

The Hollyfield School

## **SUMMARY OF EXAMINATION RESULTS**

**Summer 2015**

**“What an outstanding year with brilliant exam results for Hollyfield School”**

**73% of students achieved 5A\*-C including English and Maths which is an incredible 26% increase on last year.**

**24 students achieved 8 or more grade A\* and As**

The results we see today have rounded off an amazing year for Hollyfield School. The ultimate reward for us all was to see the delight on the faces of students who have reached their considerable potential.

The national press has been warning that, because of recent government changes, schools could face “turmoil” in their results this year. They also warned of “top grades falling to an eight-year low”. We are delighted therefore that our results have shown significant improvements. Our English results, for example, have risen by 31% to 85% achieving A\* to C.

Our EBacc (English Baccalaureate) pass rate also rose this year to an impressive 69% of entries while 30% of all grades were A\* or A.

There were many brilliant achievements including Evie Oliver who achieved 10 A\*s, Remi Rufus-Toye with 9 A\*s an A and a B and Shivam Desai with 8 A\*s, 2 As and a B to name just a few.

At Hollyfield School our core purpose is to ensure we have enabled our young people to confidently take the next steps in their lives and we know that these results will enable them to do so. Results like this do not happen by magic and I would like to formally thank staff, parents and governors for their unwavering support for our school.

For the past year Hollyfield School and Grey Court School have been working very closely together. Both schools have shown significant rises in their GCSE results. This is an exciting period in our development as we look forward with confidence to the future successes of this type of collaborative work.
