“There is a distinct sense of community in the school” Ofsted 2020

### Head's Line:

Dear Hollyfield Community

I hope you all had a restful Easter break and are looking forward to the weekend. I, along with 11 other staff and 125 students have just returned from the Year 9 residential trip to Bournemouth for the Land and Wave adventure. The students (and staff) had a wonderful time full of new experiences, personal development and opportunities to build upon existing and make new friendships. Well done to all those students who attended and a big thank you to all the staff who led the trip.

### Strike Days: Thursday 27 April and Tuesday 2 May

As parents will be aware, the NEU (National Education Union) is planning industrial action on the dates stated above. As a result of this action the following provision will be made:

- The school will be closed to students in Year 7- Year 10. These students will be set enrichment activities to complete on the google classroom should they wish to do so. There is no obligation to complete these activities and if parents choose to use the time differently then of course that is absolutely fine.
- We are currently working to put a full timetable together for Year 11 and Year 13 students that allows them to work in school and receive lessons and revision sessions for their upcoming exams. The Year 11 art exam scheduled for 26-27 April will go ahead as planned. I will confirm this on Monday afternoon.
- Students in Year 12 will follow their normal exam timetable on Thursday 27 April. This is because the mock exams are invigilated by external colleagues who are not taking strike action. On Tuesday 2 May they should come into school with the Year 11 and Year 13 students.
- Students who we deem to be vulnerable will be offered a place in school where they will complete enrichment activities for the day. Mrs Burrows and Ms Patel will be in touch with parents of these students with details of the offer.
- The Year 10 residential trip will go ahead as planned on 2 May.
- If your child is eligible for free school meals then you should have received vouchers for all four strike days in place of your child's free school meal. If you have not received these vouchers then please get in touch with Mr Winpenny on [mwinpenny@hollyfield.kingston.sch.uk](mailto:mwinpenny@hollyfield.kingston.sch.uk) who will be delighted to help.

As I have said previously, I am sure that parents will read this and potentially feel a sense of frustration. I am a parent myself and understand that many of you will have to adjust your working days, and you may have concerns about your child missing parts of their education. As I said previously, the school and the trust considers strike action to be a fundamental right of the profession. Whilst parents will, inevitably, experience some inconvenience, please remember that the industrial action has met all legal requirements and that any teacher going on strike will not have taken that decision lightly. Once again, as I have said before, whatever our political views are, all teachers, support staff and parents want the very best for the children in our community. With that in mind, I would encourage tolerance, sympathy and respect for everyone's rights whatever our political opinions might be.

### And finally.....

Please can I remind parents that the Year 8 parents' evening, which was initially scheduled on one of the strike days has been moved to Thursday 4 May. Please can I also remind parents and students that, from Monday, any student coming into school late should enter via the entrance further up Surbiton Hill so they come in the new site entrance near the exam centre.

And finally, on behalf of the Hollyfield staff and governors we would like to wish Eid Mubarak to all those celebrating.

**Ms A Jackson, Headteacher**

## **OTHER NOTICES**

### **Governor Vacancy**

"The Hollyfield Governing Body currently has a vacancy for a Parent Governor. We are looking for an enthusiastic and committed parent or carer to join us. We would particularly welcome applications from parents who have a background in education, whose children receive free school meals, and from those from an ethnic minority background. However, your background is not as important as qualities such as curiosity, a willingness to learn, and a genuine enthusiasm and ambition for Hollyfield. Please see the letter that was sent out to families on Wednesday for more information."

### **Reporting your child's absence**

When reporting your child's absence from school on the dedicated absence line, please ensure you provide their name, year and registration group, reason for absence and your details, please ensure you spell out your child's name to ensure they are marked correctly.

### **Valuables in school**

The school policy and guidance with regard to pupil possessions is clear that they are brought into school at their own risk. The Hollyfield School does not accept liability for any items that may be lost, damaged or stolen. While theft is taken extremely seriously and thoroughly investigated, the school is not in a position to cover the cost of any item stolen.

Of course, with respect to the last point, steps and measures are put in place to mitigate against such circumstances, especially during PE and Games lessons, where pupils' items are locked in the changing rooms. While this is standard procedure, there may be some extenuating circumstances where this cannot always be guaranteed. Therefore, I would urge your son/daughter not to bring expensive items into school.

### **Medical Health Care Plans**

Please can we remind all parents to complete a MHCP for any student with a medical condition if you have not already done so. Also, if there are any changes to a current plan please complete and submit a new MHCP so we can update our records. You can [print a form](#) and return it to school.

### **Changed your address/email/phone number????**

If you have changed your contact details, please email the school office on [office@hollyfield.kingston.sch.uk](mailto:office@hollyfield.kingston.sch.uk) stating your child's name and form and the change of details. It is important to keep these details up to date in case of an emergency. Don't forget to update your Parentmail account with your new details.

### **Water Bottles**

Please ensure your child brings a water bottle with them to school every day, it is even more important during hot weather. Our water fountains can be used to refill bottles as necessary during break and lunch, it is not possible to drink from the fountains direct and we do not have bottles or cups to give out to students. Alternatively, bottles of water can be purchased (and refilled) in the cafeteria, please ensure your Parentmail account has enough funds to enable this.

### **Surbiton Hill Road Entrance for cars**

If you drive/collect students to or from school the visitor's car park/Surbiton Hill Road entrance **should not be used to drop off students**. This causes congestion for people entering the site and staff access, cars travelling on Surbiton Hill Road and is potentially dangerous for pedestrians.

### **Dinner Money Top Up**

Please ensure funds are available 24 hours before they are required when topping up your child's dinner money on Parentmail. If you add funds on the day they are to be used we will not be able to see the credit instantly until the system has processed it, therefore creating a delay in your child buying food at the canteen.

### **Contribution to the School Fund**

If you would like to help contribute to the school fund to provide additional facilities to the school and students, please click [here](#) for more information. We acknowledge that not all of our parents can make a commitment on a monthly basis. Having listened to those parents we also understand that some would like to make a contribution whenever they can. A donation payment link is available in your ParentMail account. We are grateful for any contribution you can make, regardless of the amount. Every penny will be spent improving students' experiences. Like the monthly contributions, your donation will go into the school fund. It will be used in accordance with the guidance given to schools regarding parental contributions.

### **Open Door**

Ms Jackson holds Parent Clinics on Thursday afternoon during term time. These are from 3.00pm-4.30pm for parents/carers to speak directly to her regarding any unresolved concerns/ suggestions. Please contact Louise Sutton to arrange an appointment on 0208 339 4500 or email [lsutton@hollyfield.kingston.sch.uk](mailto:lsutton@hollyfield.kingston.sch.uk).

## ACHIEVEMENT POINTS

Achievement and behaviour points are awarded every day at Hollyfield in line with our school policy and are a fundamental part of school life. Students are rewarded in their classes for a range of different behaviours, this includes engagement in learning, showing progress, contributing to learning, helping others and many more. The school also runs gives out termly prizes for great progress, engagement in learning, attendance and also contribution to school life. We also continually try to celebrate the successes of our students outside of school life and encourage all students to be proud of their successes in whatever area they come from.

Behaviour points are given to students in line with our behaviour policy. At the heart of our behaviour policy is restorative approaches which is a strategy the school uses to allow students to discuss their behaviours with one another and also key staff and to move past incidents in a non-judgemental way.

## GETTING TO KNOW THE.....

### **PE Department**

Mr Miller- I have been working at Hollyfield since 2010 and have been Head of PE for 10 years now. I completed a degree in Sports Studies at Southampton University before doing a year long teacher training placement in my home town in Kent. I play football, cricket, golf and racquet sports outside of school as well as enjoying cooking and growing my own vegetables. I'm a trained barista for Costa through working on board P and O ferries during a post university job.

Miss Roberts- I am a PE teacher for Key Stage 3 – Key Stage 5 working with BTech classes in Year 11 and sixth form and I'm currently in my second year here at Hollyfield. I attended St Marys University in Twickenham where I studied Physical and Sport Education as well as my Secondary PE PGCE. My favourite sports include Netball, Badminton and Rock Climbing. A few fun facts about me is that I used to be an indoor Rock Climbing instructor, I have been to Camp America in New York as a high ropes instructor and I can play 5 different musical instruments!

Mr Goggin- I have been a PE teacher at the Hollyfield school for 13 years and still enjoy teaching all aspects of the subject, from the key stage 3 curriculum to GCSE and Sport BTec. The highlight of the job is the fun we have during extra-curricular clubs and taking the students on fixtures. I love Florida, especially the alligators.

Mr Roberts- I've been at Hollyfield now for a year and a half and it is my first teaching job after finishing University in Liverpool. I teach a range of boys' pe classes as well key stage

4&5 BTec exam groups. I've played a range of sports competitively and still play football and cricket now. An interesting fact about me is I lived in Hong Kong for 3 years before coming back for university in Liverpool.
