## **OTHER NOTICES**

### **Reporting your child's absence**

When reporting your child's absence from school on the dedicated absence line - 0208 339 4518 preferably before 8.30am on the morning of your child's absence from school. Please leave their name, spelling out any unusual names, year group and the reason for their absence and your details. Alternatively, you can email the school [office@hollyfield.kingston.sch.uk](mailto:office@hollyfield.kingston.sch.uk).

### **Valuables in school**

The school policy and guidance with regard to pupil possessions is clear that they are brought into school at their own risk. The Hollyfield School does not accept liability for any items that may be lost, damaged or stolen. While theft is taken extremely seriously and thoroughly investigated, the school is not in a position to cover the cost of any item stolen.

Of course, with respect to the last point, steps and measures are put in place to mitigate against such circumstances, especially during PE and Games lessons, where pupils' items are locked in the changing rooms. While this is standard procedure, there may be some extenuating circumstances where this cannot always be guaranteed. Therefore, I would urge your son/daughter not to bring expensive items into school.

### **Medical Health Care Plans**

Please can we remind all parents to complete a MHCP for any student with a medical condition if you have not already done so. Also, if there are any changes to a current plan please complete and submit a new MHCP so we can update our records. You can [print a form](#) and return it to school.

### **Changed your address/email/phone number????**

If you have changed your contact details, please email the school office on [office@hollyfield.kingston.sch.uk](mailto:office@hollyfield.kingston.sch.uk) stating your child's name and form and the change of details. It is important to keep these details up to date in case of an emergency. Don't forget to update your Parentmail account with your new details.

### **Water Bottles**

Please ensure your child brings a water bottle with them to school every day, it is even more important during hot weather. Our water fountains can be used to refill bottles as necessary during break and lunch, it is not possible to drink from the fountains direct and we do not have bottles or cups to give out to students. Alternatively, bottles of water can be purchased (and refilled) in the cafeteria, please ensure your Parentmail account has enough funds to enable this.

### **Surbiton Hill Road Entrance for cars**

If you drive/collect students to or from school the visitor's car park/Surbiton Hill Road entrance **should not be used to drop off students**. This causes congestion for people entering the site and staff access, cars travelling on Surbiton Hill Road and is potentially dangerous for pedestrians.

### **Dinner Money Top Up**

Please ensure funds are available 24 hours before they are required when topping up your child's dinner money on Parentmail. If you add funds on the day they are to be used we will not be able to see the credit instantly until the system has processed it, therefore creating a delay in your child buying food at the canteen.

### **Contribution to the School Fund**

If you would like to help contribute to the school fund to provide additional facilities to the school and students, please click [here](#) for more information. We acknowledge that not all of our parents can make a commitment on a monthly basis. Having listened to those parents we also understand that some would like to make a contribution whenever they can. A donation payment link is available in your ParentMail account. We are grateful for any contribution you can make, regardless of the amount. Every penny will be spent improving students' experiences. Like the monthly contributions, your donation will go into the school fund. It will be used in accordance with the guidance given to schools regarding parental contributions.

### **Open Door**

Ms Jackson holds Parent Clinics on Thursday afternoon during term time. These are from 3.00pm-4.30pm for parents/carers to speak directly to her regarding any unresolved concerns/ suggestions. Please contact Louise Sutton to arrange an appointment on 0208 339 4500 or email [lsutton@hollyfield.kingston.sch.uk](mailto:lsutton@hollyfield.kingston.sch.uk).

## **HOLLYFIELD PTA NEWS**

### **Pre-loved Uniform Store**

#### **Next session: 20.04.2024 (after Easter Holiday)**

At the old Music Building, Next to the Dome, Close to the Lamberts Road Gate  
*[What three words location: begin.tigers.atom].*

Anyone is welcome to pop in and take what items they need.  
If your child has lost or outgrown their uniform or PE kit please drop in and see if we can help. We have a large stock of items of uniform (particularly trousers) and PE kit including some shoes, football boots and trainers. **Availability varies.**

In an emergency situation, students can speak to the team at the school office to ask for access to the Uniform Store in the old music building.

We operate a donation system for those that can afford to contribute.

**Everyone Welcome - it is best the items get used, rather than sit in a store or be thrown away!**

**Any donations of uniform too small for your child would also be appreciated! These can be dropped at the collection point at the entrance to Albury**

### **HOLLYFEST 2024**

Is currently being planned! Watch this space for more details!

## ACHIEVEMENT POINTS

Achievement and behaviour points are awarded every day at Hollyfield in line with our school policy and are a fundamental part of school life. We want students to be the best versions of themselves and we explicitly teach the behaviour we want our young people to develop through our GO BIG character virtues (Good Communication / Organisation / Bouncebackability / Initiative / Gratitude). Students are therefore rewarded for when they demonstrate these character virtues either in class, around our school environment and even outside of school. The school also gives out termly prizes for great progress,

engagement in learning, attendance and also contribution to school life. We also continually try to celebrate the successes of our students outside of school life and encourage all students to be proud of their successes in whatever area they come from.

Behaviour points are given to students in line with our behaviour policy. At the heart of our behaviour policy is restorative approaches which is a strategy the school uses to allow students to discuss their behaviours with one another and also key staff and to move past incidents in a non-judgemental way.

Both of the school's rewards and behaviour policies can be found on the school website and if you have any questions about them please don't hesitate to contact Miss Patel (Assistant Headteacher).

The year group weekly totals are below:

**Year 7** 1037 **Year 8** 869 **Year 9** 671 **Year 10** 720 **Year 11** 145

The top performing forms per year group in terms of overall achievements were:

**7SNE** 255 **8RHU** 212 **9HBL** 160 **10KEM** 222 **11DMI** 107

The top performing students from each year were:

**Year 7** Clara W

**Year 9** Charlie B

**Year 11** Oliver A

**Year 8** Jaden G/ Antoni B

**Year 10** Jasmine W

We had some wonderful entries for the competition in Celebrating Neurodiversity week, see the entries [here](#).

## CAREERS

**Careers Briefing - 28 March 2024**  
**Mr Poole & Miss Corrighan (Careers team)**

**Year 8 Visit to Imperial College University of London & Dell technologies workshop**

**DELL**Technologies

Congratulations to those Year 8s who attended an aspirational workshop in London on Tuesday 26 March. Students travelled up on the train and tube to take part in a one day workshop developed by Talent Foundry and supported by Dell technologies. The workshop offered students the opportunity to use Dell technology in a collaborative problem solving challenge focused on future local and global issues. Students presented their ideas to a

group of judges. The top three winning ideas were proposing scientific solutions to reduce the health risks of Vaping: "Reforestation" on how to reverse the decline of forests across the world and "Binbot" a robotic and speedy solution to problems of litter in our local community.

### Kingston College Friday 17 May 2024

Students who game, or students within Business or Computing or Media who are interested in finding out more about esports and careers pathways available in the sector, then the X4 Championship Series Tournament is a fantastic way to see esports in action and as a genuine post-16 / -18 option.

Opened to Year 9 students upwards, visiting students will be able to:

- play casually or participate in the tournament competitively (individually or within a team);
- hear from H.E providers (such as the [College of Esports](#)) and other stakeholders about next steps and progression in one of the fastest-growing industries in the world.

### Year 10 Sussex University Trip - 2 July 2024

All Year 10s parents should have received a letter via parentmail about the visit to Sussex University in July. This trip is an important part of the careers provision for Year 10. This visit is an opportunity to visit a successful campus university and gain insight into higher education. Parents should pay via parentmail and send the medical form into school via the Year 10 tutors who will ensure Mr Poole receives the

form: [Sussex University 2nd July Parent Letter](#)
