from Hollyfield! We loved his poster about climate change. Our runner up was a joint effort from Maxim Y, Samuel K and Jeremi J in Year 7 with an excellent entry about chemical bonds. Well done to Coco M from Greycourt with her take on the theme Connections and how we can find human connections.

GETTING TO KNOW THE.....

Business & Economics Department

Mr Humm - I am in my second year of teaching at Hollyfield having previously run a Rugby Academy alongside a teaching role for 15 years in a local FE college. When I am not teaching, you'll likely find me out on the golf course or playing a game of rugby in the winter months. I try to bring that same dedication and enthusiasm into the classroom, where I strive to help the students develop a strong understanding of business principles and practices. Seeing the students grow, develop new skills, and gain knowledge over time is incredibly satisfying. I am always willing to share my knowledge and insights with the students, helping them to prepare for successful next steps whatever that may hold for them.

Mr Hammond - I am a Business Studies and Economics Teacher, I was born in Chelsea and grew up in Ghana where I attended primary and secondary school. I attended University of Leicester where I achieved a Degree in Economics.

CAREERS

Careers Briefing - 30 March 2023
by Mr Poole & Miss Corrighan (Careers team)

Year 7s are invited to enter a careers competition to design their own poster on the topic My Dream Job. Students should identify a job or role which they might want to do in the future. The poster should include key details such as: Why are you interested in this job/why would it suit you, What are the main tasks, What skills and qualities do they need, qualifications needed, salary and typical working hours etc. Please see the Year 7 google classroom for more details and we look forward to seeing all the competition entries!

Year 7s can see Careers websites to research the information and images showing the job:
