“There is a distinct sense of community in the school” Ofsted 2020

### Head's Line:

Dear Hollyfield Community

I hope you are all well and looking forward to the weekend.

This week we have enjoyed many events in school. We welcomed the new Year 7 students and their parents into school for the transition day and parent information evening. Wednesday's transition day was an excellent day. The Year 6 pupils enjoyed a fantastic array of lessons, an assembly, a tour of the site and got to know key members of staff. The parents heard from lots of the staff and hopefully had a lot of questions answered about what to expect in September. We hope the pupils enjoy the remaining two weeks of primary school and we can't wait to welcome them in September.

We also hosted our GCSE and A level Art and DT exhibition on Monday. The work the students have produced is absolutely phenomenal. Well done to all of them and thank you to all the parents that visited the exhibition and the staff for putting such a wonderful showcase together. Last Friday we hosted the Year 13 prom and it was a wonderful evening and a fitting way for Year 13 to finish their time at Hollyfield. We hope the Year 13s enjoy their summer and we look forward to seeing them when they collect their results in August.

There are only two weeks to go until the end of term and next week is a busy one. We have sports day on Tuesday, the Year 7 and Year 8 pride in learning event on Wednesday, Year 10 visit Sussex university on Wednesday and have their careers day on Thursday and Year 12 are on their challenge days on Thursday and Friday. We are very much looking forward to the week ahead and parents have been informed of these events in separate communications, but if you have any questions about any of them then please get in touch with your child's form tutor or head of year.

The last day of term is **Thursday 20 July** and is a free mufti day. Students are expected to attend school with periods 1-3 taking place as normal. Students will return to form rooms at the start of period 4 (11.50am) to tidy and register and then there will be a phased dismissal by a senior member of staff from 12.00pm.

Wishing you all a wonderful weekend.

**Ms A Jackson, Headteacher**

## **OTHER NOTICES**

### **Reporting your child's absence**

When reporting your child's absence from school on the dedicated absence line, please ensure you provide their name, year and registration group, reason for absence and your details, please ensure you spell out your child's name to ensure they are marked correctly.

### **Valuables in school**

The school policy and guidance with regard to pupil possessions is clear that they are brought into school at their own risk. The Hollyfield School does not accept liability for any items that may be lost, damaged or stolen. While theft is taken extremely seriously and thoroughly investigated, the school is not in a position to cover the cost of any item stolen.

Of course, with respect to the last point, steps and measures are put in place to mitigate against such circumstances, especially during PE and Games lessons, where pupils' items are locked in the changing rooms. While this is standard procedure, there may be some extenuating circumstances where this cannot always be guaranteed. Therefore, I would urge your son/daughter not to bring expensive items into school.

### **Medical Health Care Plans**

Please can we remind all parents to complete a MHCP for any student with a medical condition if you have not already done so. Also, if there are any changes to a current plan please complete and submit a new MHCP so we can update our records. You can [print a form](#) and return it to school.

### **Changed your address/email/phone number????**

If you have changed your contact details, please email the school office on [office@hollyfield.kingston.sch.uk](mailto:office@hollyfield.kingston.sch.uk) stating your child's name and form and the change of details. It is important to keep these details up to date in case of an emergency. Don't forget to update your Parentmail account with your new details.

### **Water Bottles**

Please ensure your child brings a water bottle with them to school every day, it is even more important during hot weather. Our water fountains can be used to refill bottles as necessary during break and lunch, it is not possible to drink from the fountains direct and we do not have bottles or cups to give out to students. Alternatively, bottles of water can be purchased (and refilled) in the cafeteria, please ensure your Parentmail account has enough funds to enable this.

### **Surbiton Hill Road Entrance for cars**

If you drive/collect students to or from school the visitor's car park/Surbiton Hill Road entrance **should not be used to drop off students**. This causes congestion for people entering the site and staff access, cars travelling on Surbiton Hill Road and is potentially dangerous for pedestrians.

### **Dinner Money Top Up**

Please ensure funds are available 24 hours before they are required when topping up your child's dinner money on Parentmail. If you add funds on the day they are to be used we will not be able to see the credit instantly until the system has processed it, therefore creating a delay in your child buying food at the canteen.

### **Contribution to the School Fund**

If you would like to help contribute to the school fund to provide additional facilities to the school and students, please click [here](#) for more information. We acknowledge that not all of our parents can make a commitment on a monthly basis. Having listened to those parents we also understand that some would like to make a contribution whenever they can. A donation payment link is available in your ParentMail account. We are grateful for any contribution you can make, regardless of the amount. Every penny will be spent improving students' experiences. Like the monthly contributions, your donation will go into the school fund. It will be used in accordance with the guidance given to schools regarding parental contributions.

### **Open Door**

Ms Jackson holds Parent Clinics on Thursday afternoon during term time. These are from 3.00pm-4.30pm for parents/carers to speak directly to her regarding any unresolved concerns/ suggestions. Please contact Louise Sutton to arrange an appointment on 0208 339 4500 or email [lsutton@hollyfield.kingston.sch.uk](mailto:lsutton@hollyfield.kingston.sch.uk).

## ACHIEVEMENT POINTS

Achievement and behaviour points are awarded every day at Hollyfield in line with our school policy and are a fundamental part of school life. We want students to be the best versions of themselves and we explicitly teach the behaviour we want our young people to develop through our GO BIG character virtues (Good Communication | Organisation | Bouncebackability | Initiative | Gratitude). Students are therefore rewarded for when they demonstrate these character virtues either in class, around our school environment and even outside of school. The school also gives out termly prizes for great progress, engagement in learning, attendance and also contribution to school life. We also continually try to celebrate the successes of our students outside of school life and encourage all students to be proud of their successes in whatever area they come from.

Behaviour points are given to students in line with our behaviour policy. At the heart of our behaviour policy is restorative approaches which is a strategy the school uses to allow students to discuss their behaviours with one another and also key staff and to move past incidents in a non-judgemental way.

Both of the school's rewards and behaviour policies can be found on the school website and if you have any questions about them please don't hesitate to contact Miss Patel (Assistant Headteacher).

## CAREERS

#### Careers Briefing – 7 July 2023 Mr Poole & Miss Corrighan (Careers team)

##### **Year 10 Summer Careers Activities**

We are just completing final arrangements for the visit to **Sussex University on Wednesday 12 July**. Please make sure you use this [Link](#) to access and complete the form to provide consent and the other important information we need. Some parents have not completed the consent form and need to do this as a matter of urgency.

On the day students must meet at the school, at **8.30am**. Students will be assigned to groups with a designated member of staff. These staff members will be responsible for registering their groups at key stages during the day. For the trip students will not be

expected to wear school uniform, but they should wear comfortable clothes and sensible shoes. Sussex has a large campus and depending on the weather students should bring appropriate protection from the weather.

For lunch, we are advising that students bring their own packed lunch although there is also a large campus restaurant. We will be returning to Hollyfield at approximately **3.45pm** where they will be dismissed from school.

On Thursday **13 July** we will also be running a **Careers day** in which Young Enterprise will be running a employability masterclass. This will be a normal school day in which students come into school in uniform and register as normal. In the morning Periods 1-3 students in one half of the year will be doing the Young Enterprise workshop and then Periods 4-6 the other half of the year group will begin doing the activity. Students will have the opportunity to discuss and analyse their skills, qualities and attributes and how best to present these in a positive way when applying for a future job.

### 16+ choices

Year 10 are being encouraged to use [Unifrog](#) to help them to find out about their choices at **post 16**. Students had an assembly with the sixth form team at Hollyfield on Thursday and you can find out more about what they offer on the [Sixth Form](#) website.

Students can apply to as many Colleges/Sixth Forms as they like, we advise them to apply to at least two to keep options open and apply directly to each provider. Esher College is the only local college who has opened applications for Sept 2024 most other colleges will open applications from

September 2023 onwards.

### Year 10 Careers Interviews

Mr Poole has started organising careers interviews for Year 10 and by the end of Year 11 the aim is to have offered an interview to everyone. Interviews take place during the normal school day.
