“There is a distinct sense of community in the school” Ofsted 2020

Head’s Line:

Dear Hollyfield Community

I hope you are well and looking forward to a lovely long weekend. This week was another busy and successful one for our students: The Year 11s have started their 'passport' sessions, which are strategically planned revision sessions, enabling them to approach the public exams with real confidence. We have had great feedback from the students and from some parents and carers who report that the sharply focused double lessons with subject specialists are a real help. Thanks to Mr Winpenny and his team for creating the timetable of sessions, which is a mammoth task.

Thanks, too, to Mr Esmond, Mr Buckman and all the staff who supported the Year 10 residential earlier this week. Students enjoyed some fabulous enrichment activities, including team-building and archery, in the beautiful Mendip Hills. The trip was a huge success and (although there were some pretty tired staff and students) we know they thoroughly enjoyed their experience. Another enriching experience in the near future is our National Theatre Connections performance at Reading Rep Theatre next Wednesday. Mr Hurst, Miss O’Shea and the students are really looking forward to working in a professional theatre, with the help of a National Theatre director and a professional technical team. There are still some tickets available, so if you would like to show our students some support, follow this link: <https://www.readingrep.com/national-theatre-connections-2023/#performances>.

I wanted to take this opportunity to share a couple of key reminders: We have a new entrance and exit for students to use between 8.30am and 3.05pm. The start and end of the school day remain the same, but if students arrive late or need to leave site during the school day, for example to attend medical appointments, they need to use the gate between the MUGA and the exams centre. This has been working really well so far and we appreciate your support as we take every effort to keep the site safe and efficient. The final reminder from me today is about our early closure on 26 May, for all students in Y7-10, as we prepare for the fabulous record of achievement ceremony for our Year 11 students.

Whatever you and your family are doing this weekend, I hope you have a good one.

Ms A Jackson, Headteacher

OTHER NOTICES

Reporting your child's absence

When reporting your child's absence from school on the dedicated absence line, please ensure you provide their name, year and registration group, reason for absence and your details, please ensure you spell out your child's name to ensure they are marked correctly.

Valuables in school

The school policy and guidance with regard to pupil possessions is clear that they are brought into school at their own risk. The Hollyfield School does not accept liability for any items that may be lost, damaged or stolen. While theft is taken extremely seriously and thoroughly investigated, the school is not in a position to cover the cost of any item stolen.

Of course, with respect to the last point, steps and measures are put in place to mitigate against such circumstances, especially during PE and Games lessons, where pupils' items are locked in the changing rooms. While this is standard procedure, there may be some extenuating circumstances where this cannot always be guaranteed. Therefore, I would urge your son/daughter not to bring expensive items into school.

Medical Health Care Plans

Please can we remind all parents to complete a MHCP for any student with a medical condition if you have not already done so. Also, if there are any changes to a current plan please complete and submit a new MHCP so we can update our records. You can [print a form](#) and return it to school.

Changed your address/email/phone number????

If you have changed your contact details, please email the school office on office@hollyfield.kingston.sch.uk stating your child's name and form and the change of details. It is important to keep these details up to date in case of an emergency. Don't forget to update your Parentmail account with your new details.

Water Bottles

Please ensure your child brings a water bottle with them to school every day, it is even more important during hot weather. Our water fountains can be used to refill bottles as necessary during break and lunch, it is not possible to drink from the fountains direct and we do not have bottles or cups to give out to students. Alternatively, bottles of water can be purchased (and refilled) in the cafeteria, please ensure your Parentmail account has enough funds to enable this.

Surbiton Hill Road Entrance for cars

If you drive/collect students to or from school the visitor's car park/Surbiton Hill Road entrance **should not be used to drop off students**. This causes congestion for people entering the site and staff access, cars travelling on Surbiton Hill Road and is potentially dangerous for pedestrians.

Dinner Money Top Up

Please ensure funds are available 24 hours before they are required when topping up your child's dinner money on Parentmail. If you add funds on the day they are to be used we will not be able to see the credit instantly until the system has processed it, therefore creating a delay in your child buying food at the canteen.

Contribution to the School Fund

If you would like to help contribute to the school fund to provide additional facilities to the school and students, please click [here](#) for more information. We acknowledge that not all of our parents can make a commitment on a monthly basis. Having listened to those parents we also understand that some would like to make a contribution whenever they can. A donation payment link is available in your ParentMail account. We are grateful for any contribution you can make, regardless of the amount. Every penny will be spent improving students' experiences. Like the monthly contributions, your donation will go into the school fund. It will be used in accordance with the guidance given to schools regarding parental contributions.

Open Door

Ms Jackson holds Parent Clinics on Thursday afternoon during term time. These are from 3.00pm-4.30pm for parents/carers to speak directly to her regarding any unresolved concerns/ suggestions. Please contact Louise Sutton to arrange an appointment on 0208 339 4500 or email lsutton@hollyfield.kingston.sch.uk.

ACHIEVEMENT POINTS

Achievement and behaviour points are awarded every day at Hollyfield in line with our school policy and are a fundamental part of school life. Students are rewarded in their classes for a range of different behaviours, this includes engagement in learning, showing progress, contributing to learning, helping others and many more. The school also runs gives out termly prizes for great progress, engagement in learning, attendance and also contribution to school life. We also continually try to celebrate the successes of our students outside of school life and encourage all students to be proud of their successes in whatever area they come from.

Behaviour points are given to students in line with our behaviour policy. At the heart of our behaviour policy is restorative approaches which is a strategy the school uses to allow students to discuss their behaviours with one another and also key staff and to move past incidents in a non-judgemental way.

Both of the school's rewards and behaviour policies can be found on the school website and if you have any questions about them please don't hesitate to contact Miss Patel (Assistant Headteacher).

GETTING TO KNOW THE.....

Religion, Philosophy & Ethics Department

The Philosophy, Religion, and Ethics (PRE) department is led by myself, Mr Case, as a one-man-army. The department was formerly Religious Studies (RS), but has since changed this academic year to reflect the dynamism that evolves within the great(est) humanities subject - but of course I'm biased! I have a passion for philosophy, religions, ethics, and find the breadth of identities and worldviews, both religious and non-religious, utterly fascinating. My specialisms and favourite areas of interest are Buddhism, Philosophy of Science, Moral and Political Philosophy, and Existentialism. A little bit about me... I grew up in the Cotswolds in Chipping Norton and studied Philosophy at University of Leeds, having moved to London 3 years ago. I'm a creative writer and in my spare time like to write short stories. I'm heavily into rock and metal music and attend lots of local gigs. I'm also a keen rugby player and play as a loosehead prop at Kingston RFC, but I still like to pretend I'm a winger and always sign up for the staff relays on sports days! My claims to fame are that I used to play rugby with Jeremy Clarkson's son at junior level, and his farmer colleague Kaleb's mum cuts my mum's

dog's hair - it's a small world growing up in the countryside. A fun fact about me is that I have the ability to make a pack of dark chocolate digestives disappear.

Media Studies Department

Ms Mirshahi - I have been at Hollyfield since December 2021 and have been the Head of Media for 14 months. I completed a degree in Film and Television Studies and a Master degree in History of Film and Visual Media before completing a teacher training. I teach BTEC level 2 and Level 3 Media at Hollyfield. The best part of my job is I get to see the amazing energy and creativity in my students. I enjoy world cinema and insulation art. I'm a keen gardener and a ritualistic park wanderer with my Golden Retriever. Hiking and Zip-lining are two of my favourite outdoor activities.
