“There is a distinct sense of community in the school” Ofsted 2020

Head's Line:

Dear Hollyfield Community

We have enjoyed our return to school this week. Students have returned with a sense of purpose and learning is in full swing. This morning we held our annual remembrance service where we observed a minute's silence, listened to The Last Post and placed wreaths in memory of all those who have served. As always, this was immaculately observed and an opportunity for us all to reflect.

Looking ahead to next week, I have a few key reminders. On Thursday 16 November we will be hosting our annual sixth form open evening. This is aimed at students in Year 11 and their parents. It is an opportunity to find out more about our post-16 provision, to meet the sixth form team and to speak to teachers about individual subjects. In order to set up for the event, the school will close early at Midday. Students will have periods one to three as normal, at the end of period three they will go to registration and will be dismissed from there. Year 11 students should then return to school for the event at 6pm. Our Year 11 students begin their mock exams next week and they fed back to us that the day after sixth form open evening they were scheduled to have an important English exam. This occurred when we were forced to change the mock exam timetable after the school-wide flu jabs were scheduled by the public health team. They explained to us that this made them feel anxious about preparation time. We take this as important feedback and Mr Warren has written to all Year 11 parents today and spoken to Year 11 students to say that we will take the following action:

- Allow students in Year 11 to have a late start on Friday morning, following the open evening; they need to arrive in school for 11:30 on Friday morning. When they arrive they will be given a taught Chemistry session to prepare for their chemistry exam that afternoon
- Move the English exam to the following week so students feel they have adequate preparation time.

We are confident these changes will ensure the students are supported throughout the mock exam period.

Please can also remind all parents that students will be receiving their nasal flu jabs on Tuesday 14 November. Full details of this have been sent to parents via parentmail. If you have any questions about it, please do get in touch.

Next week is also anti-bullying week. Students will enjoy assemblies around this theme and will have opportunities for discussion with their tutor groups. Year 7 students have been invited to wear odd socks on Monday in order to mark the start of the week; I look forward to joining them on this and will wear a mixture of my different chemistry themed socks! On Thursday we will have a non-uniform day for all students to mark anti-bullying week. Students will be asked to bring in £1, which will be donated to a worthwhile cause.

And finally, our wonderful PTA is hosting a quiz for Year 7 students and parents. Mr Kynes and I will be quiz masters; we look forward to seeing many of you there.

Amy Jackson, Headteacher

OTHER NOTICES

Reporting your child's absence

When reporting your child's absence from school on the dedicated absence line, please ensure you provide their name, year and registration group, reason for absence and your details, please ensure you spell out your child's name to ensure they are marked correctly.

Valuables in school

The school policy and guidance with regard to pupil possessions is clear that they are brought into school at their own risk. The Hollyfield School does not accept liability for any items that may be lost, damaged or stolen. While theft is taken extremely seriously and thoroughly investigated, the school is not in a position to cover the cost of any item stolen.

Of course, with respect to the last point, steps and measures are put in place to mitigate against such circumstances, especially during PE and Games lessons, where pupils' items are locked in the changing rooms. While this is standard procedure, there may be some extenuating circumstances where this cannot always be guaranteed. Therefore, I would urge your son/daughter not to bring expensive items into school.

Medical Health Care Plans

Please can we remind all parents to complete a MHCP for any student with a medical condition if you have not already done so. Also, if there are any changes to a current plan please complete and submit a new MHCP so we can update our records. You can [print a form](#) and return it to school.

Changed your address/email/phone number????

If you have changed your contact details, please email the school office on office@hollyfield.kingston.sch.uk stating your child's name and form and the change of details. It is important to keep these details up to date in case of an emergency. Don't forget to update your Parentmail account with your new details.

Water Bottles

Please ensure your child brings a water bottle with them to school every day, it is even more important during hot weather. Our water fountains can be used to refill bottles as necessary during break and lunch, it is not possible to drink from the fountains direct and we do not have bottles or cups to give out to students. Alternatively, bottles of water can be purchased (and refilled) in the cafeteria, please ensure your Parentmail account has enough funds to enable this.

Surbiton Hill Road Entrance for cars

If you drive/collect students to or from school the visitor's car park/Surbiton Hill Road entrance **should not be used to drop off students**. This causes congestion for people entering the site and staff access, cars travelling on Surbiton Hill Road and is potentially dangerous for pedestrians.

Dinner Money Top Up

Please ensure funds are available 24 hours before they are required when topping up your child's dinner money on Parentmail. If you add funds on the day they are to be used we will not be able to see the credit instantly until the system has processed it, therefore creating a delay in your child buying food at the canteen.

Contribution to the School Fund

If you would like to help contribute to the school fund to provide additional facilities to the school and students, please click [here](#) for more information. We acknowledge that not all of our parents can make a commitment on a monthly basis. Having listened to those parents we also understand that some would like to make a contribution whenever they can. A donation payment link is available in your ParentMail account. We are grateful for any contribution you can make, regardless of the amount. Every penny will be spent improving students' experiences. Like the monthly contributions, your donation will go into the school fund. It will be used in accordance with the guidance given to schools regarding parental contributions.

Open Door

Ms Jackson holds Parent Clinics on Thursday afternoon during term time. These are from 3.00pm-4.30pm for parents/carers to speak directly to her regarding any unresolved concerns/ suggestions. Please contact Louise Sutton to arrange an appointment on 0208 339 4500 or email lsutton@hollyfield.kingston.sch.uk.

ACHIEVEMENT POINTS

Achievement and behaviour points are awarded every day at Hollyfield in line with our school policy and are a fundamental part of school life. We want students to be the best versions of themselves and we explicitly teach the behaviour we want our young people to develop through our GO BIG character virtues (Good Communication | Organisation | Bouncebackability | Initiative | Gratitude). Students are therefore rewarded for when they demonstrate these character virtues either in class, around our school environment and even outside of school. The school also gives out termly prizes for great progress, engagement in learning, attendance and also contribution to school life. We also continually try to celebrate the successes of our students outside of school life and encourage all students to be proud of their successes in whatever area they come from.

Behaviour points are given to students in line with our behaviour policy. At the heart of our behaviour policy is restorative approaches which is a strategy the school uses to allow students to discuss their behaviours with one another and also key staff and to move past incidents in a non-judgemental way.

Both of the school's rewards and behaviour policies can be found on the school website and if you have any questions about them please don't hesitate to contact Miss Patel (Assistant Headteacher).
