

SUMMARY OF EXAMINATION RESULTS

Summer 2014

The number of pupils gaining 5 or more GCSE grades A*-C in **2014 was 79%**. With English and Maths included, we achieved 61%. **We are very pleased to be able to report that 78 of our pupils attained five or more GCSE's with grades A*-B.**

Our continued improvement and success are due to a number of contributing factors: the curriculum mix of GCSE and BTeC courses, tailored to meet the individual needs of each student; our focussed one-to-one tutoring and intervention programme; our commitment to reducing class sizes; and most importantly, the dedication and hard work of our staff and students alike.

At A Level, students achieved a 96% pass rate, **37% of all entries being A*-B grades.**

The twelfth group of FAST TRACK pupils took their GCSEs this year. We were delighted to see them achieve excellent results. **98% of pupils achieved at least 5 A*-C grades including English and Maths with 78% of grades being A*-B.**

Examinations Policy

The school is a centre for all three GCSE Examination Boards and is also an accredited BTeC Centre. The selection of examination courses is based on a range of factors which include assessment model and resource provision. It is our policy that all students should have access to Level 2 qualifications (GCSE and BTeC) in the subjects studied in Years 10 and 11. Decisions regarding the level of entry of pupils for certification are made during the final year. A candidate is only withdrawn from certification if coursework requirements are not met. We are very proud of our reputation for achieving high levels in the GCSE examinations.
