“There is a distinct sense of community in the school” Ofsted 2020

Head's Line:

Dear Hollyfield Community

It is wonderful to be back! We have enjoyed our first full week in school and it's been a great week. The students have been enthusiastic, diligent and as humorous as ever. Myself and the rest of the staff have enjoyed getting to know our new classes and settling everyone in. It was brilliant to see so many Year 7 parents at our information evening on Tuesday. I hope you found the session informative. Likewise, Mr Buckman and Mr Winpenny led the Year 11 session online last night, once again, I hope this was helpful and answered many questions that parents may have. We have included a list of key dates at the bottom of this page, please note those that are relevant to you. One I will draw attention to is the upcoming Open Evening. This will be on Tuesday 3 October 2023. In order to ensure we can prepare the school site, school will close early on that day, at the end of period three, which is 11:40 student will return to their tutor rooms for registration and dismissed at 12.00pm. Many pupils will come back into school to support the evening event, which begins at 17:00 and continues until 20:00. To allow students time to recover and for the site to be cleared the next morning, the school will open later than normal on Wednesday 4 October. We will open at 10:30 for the students, they should go straight to their tutor rooms for registration then they will have the rest of the day as normal.

Parents will be aware that students in Year 7 and Year 8 have been experiencing the digital detox and handing their phones into staff at the beginning of the school day. Teachers have found this to be a positive experience, but as ever, we are interested in how parents and students have found the initiative. As such, Ms Patel will be sending out a parental survey in the next few weeks where we will welcome your feedback and any further suggestions.

We are currently looking to recruit a Clerk to our Governors who support the school wonderfully, this is a very interesting part time role, please click [here](#) for more details.

OTHER NOTICES

Reporting your child's absence

When reporting your child's absence from school on the dedicated absence line, please ensure you provide their name, year and registration group, reason for absence and your details, please ensure you spell out your child's name to ensure they are marked correctly.

Valuables in school

The school policy and guidance with regard to pupil possessions is clear that they are brought into school at their own risk. The Hollyfield School does not accept liability for any items that may be lost, damaged or stolen. While theft is taken extremely seriously and thoroughly investigated, the school is not in a position to cover the cost of any item stolen.

Of course, with respect to the last point, steps and measures are put in place to mitigate against such circumstances, especially during PE and Games lessons, where pupils' items are locked in the changing rooms. While this is standard procedure, there may be some extenuating circumstances where this cannot always be guaranteed. Therefore, I would urge your son/daughter not to bring expensive items into school.

Medical Health Care Plans

Please can we remind all parents to complete a MHCP for any student with a medical condition if you have not already done so. Also, if there are any changes to a current plan please complete and submit a new MHCP so we can update our records. You can [print a form](#) and return it to school.

Changed your address/email/phone number????

If you have changed your contact details, please email the school office on office@hollyfield.kingston.sch.uk stating your child's name and form and the change of details. It is important to keep these details up to date in case of an emergency. Don't forget to update your Parentmail account with your new details.

Water Bottles

Please ensure your child brings a water bottle with them to school every day, it is even more important during hot weather. Our water fountains can be used to refill bottles as necessary during break and lunch, it is not possible to drink from the fountains direct and we do not have bottles or cups to give out to students. Alternatively, bottles of water can be purchased (and refilled) in the cafeteria, please ensure your Parentmail account has enough funds to enable this.

Surbiton Hill Road Entrance for cars

If you drive/collect students to or from school the visitor's car park/Surbiton Hill Road entrance **should not be used to drop off students**. This causes congestion for people entering the site and staff access, cars travelling on Surbiton Hill Road and is potentially dangerous for pedestrians.

Dinner Money Top Up

Please ensure funds are available 24 hours before they are required when topping up your child's dinner money on Parentmail. If you add funds on the day they are to be used we will not be able to see the credit instantly until the system has processed it, therefore creating a delay in your child buying food at the canteen.

Contribution to the School Fund

If you would like to help contribute to the school fund to provide additional facilities to the school and students, please click [here](#) for more information. We acknowledge that not all of our parents can make a commitment on a monthly basis. Having listened to those parents we also understand that some would like to make a contribution whenever they can. A donation payment link is available in your ParentMail account. We are grateful for any contribution you can make, regardless of the amount. Every penny will be spent improving students' experiences. Like the monthly contributions, your donation will go into the school fund. It will be used in accordance with the guidance given to schools regarding parental contributions.

Open Door

Ms Jackson holds Parent Clinics on Thursday afternoon during term time. These are from 3.00pm-4.30pm for parents/carers to speak directly to her regarding any unresolved concerns/ suggestions. Please contact Louise Sutton to arrange an appointment on 0208 339 4500 or email lsutton@hollyfield.kingston.sch.uk.

ACHIEVEMENT POINTS

Achievement and behaviour points are awarded every day at Hollyfield in line with our school policy and are a fundamental part of school life. We want students to be the best versions of themselves and we explicitly teach the behaviour we want our young people to develop through our GO BIG character virtues (Good Communication | Organisation | Bouncebackability | Initiative | Gratitude). Students are therefore rewarded for when they demonstrate these character virtues either in class, around our school environment and even outside of school. The school also gives out termly prizes for great progress, engagement in learning, attendance and also contribution to school life. We also continually try to celebrate the successes of our students outside of school life and encourage all students to be proud of their successes in whatever area they come from.

Behaviour points are given to students in line with our behaviour policy. At the heart of our behaviour policy is restorative approaches which is a strategy the school uses to allow students to discuss their behaviours with one another and also key staff and to move past incidents in a non-judgemental way.

Both of the school's rewards and behaviour policies can be found on the school website and if you have any questions about them please don't hesitate to contact Miss Patel (Assistant Headteacher).

CAREERS

Careers Briefing - 15 September 2023
Mr Poole & Miss Corrighan (Careers team)

Careers Advice for Year 11

At this stage students and their parents should be beginning to think about the 16+ subject choices they need to make at the end of Year 11. The expectation is that between 16-19 students do continue with full time education, apprenticeships and training. By the end of Key Stage 4, all students should aim to gain a minimum of 5 GCSES or BTECs and Level 4/Pass or above including English and Maths. There are a variety of choices available and it is the aim of the school to ensure that all students make an informed choice and are fully aware of all the different academic, technical and vocational options available to them. For students going to Sixth Form or College there are a number of different subjects but the main qualifications they can consider are:

- A Levels
- BTEC Level 1-3
- T Levels
- Work related courses e.g. Hair & Beauty, Construction, Catering etc

Hollyfield has a successful Sixth Form and many students decide to stay on after Year 11 however students can apply to as many Colleges/Sixth Forms as they like, we advise them to apply to at least two or three to keep options open. Students make their applications directly with the college.

Hollyfield school is organising its own Future Careers Fair on 18 October between 6.30-8.30pm and the Hollyfield Sixth Form open evening is on Thursday 16 November.

[Esher College](#) is the only local college who has opened applications for Sept 2024 and you need to apply by the deadline on 29 September. Other schools and colleges will open their applications soon and we will keep you updated.

A number of colleges and schools will be holding open events and evenings over the next term:

- [NESCOT](#) open event - Weds 27th September -16.30-19.30
- [Kingston College](#) open event - Sat 7th October 2023 10.00- 13.00
- [Richmond upon Thames College](#) - Sat 14th October 10.00-14.00
- [Brooklands College](#) - Weds 11th October 4.30-7pm

Year 11 Careers Interviews - Mr Poole and Miss Corrighan will organise careers interviews for Year 11. Interviews take place during the normal school day in the LRC Careers office. Please email: ipoole@hollyfield.kingston.sch.uk if you would like to book an interview.

Opportunities

We produce a **weekly opportunities bulletin** to highlight the range of opportunities you can take part in during your time at sixth form. Work experience doesn't have to be a week somewhere; it could be an insight day or a virtual experience. We encourage you to be open minded and try a range of things that allow you to explore your ideas but look great on a university or apprenticeship application! It includes:

- **Work experience/careers events and talks**
- **University taster days and open events**
- **Apprenticeships**
- **Useful resources to help you research your future**
